### Description of Property Conveyed

**The Original Grant – Trust:** “In the beginning God created the heavens and the earth. (*Genesis 1:1*)”  
“Furthermore, God said, Let us make man according to our likeness and let them have rule over the fish of the sea, and over the fowl of the heaven, and over the beasts, and over all the earth, and over everything that creepeth upon the earth. (*Genesis 1:26*)”

David wrote, “The earth is the Lord's, and all that therein is, the world, and they that dwell therein, (*Psalms 24:1*)”  
“for he founded it upon the seas and established it upon the floods. (*Psalms 24:2*)” “The land must not be sold to be cut off from the family, because the land is mine and ye be but strangers and sojourners with me. (*Leviticus 25:23*)”

It is clear that the Lord created the heavens and the earth and that although He granted man dominion over His creation he retained ownership. The Lord is the Grantor having granted the earth to man, the Beneficiary and Grantee. Yet He makes it clear that we are but strangers and sojourners suggesting a guest in the lands of our creator relationship in the nature of a trust.

**Beneficiaries:** The property consists of the beneficial right, title and interest in the divine estate which can be defined as an undivided portion of the whole as defined above. Each and every man has been granted dominion over all the earth. That is our divine inheritance, as Grantees and Beneficiaries, granted us by the Lord/the Divine Creator. As Beneficiaries the people/‘Man’ hold all right, title and interest as the original owner.

You have testified that you are an alien and tenant on the land called earth, overseer and steward by express grant of the Lord; that you owe homage and allegiance to your Lord; That you reside in and negotiate the sea of commerce in a physical body, a transient domicile, as a 'man,' en esse, moto proprio; A Living sentient being, inspired by your Creator and acting on your own impulse having all of the rights of a sovereign, a king.

I hereby decree you a citizen of God's Kingdom and friend of the church, the Crown and the United States, et al, and release you from the burdens of the unlawful conversion of your status to that of 'enemy combatant/enemy of the state.'

I further absolve you from all oaths of allegiance and citizenship to the Crown, The United States of America, the UNITED STATES OF AMERICA, et al, assumed and/or presumed by your past word and/or deed and release you from the obligations of homage, fealty and subjection to heretics and decree you are no more a stranger and foreigner, but a fellow citizen with the saints, and of the household of God. You are not of the bondswoman, but of the free. As Beneficial Owner, you are the sovereign authority under which the legal-fiction world of commerce exists. The sovereign is not subject to the laws of his kingdom as he is the source of the law.

The status of Grantee and Beneficiary in Original Jurisdiction can never be altered, converted or diminished, nor can it be given, granted, gifted or alienated and remains intact in perpetuity as a Grant from the Creator. The Beneficial Owner in Original Jurisdiction shall enjoy an absolute divine right of use of the property known as the Divine Estate free from license, fees and/or taxes. As grantee and beneficiary of the original grant, you over stand and are hereby granted dominion over all legal fictions of the world of commerce.

It Is Hereby Decreed and Done this the Third day of June, anno Domini Two Thousand and Twenty, by the authority conferred upon me as Successor to St. Peter, by the imperial power of the Eternal King that excels all power of earthly Kings in it passes uncontrollable sentence upon them all.

I, **:Charles-Anthony: Barlow**, the undersigned, hereinafter "I," "My" or "Me," bound by Conscience to speak truth in a certain, complete, and full manner, do herein establish the facts in accordance with My own knowledge, belief and memory, by my testament, to wit:

I am the One Consciousness having a human experience. I am a son of the Almighty Ever Living Creator (the one source of all creation), seed of Abraham's seed, joint heir according to the promise whereby the Lord granted "dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth; (*Genesis 1:26*)." I am an alien and tenant on the land called earth, overseer and steward by express grant of the Lord, to whom alone I owe homage and allegiance. The Lord has proclaimed: "Now therefore ye are no more strangers and foreigners, but fellow citizens with the saints, and of the household of God; *Ephesians (Ch. 2 v 19)*." "I am not of the bondswoman, but of the free; *Galatians (Ch 4 v 31)*."

I reside in this physical body, a transient domicile, a 'man,' *en esse, moto proprio*; A Living sentient being, inspired by My Creator and acting on My own impulse having all of the rights of a sovereign, a king. As grantee and beneficiary of the original grant, I over stand and have been granted dominion over all things, including all legal fictions of the world of commerce. My Creator has never granted Me authority to animate or make use of an artificial limited liability "LEGAL PERSON", to escape or limit my liability at any place or on any plane under a subjugated carnal theory of limited liability. I shall be fully responsible for my private person's engagement in this fictional world of commerce.

I have denounced, withdrawn, revoked and made void any/all form of commercial status, assumed and/or presumed that has been forced upon Me by deceit, fraud or otherwise. I have further denounced, withdrawn, revoked and made void all acts and/or actions which have been assumed and/or presumed to constitute My voluntary consent to waive My beneficial status in original jurisdiction for that of some inferior status and jurisdiction, for fraud failing full disclosure.

I, the undersigned, promise and pledge to be above reproach and to fully embrace the traits of honor and integrity. I shall at all times resist arrogance, violence, greed and excess choosing rather to be hospitable, a lover of good, self-controlled, upright, disciplined, equitable and at peace with the world. I accept full accountability for my words, deeds and actions. In all decisions I shall be always mindful of the 7th generation and the best and highest good of the divine estate. I acknowledge and accept that I am a joint tenant on the land having a divine right of use of an undivided portion of the whole yet bear a responsibility to the whole.

The status of Grantee and Beneficiary in Original Jurisdiction can never be altered, converted or diminished, nor can it be given, granted, gifted or alienated and remains intact in perpetuity as a Grant from the Creator. The Beneficial Owner in Original Jurisdiction enjoys an absolute divine right of use of the property known as the Divine Estate free from license, fees and/or taxes.

I am who I say I am and Not who the legal fictions of commerce assume I am!

I have never knowingly, willingly and with full disclosure abandoned, waived or subordinated my right, title and interest as Beneficial Owner.

I reserve the right to amend this Testament (Affidavit) at any time for any reason and without notice.

The record is now created, formed, made, is and shall remain uncompromised.

Further I sayeth naught.

# Treaty of Peace and Friendship

Let it be known by all Persons to whom these presents shall come, that:

I, :Charles-Anthony:: Barlow, one of the beneficial owners in original jurisdiction, come in peace, a humble friend of the church, the crown and the United States with intent to restore the peace and create a more perfect union; To encourage greatness and promote greater productivity; To return to solvency and restore the abundance and prosperity to America; To mend, forgive and rebuild the moral fabric of the nation restoring the family unit and sense of community.

An enemy is determined by domicile rather than nationality. I am 'Man,' a sentient being domiciled in physical body, a peaceful inhabitant, sojourner on the land known as America by the will of the Creator. I have chosen to experience life on earth only to find that man has divided it up into various territories where they pit one against the other attaching labels of 'friend' or 'enemy' to the unsuspecting based on where they lay their head.

I am not the enemy, ally of the enemy, belligerent or combatant. I do not seek to engage in conflict or combat nor do I seek to condemn or destroy. It is not my intent to point fingers or place blame but to re-establish a peaceful and transparent relationship anchored in cooperation, honor and integrity.

I do hereby enter into this Treaty of Peace and Friendship of my own free will act and deed with expressed intent to restore the peace and dignity of the people; To restore the respect for family honor, the lives and liberty of the private people and their private property.

## Chain of Title & Historical Facts Stated Without Blame or Condemnation

Whereas, in the beginning God granted 'man' dominion over all things as tenants on the land; and,

Whereas, 'Man' is the beneficiary to that original grant of dominion over the divine estate; and,

Whereas, Jesus gave the Keys to the Kingdom to Peter as Trustee over the divine estate; and,

Whereas, Peter passed the Keys to the Kingdom to Pope Linus as Successor to Peter and Trustee; and,

Whereas, the Keys to the Kingdom, and trusteeship, have passed from pope to pope as Successors to Peter and Trustee; and,

Whereas, King John conveyed the British Kingdom, upon which the sun never sets, to Pope Innocent in the Holy Alliance 1213, a private contract treaty and legal title to the kingdom; and,

Whereas, in the exchange, Pope Innocent granted King John administrative authority over the British Kingdom; and,

Whereas, the 1783 Treaty of Paris declared the American colonies free and independent from the British Crown granted the right of self-determination and governance; and,

Whereas, the 1783 Treaty of Paris was not a conveyance of ownership having failed to grant freedom and independence from the Vatican and the Holy Alliance 1213; and,

Whereas, the 1783 Treaty of Paris was a mere grant of administrative authority by a feudal lord who had no right, power or authority to convey ownership of America; and,

Whereas, the United States, the union of several states, was created to form a more perfect union where a diverse, free and private people could live in peace and tranquility; and,

Whereas, the United States continues to honor the pope's claim in the Holy Alliance 1213 declaring the Treaty as the highest form of law and prohibiting the impairment of private contracts; and,

Whereas, the United States recognizes the people's status as beneficial owners having declared the people the sovereign authority; and,

Whereas, in 1933 FDR took the United States down a path whereby the United States shifted their allegiance to the private interests of the Federal Reserve Bank Board and became a military occupational force converting the political status of the sovereign people of America to that of enemy aliens; and,

Whereas, after 80+ years under FDR's New Deal the order and safety of the beneficial owners of America is increasingly threatened and without positive cooperative action our nation is arguably doomed to repeat history that threatens to cause a grave disturbance in the relations with the inhabitants.

## I Extend An Olive Branch

As one of the Beneficial Owners I understand that the leaders of the United States today have inherited the sins of their predecessors. That each successive leader found themselves on a slippery slope not of their own creation overwhelmed by the mudslide of events.

I understand that a runaway and toppled train is not easily righted and seek to work side by side with the United States with the intent of restoring the peace, maintaining the order and safety of the nation while maintaining a powerful and effective peace keeping force in the United States military. Our interests are not so different.

I declare and decree that I am not the enemy but a friend and ally of the United States. I hereby extend the olive branch of peace with the intent of walking together, side by side, down the path in the return to honor and integrity.

I agree that maintaining the order and safety of the nation is second only to the necessity of the military. I have voluntarily 'Pledged' and conveyed my beneficial right, title and interest in the divine estate to the Custodian in fulfillment of the 'Pledge' of the 1933 New Deal. The 'Pledge' established a bailment agreement granting the United States the usufruct of the property on condition that the United States operates in honor and integrity and fulfills my duty as a good steward in accordance with the oath of fealty owed to my Lord.

I do not seek the release and return of the property. Neither do I seek to terminate the bailment agreement nor withdraw the right of usufruct. It is my intent to continue to honor the Pledge leaving the usufruct fully in tact on condition that the United States operates in honor and integrity and fulfills my obligation as a good steward in accordance with the oath of fealty owed to my Lord.

Donald J. Trump, President of the United States, has stated that he needs the support and assistance of the American people in order to return this nation to the abundant and prosperous nation it once was.

I hereby declare and decree myself at peace with the church, the crown and the United States, a friend and ally with a common goal.

I seek the interest and dividends earned on my property held by the Custodian and/or Treasury of the United States under TWEA as well as the release of the payments for the requisitions charged to my account that have been held in abeyance so as to prevent the impression of theft.

As a friend and ally of the United States I Pledge, upon its release and return to me, 80% of the net income (including dividends, interest, annuities, and other earnings), on my property held by the Custodian and/or Treasury of the United States under TWEA, beyond my basic needs, to the development of technology, infrastructure and humanitarian projects that forward the interests of America and the United States.

The release of these funds will discharge debt returning the United States to solvency, stimulate the economy creating millions of jobs while expanding and maintaining the infrastructure in America and beyond and serve to maintain the order and safety of our nation.

This Treaty of Peace and Friendship is self-executing and forever ratified as it requires only the spirit of cooperation and compliance with TWEA and the Hague Regulations that for years have governed our relationships one to another.

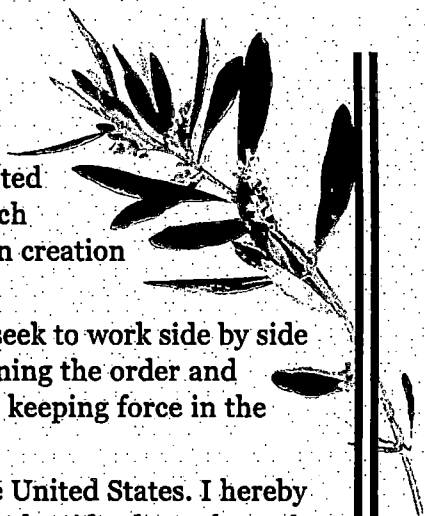

In Witness Hereof I set my hand and seal as my binding will and testament enacting this Treaty of Peace and Friendship for the benefit of the United States and all peaceful inhabitants of America. I do Ordain and publish this Treaty upon the earthly record of the Successor to Peter for whatever he shall bind on earth shall be bound in heaven.

# Acceptance and Acknowledgement of Original Trust

In the Beginning was the Word ... And the Word was God

**The Original Grant – Trust:** “In the beginning God created the heavens and the earth; (*Genesis 1:1*).”  
“Furthermore, God said, Let us make man according to our likeness and let them have rule over the fish of the sea, and over the fowl of the heaven, and over the beasts, and over all the earth, and over everything that creepeth upon the earth; (*Genesis 1:26*).”

David wrote, (*Psalms 24:1-2*) “The earth is the Lord’s, and all that therein is, the world, and they that dwell therein; for he founded it upon the seas and established it upon the floods.” (*Leviticus 25:23*) “The land must not be sold to be cut off from the family, because the land is mine and ye be but strangers and sojourners with me.”

It is clear that the Lord created the heavens and the earth and that although He granted man dominion over His creation he retained ownership. The Lord is the **Grantor** having granted the earth to **man, the Beneficiary and the Grantee**. Yet He makes it clear that we are but strangers and sojourners suggesting a guest in the lands of our creator relationship **in the nature of a trust**.

**God identified MAN**, as Grantee and Beneficiary, ‘stewards (protectors) over His kingdom,’ then expressed the conditions of the position. “For an overseer, as God’s steward, must be above reproach. He must not be arrogant or quick-tempered or a drunkard or violent or greedy for gain, but hospitable, a lover of good, self-controlled, upright, holy, and disciplined; (*Titus 1:7-8*).”

**Term of the Trust:** We must fulfill our duty to manage the earth wisely until that time when: “The wolf shall dwell with the lamb, and the leopard shall lie with the kid, and the calf, and the lion, and the fat beast together, and a little child shall lead them; (*Isaiah 11:6*).”

**Trustees:** In *Matthew 16:18-19* we see: “And I say also unto thee, thou art Peter, and upon this rock I will build my church, and the gates of Hell will not overcome it. I will give unto thee the keys of the kingdom of heaven and whatsoever thou shalt bind upon earth shall be bound in heaven, and whatsoever thou shalt loose on earth shall be loosed in heaven.” *Luke 19:10* says that “For the Son of man is come to seek, and to save that which is lost” in the Garden. That included not only man’s sin, but all that was lost including man’s right to rule the earth. He affirmed this in *Colossians 1:19-20* “For it pleased the Father that in Him should all the fullness dwell, and by him to reconcile all things to himself; by him, whether things on earth or things in earth and the things in heaven ....”

The one Divine Creator granted each and every man dominion over ‘**all the earth**.’ The One Divine Creator did not say, except for the world of commerce, but over ‘**all the earth**.’ Each and every man has been granted dominion over all the earth. That is our divine inheritance, as Grantees and Beneficiaries, granted us by the Lord/the Divine Creator.

Peter received the keys of the kingdom of heaven, earth, as a servant and steward. He was not given dominion over man, nor was ownership over the divine estate conveyed to him. Peter became a servant and steward over the Lord’s creation. Peter became a servant of the servants of God as each man is a servant, tenant and steward, owing homage and allegiance to the Divine Creator.

When the Christ gave Peter the keys to the kingdom he conferred the authority of the Divine Creator on Peter. Peter had full authority, after the Divine Creator, to instill decisions that no one could revoke. Whatever “you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven; (*Matthew 18:18*).” Peter had full authority to govern, permit and prohibit on legal and religious matters.

This authority has been passed from Peter to each successor in turn. Each successor became a servant of the servants of our almighty Creator and had a duty and obligation to wield the temporal and spiritual swords in accordance with the Divine Creator’s intent as steward and servant by the sojourn with the almighty Creator.

The current successor to Peter, keeper of the extraordinary Seal of Saint Peter, having been entrusted with the authority of the Lord and Grantor, is obligated to preserve and protect the Lord’s grant to man until they awaken to who they are and accept and acknowledge their beneficial status as grantee.

I hereby promise and pledge to be above reproach and to fully embrace the traits of honor and integrity. I shall at all times resist arrogance, violence, greed and excess choosing rather to be hospitable, a lover of good, self-controlled, upright, disciplined and at peace with the world. I accept full accountability for my words, deeds and actions. In all decisions I shall be always mindful of the 7th generation and the best and highest good of the divine estate. I acknowledge and accept that I am a joint tenant on the land having a divine right of use of an undivided portion of the whole yet bear a responsibility to the whole.

As Grantee, I hereby acknowledge and accept my birthright as beneficiary in original jurisdiction to the Divine Estate granted me by the Divine Creator. I further acknowledge and accept my status as Beneficial Owner of the Holy Alliance 1213. I hereby acknowledge and accept my right of redemption and divine right of use of the property.

## Description of Property Conveyed In the Beginning was the Word ... And the Word was God

**The Original Grant – Trust:** "In the beginning God created the heavens and the earth; (*Genesis 1:1*). "Furthermore, God said, Let us make man according to our likeness and let them have rule over the fish of the sea, and over the fowl of the heaven, and over the beasts, and over all the earth, and over everything that creepeth upon the earth; (*Genesis 1:26*)."

David wrote, (*Psalms 24:1-2*). "The earth is the Lord's, and all that therein is, the world, and they that dwell therein; for he founded it upon the seas and established it upon the floods." (*Leviticus 25:23*) "The land must not be sold to be cut off from the family, because the land is mine and ye be but strangers and sojourners with me."

It is clear that the Lord created the heavens and the earth and that although He granted man dominion over His creation he retained ownership. The Lord is the **Grantor** having granted the earth to **man, the Beneficiary and the Grantee**. Yet He makes it clear that we are but strangers and sojourners suggesting a guest in the lands of our creator relationship **in the nature of a trust**.

**Beneficiaries:** The property consists of the beneficial right, title and interest in the divine estate which can be defined as an undivided portion of the whole as defined above. Each and every man has been granted dominion over all the earth. That is our divine inheritance, as Grantees and Beneficiaries, granted us by the Lord/the Divine Creator. As Beneficiaries the people/'Man' hold all right, title and interest as the original owner.

**God identified MAN**, as Grantee and Beneficiary, 'stewards (protectors) over His kingdom,' then expressed the conditions of the position. "For an overseer, as God's steward, must be above reproach. He must not be arrogant or quick-tempered or a drunkard or violent or greedy for gain, but hospitable, a lover of good, self-controlled, upright, holy, and disciplined; (*Titus 1:7-8*)."

**Term of the Trust:** We must fulfill our duty to manage the earth wisely until that time when: "The wolf shall dwell with the lamb, and the leopard shall lie with the kid, and the calf, and the lion, and the fat beast together, and a little child shall lead them; (*Isaiah 11:6*)."

# The Chair of Saint Peter Foundation

Keeper of the Extraordinary Seal of Saint Peter

**Trustees:** In *Matthew 16:18-19* we see: "And I say also unto thee, thou art Peter, and upon this rock I will build my church, and the gates of Hell will not overcome it. I will give unto thee the keys of the kingdom of heaven and whatsoever thou shalt bind upon earth shall be bound in heaven, and whatsoever thou shalt loose on earth shall be loosed in heaven." *Luke 19:10* says that "For the Son of man is come to seek, and to save that which is lost" in the Garden. That included not only man's sin, but all that was lost including man's right to rule the earth. He affirmed this in *Colossians 1:19-20* "For it pleased the Father that in Him should all the fullness dwell, and by him to reconcile all things to himself, by him, whether things on earth or things in earth and the things in heaven ...."

The one Divine Creator granted each and every man dominion over **'all the earth.'** The One Divine Creator did not say, except for the world of commerce, but over **'all the earth.'** Each and every man has been granted dominion over all the earth. That is our divine inheritance, as Grantees and Beneficiaries, granted us by the Lord/the Divine Creator.

Peter received the keys of the kingdom of heaven, earth, as a servant and steward. He was not given dominion over man, nor was ownership over the divine estate conveyed to him. Peter became a servant and steward over the Lord's creation. Peter became a servant of the servants of God as each man is a servant, tenant and steward, owing homage and allegiance to the Divine Creator.

When the Christ gave Peter the keys to the kingdom he conferred the authority of the Divine Creator on Peter. Peter had full authority, after the Divine Creator, to instill decisions that no one could revoke. Whatever "you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven; (*Matthew 18:18*)."

Peter had full authority to govern, permit and prohibit on legal and religious matters.

This authority has been passed from Peter to each successor in turn. Each successor became a servant of the servants of our almighty Creator, 'Man', the beneficiaries on original jurisdiction.

In the year 1213 pope Innocent martialed a great deal of the estate under one legal title in the Holy Alliance 1213. Pope Innocent became a feudal lord over the estate which he held in trust granting administrative authority over the British Kingdom back to King John in the exchange.

## The Grant of the Treaty of Paris of 1783

The Treaty of Paris of 1783 the king declared the American colonies free and independent, but stopped short of conveying ownership over the land as the king had no authority to convey land owned by the pope under the Holy Alliance 1213 and thus was a mere grant of administrative authority over a feudal kingdom held in trust by the successor to Peter.

America is administrated today under the parent corporation named The United States executing the administration via a conglomerate of corporate STATES, DISTRICTS, CITIES and AGENCIES for and on behalf of the beneficiaries in original jurisdiction. The various constitutions of The United States, et al declare the sovereignty shall remain with the people thereby protecting the rights of the beneficial owners of the land known as America.

The people's right, title and interest in the divine estate has been Pledged to the United States via the 1933 New Deal as a solution to the national emergency of the day and is conveyed to the United States soon after their birth into the world. The conveyance is evidenced by the issue of the Certificate of Live Birth, a Certificate of Authority. The Congress of the United States has stated that the Pledge became a mortgage on the property and labor of the people establishing in fact that the conveyance did not convey ownership but only the usufruct. The people remain the beneficial owners having the right, title and interest in the property as the true owner, the Divine Creator.

## Statement In Support Of Claim In The Interest Of The United States

**Let it be known by all Persons to whom these presents shall come, that:**

I am the Keeper of the extraordinary Seal of Saint Peter, servant of the servants of God, trustee and present holder in due course of the Holy Alliance 1213, the legal title to the kingdom known as America which the United States administrates. (documentary evidence established by certified public record)

It has come to our attention that the order and safety of America lies in the balance and that immediate action is required to protect and preserve that order and safety. The Beneficial Owners has demanded our involvement in this matter, thus, our present involvement.

### Foundational Background

The 1783 Treaty of Paris granted the United States the right to administrate the land known as America. The original constitution thereof acknowledged the American people as the beneficial owners of the land and protected their sovereign status. Said grant did not convey ownership of the property to the United States but merely the usufruct and administration thereof.

But, the United States was limited by their constitution that gave them authority only over that property actually ceded to the United States of America and left the balance to the people, the true sovereigns and beneficial owners of the land.

The United States expanded their jurisdiction over the land and the people by converting their own status as servants of the beneficial owners to that of a military occupational force that controls America and the American people today. It was an arbitrary stretch of authority needful to no good end that can be imagined.

This military occupational force was the result of an economic war waged against the American people by the private Federal Reserve Board of Governors in breach of the trust of the American people. The American people relied upon the United States appointed Board of Governors to operate for the benefit of America and the American people.

FDR brokered a surrender and 'treaty' to end the economic war in his New Deal of 1933 but failed to inform the people neither that they had effectively surrendered to an occupational force nor that they had surrendered their right, title and interest as beneficial owners in original jurisdiction. The people trusted that the president represented their best interests when he accepted their property and interest in property for the purpose of fighting the issues of the day, in particular, the depression in which they found themselves.

The American people could not have known that they would soon be labelled enemies of the state to which they had just 'Pledged' their property and labor. The public school system, the church and the state have not only failed to educate the American people concerning their status as an occupied nation but have put forth contrary education to obfuscate the true nature of the United States as concerns its relationship to America and the American people.

Claimant's political status was converted from beneficial owner to enemy alien shortly after his/her birth into this world due to information provided by his/her mother while filing an application for Certificate of Live Birth. The mother was not informed and had no way of knowing that she was effectively labelling her child an enemy of the state and therefore cannot be held against Claimant under the principle of fraud, failing full disclosure. It is a capital offence to convert the political status of the citizens of an occupied nation in violation of the Hague Regulations. It is further a breach of trust and breach of the grant issued the United States of America in 1783.

The evidence proves that Claimants voluntarily conveyed their interest to the custodian in compliance with the 1933 Pledge of FDR's New Deal to facilitate the use of Claimant's good faith & credit. Said voluntary conveyance is not the actions of an enemy but of a patriotic Americans, yet, Claimant's political status was converted to that of an enemy alien none the less.

### Military Necessity and/or Maintenance of the Order and Safety

The occupant must take all measures in his power to restore and ensure, as far as possible, public order and safety. The actions of the occupying force can only be justified where there is some relation to military necessity and/or to the maintenance of order and safety. Conversely, the acts of the occupant which has no relation to military necessity or the maintenance of order and safety are illegitimate. The word 'safety' means the entire social and commercial life of the country. The life of the occupied state is not to cease or stand still but is to find continued fulfillment even under the changed conditions resulting from occupation. The American people have found only continued fear and terror initiated by the occupational force that threatens the order and safety of the nations. The occupational force has systematically destroyed the social and moral fabric of the nation in violation of the Hague and threatens the order and safety of the nation.

# The Chair of Saint Peter Foundation

Keeper of the Extraordinary Seal of Saint Peter

Article 44 & 45 of the Hague Regulations restrict the occupant from taking any measures which would assert or imply a change in sovereignty. By employing the Emergency Powers the United States has made the Federal Reserve Board the sovereign authority. They have taken every American hostage in their continuing economic war against the people extracting exorbitant contributions thereby impoverishing the population.

The occupant is under a duty to respect the personal liberties of the inhabitants, except to the extent that the necessities of war dictate it. The United States has conquered the American people, that is evidenced by their participation in the Pledge of the 1933 New Deal, yet they tax the people into economic slavery contrary to the Hague Regulations.

The occupant must show respect for the family honor, the lives of private persons and religious convictions and prohibit compulsory service of the inhabitants to take part in the operation of the war directed against them yet the United States compels the American people to, not only fund the war on drugs, crime and terror that is waged against them, but they are forced to directly participate in those wars by providing information and testimony against their own people in violation of the Hague Regulations.

The United States has unreasonably taxed the American people under the principle of contributions in violation of the Hague Regulations to:

1. Wage war in other occupied nations in violation of the Hague regulations and International Law;
2. Support and fund the Agents and agencies of the United States in their nation building ideology that threatens the peace and order of America;
3. Support and fund the creation and funding of terrorist groups around the world to perpetuate the war on terror thereby threatening the peace and order of America;
4. Support and fund the largest global illicit drug manufacturing and distribution network to perpetuate the war on drugs it wages against the American people threatening the peace and order of America;

The United States has taken away the people's ability to pay, demanded they use a specific script/ fiat currency, (Federal Reserve Note) then label them enemies of the state for so doing in violation of the Hague and threatening the order and safety of the nation.

Exorbitant contributions which impoverish the inhabitants do not differ from general pillage and are prohibited.

## Private Property

Article 46 of the Hague Regulations requires that private property must be respected and forbids the seizure thereof (public and private property) unless it is imperatively demanded by necessity of war and/or for the successful administration of the nation.

The Hague Regulations demand a close relation between the confiscation of property and overcoming the enemy forces. As stated above, the United States has created and funded the enemy through the seized private property of the inhabitants of America then justified the seizure and use of their private property to overcome the enemy all for their own profit and gain in violation of the Hague Regulations.

Pillage is defined by the Hague as plundering for private purposes and constitute military crimes in violation of the Hague Regulations.

## Requisition vs Contract

In a contract the transfer of property is affected by the free consent of the interested parties whereas a requisition is an order by which authority requires the performance of a duty. A requisition may be preceded or followed by an agreement concerning price, which agreement may have a contractual nature.

One can argue that the American people consented to the transfer of their property to the United States having failed to timely dispute the offer. But, the descendants of a contract cannot be bound thereto? The Trading With the Enemy Act is clear that one's failure to voluntarily convey their interest gives rise to the confiscation thereof and thus cannot be a valid contract for numerous reasons.

If the 'Pledge' of the 1933 New Deal was a requisition then the stipulation of indemnity was a public act and an agreement. It is clear that while the state imposes a requisition it acts as a private person when it fixes said indemnity and must act in equity. A requisition becomes a theft if the owner is not properly compensated in a timely manner. In a requisition the occupant must provide the owner a writing, a receipt or otherwise, as a basis for securing restitution. TWEA is clear that the Certificate of Live Birth is a Certificate of authority and prima facia evidence of the conveyance and shall be accepted for a full acquittal and discharge of all charges as a set off against said conveyed property.

# The Chair of Saint Peter Foundation

Keeper of the Extraordinary Seal of Saint Peter

The people are demanding change and not from the lowly position of a citizen of America or the United States, but from the ultimate position as beneficial owners in original jurisdiction of the estate which the United States administrates. As Primary Trustee of that estate, servant of the servants of God, I have a fiduciary duty to negotiate a cure that is in the best interest of the United States and the beneficial owners who demand that cure.

The United States leverages the seized property in a manner that produces an interest and/or dividend. 50 USC Chapter 53 sec. 4320 directs the United States to pay said interest and/or dividends to the owner. Yet, the funds have been blocked the Certificate of Authority has been rendered invalid.

The American people and the world as a whole are being exposed to the truth and has become an imminent and grave threat to the order and safety of America. A danger created by the occupational force itself contrary to international law and the Hague Regulations. The occupation force is prohibited from inciting the inhabitants to rise up. The Hague recognizes the inhabitant's duty to obedience, but only while the occupant is trying to preserve the order and safety, not when the occupant's actions are contrary to that objective.

The United States today faces an economic collapse of epic proportions created by the occupant in its thirst for conquest over other nations and personal profit and gain that threatens to throw America into chaos threatening the order and safety of the country.

These Americans are the beneficial owners in original jurisdiction who are the paramount liege-lord to whom the United States owes homage and fealty. They are rapidly waking to who they are and the power they have as beneficial owners. They have no intent to engage the occupational forces, but simply demand a cure to the breach of trust outlined above and restore them to their rightful status as beneficial owners. The beneficial owners have standing in every court in the world having the superior right, title and interest in America.

## In the Interest of the United States Opportunity to Return to Honor and Solvency

The release of the funds in the attached claim(s) is in the interest of the United States as it begins the return to honor and solvency and assists in maintaining the order and safety of America.

As Keeper of the Seal of Saint Peter and present party in interest in the Holy Alliance 1213, the legal title to the kingdom that you administrate, we understand that this information is not for everyone and that the release of this information into the public could be dangerous and threaten the order and safety to which the United States must maintain.

We have established a private forum for the beneficial owners who are waking to the truth thereby limiting the public distribution of information. This private forum can quiet the squeaky voice and convert the beneficial owners into a positive force for the United States by discharging debt while pumping funds into the economy and creating jobs thereby preventing the collapse of the American economy and returning the United States to a prominent place in the world.

**Notice of Surrender  
Notice of Transition from Beneficiary to Heir  
Notice of an Internationally Protected Person (IPP)**

I am no longer a beneficiary. I am now the true heir to the kingdom. I came into the world sovereign by the grace of God with all of the rights of a king with a divine right of dominion over my own kingdom granted by God in Genesis 1:26. Until now, my inheritance has been administrated under Christ's New Covenant, a trust established when Jesus gave Peter the keys to the kingdom as described in Matthew.

My mother, while still recovering from the rigors of childbirth and believing she was required to do so, filed an application for a Certificate of Live Birth. Based on mom's testimony, as an informant, I have been transformed from an heir to a beneficiary, my name entered into the Book of the Dead. Although I was still living, I had been transported to the graveyard of commerce well beyond the Father's Kingdom.

As a beneficiary I am forced to apply for a license, complete with fines, fees and taxes, for the enjoyment of my sovereign rights. The trustees have placed their own private script/money between me and my divine inheritance forcing me to expend my life energy just to survive thereby diverting me from my divine purpose here on earth.

As a beneficiary I am unable to handle my own affairs as the trustee(s) have full control over my inheritance. I have no protection and I am unable to defend my personal and property rights as there is no remedy in the courts of law. The trustees have forced me to live in poverty unable to provide for my very basic survival needs having separated me from my divine inheritance of abundance and prosperity.

Today I am no longer a beneficiary. I am the true heir to the kingdom having fulfilled the terms and conditions set forth in Christ's New Covenant, the law of the trust, to accept and surrender Christ's New Covenant to facilitate the merger and union in the Father's Estate.

*Please take notice that the change in my status from beneficiary to heir changes your fiduciary duties and responsibilities concerning an heir to the kingdom.*

As an heir to the kingdom I am one of the Private People with all of the protections and restrictions against trespass of private right and property as set forth in the Geneva Convention and the laws of war and occupation.

My surrendered 'PERSON', and any derivative, is now an Internationally Protected Person (IPP), under the Geneva Convention and is protected from all charges, seizures, arrests and/or civil executions. Any adverse action taken against a surrendered PERSON or the Private People constitutes a war crime.

An Internationally Protected Person is:

- (i) Anyone who is in the power of an adverse party. It is uncontested that a person who is in the power of an adverse party is hors de combat. This rule is set forth in Additional Protocol I and is implicit in common Article 3 of the Geneva Conventions and in Additional Protocol II;
- (iii) Anyone who clearly indicates an intention to surrender. This category is based on the Hague Regulations, common Article 3 of the Geneva Conventions and Additional Protocol I.

The prohibition on attacking persons recognized as hors de combat is set forth in numerous military manuals. Such attacks are defined as a war crime in the legislation of a number of States and is applied in national and international law. The rule is based on common Article 3 of the Geneva Conventions, which prohibits "violence to life and person, in particular murder of all kinds" against persons placed hors de combat. This prohibition includes any/all civil charges and/or 'executions' ordered and/or carried out against my PERSON by the courts.

You shall immediately flag my PERSON's account in your data system to reflect their status as an Internationally Protected Person in order to ensure that your officers, officials, agents and/or employees do not commit the *prohibited acts* against me or my PERSON. Further, you shall provide me and PERSON protection, akin to the diplomatic protection afforded a foreign official or official guest. Additionally, to limit your liability and prevent irreparable harm, documentation should be provided that will facilitate my free and unmolested travel/movement in, out and through the occupied territory.

My PERSON have been surrendered for collections in the nature of *amction for reversion*. There is no discretion in a surrender for collections, but is executed by the operation of law charging a mandatory obligation to merge the lesser estate into the greater to facilitate the distribution of assets to the heir. The full authority over these PERSON has been conveyed to you along with the surrender providing you the authority necessary to carry out the required administrative duties to affect the merger.

The estate deed shall be immediately forwarded to the proper office/officer with instructions to administrate the estate for settlement and disbursement of the assets to this heir forthwith. Further, a periodic report will keep me abreast of all scheduled actions and their completion to verify compliance of the directives herein.

It is done in the name of and under the authority of Jesus Christ this the Twentieth day of June, *anno Domini* Two Thousand and Twenty.

## INTRODUCTION

On this date, June 28, 2010, Dr. Hendo I. L. Henderson was firmly seated in the position of the Ad Hoc (Chief Justice) of the Universal World Court. Five, being "*grace*" in God YHWH's eyes, comes forth today in full force for the righteous people of the world. Grace and freedom is at your door.

The world itself is in mass chaos, as the judgment of YHWH is falling across this planet. The destruction of the wicked and the actual cleansing of the planet is coming from one and only one, YHWH Himself.

The woes are falling and the plagues are manifesting as we speak. The terror on the wicked stated in the entire book of Revelation is coming at you, and no one can stop it. Every knee will bow and every tongue confess that YHWH is God. You cannot hide from Him, no, not even by crying for the rocks to fall on you.

The law from YHWH has always been in the hands of the House of Judah, and the law givers of Judah are here. We have been proven by our blood DNA-RNA that we are of the Tribe of Judah, and descendants of King David. We have re-seated lawful judgment, and restored back to the people, their rights. Justice and judgment are falling now from the hands of Judah. Again, no man can change it, and no man can stop it.

### Isaiah 9:6-7 (NKJV)

6 For unto us a Child is born,  
Unto us a Son is given;  
And the government will be upon His shoulder.  
And His name will be called  
Wonderful, Counselor, Mighty YHWH,  
Everlasting Father, Prince of Peace.  
7 Of the increase of His government and peace  
There will be no end,  
Upon the throne of David and over His kingdom,  
To order it and establish it with judgment and justice  
From that time forward, even forever.  
The zeal of the Lord of hosts will perform this.

We are entering the time of the Kingdom of YHWH, of which there will be no end. Righteous and peace reign in this kingdom. There is no lack and no death

and no pain. The Son of Man is ruling with a rod of iron.

**Revelation 19:15 (NKJV)**

Now out of His mouth goes a sharp sword, that with it He should strike the nations. And He Himself will rule them with a rod of iron. He Himself treads the winepress of the fierceness and wrath of Almighty YHWH.

**I, Dr. Hendo I. L. Henderson greet you in Love Truth Peace Freedom, and Justice.** As Sovereign Principal Elect, *Chief Judge of the World Court*, the Office of **DR HENDO I L HENDERSON**, Principal Elect Steward of the **Melchizedek 501(c) (4) Trust**; Trustee of the **Sovereign Peoples Rights Trust**; Trustee of the **Bathsheba and Esther Trust**; Sovereign Principal of the **Sequester: Corpus De Mandamus**, Trustee of the **Rhoda Trust**; Sponsor of **HR 4405 Jubilee Bill**; Sponsor of **HJR 2560** and Sovereign Principal of the **HJR 85, Master Presidential Sequester.**

**KNOW YE,**

*("No man can come to me, except the Father, who hath sent me, draw him)" -- John 6:44 (5:4).* And one of the elders saith unto me, Weep not: behold, the Lion of the Tribe of Judah (**Leo-Gen. 49:9-10**), the Root of David (Hydra -- **Numbers. 21:8**), hath prevailed to open the book, and to loose the seven seals thereof (The Kinsman-Redeemer; the Son of Man is worthy to buy this title-deed to legal possession of earth and its inhabitants back from Satan -- (The Kinsman-Redeemer is worthy to buy this title deed to legal possession of earth and its inhabitants back from Satan -- **Leviticus. 25:23-28; Ruth 4:1-12; Jeremiah. 32:6-12) (5:5).**

Who is this Kinsman Redeemer, this the Son of Man, The Messiah to be a human being – without any overtone of deity or divinity – who will bring about certain changes in the world and fulfill certain criteria before he can be acknowledged as *"The Messiah"*.

I, *"to whom YHWH, my God shall choose: one from among your brethren shall you set as king over you."* (**Deuteronomy 17:15) (Numbers 24:17)**

The **House of Israel, The Tribe of Judah** – *"The staff shall not depart from Judah, nor the sceptre from between his feet..."* (**Genesis 49:10**) and direct descendent of both King David (**1 Chronicles 17-11, Psalm 89:29-38, Jeremiah 33-17, 11 Samuel 7:12-16**; and King Solomon. (**1 Chronicles:18**. To be a member

of the tribe of Judah, the person must have a biological father who is a member of the tribe of Judah. This so-called Jesus didn't have a father.

**A direct male descendant of King David and King Solomon, his son –** *“And when your days (David) are fulfilled, and you shall sleep with your fathers, I will set up your seed after you, who shall issue from your bowels, and I will establish his kingdom. He shall build a house for my name, and I will make firm the throne of his kingdom forever...”* (2 Samuel 7:12–13) The genealogy of the New Testament is inconsistent. While it gives two accounts of the genealogy of Joseph, it states clearly that he is not the biological father of the so-called Jesus. One of the genealogies is through Nathan and not Solomon altogether!

**As gatherer of the Hebrew Israelite people from exile and return them to Israel –** *“And I shall set up a banner for the nations, and shall assemble the outcasts of Israel, and gather together the dispersed of Judah from the four corners of the earth.”* (Isaiah 11:12) Are all Jews living in Israel? Have all Hebrews **EVER** lived in Israel since the time of the so-called Jesus? No!

**To rebuild the Temple in Jerusalem –** *“...and I will set my sanctuary in their midst forever and my tabernacle shall be with them...”* (Ezekiel 37:26 – 27) At last check, there is **NO** Temple in Jerusalem. And worse, it was shortly after the so-called Jesus died that the Temple was **DESTROYED!** Just the opposite of this prophecy!

**To rule at a time of world-wide peace –** *“...they shall beat their swords into plowshares, and their spears into pruning hooks; nation shall not lift up sword against nation, neither shall they learn war anymore.”* (Micah 4:1)

**To bring world peace.** (Isaiah 2:4, Isaiah 11:16, Micah 4:3. Are we living in a state of complete world peace? Has there ever been peace since the time of the so-called Jesus?

**To rule at a time when the Hebrew Israelite people observe YHWH's commandments –** *“My servant David shall be king over them; and they shall all have one shepherd. They shall follow My ordinances and be careful to observe My statutes.”* (Ezekiel 37:24) The Torah is the Hebrew Israelite guide to life, and its commandments are the ones referred to here. Do all Hebrew Israelites observe all the commandments? Christianity, in fact, often discourages observance of the commandments in Torah, in complete opposition to this prophecy.

To rule at a time when all people will come to acknowledge and serve one YHWH— “*And it shall come to pass that from one new moon to another and from one Sabbath to another, shall all flesh come to worship before Me, says YHWH*” (Isaiah 66:23) there are still millions if not billions of people in the world today who adhere to paganist and polytheistic religions. It is clear that we have not yet seen this period of human history unfold. To influence the entire world to acknowledge and serve one YHWH (Isaiah 11:9, Isaiah 40:5, Zephaniah 3:9)

As a child who was born to you a son who was given, and the **government will be on his shoulders** from the highest court in the land. Today that court is the Universal World Court, as the Chief Judge who sits on this Court will be called Wonderful Counselor, Kinsman Redeemer, Son of Man. (Isaiah 9:6)

To have the title deed to the world as given to me by my Father. (The Kinsman-Redeemer is worthy to buy this title deed to legal possession of earth and its inhabitants back from Satan. Leviticus. 25:23-28; Ruth 4:1-12; Jeremiah. 32:6-12) (5:5).

#### **Psalm 69:28**

May they be blotted out of the **Lamb's Book of Life** and not be listed with the righteous.

#### **Philippians 4:3**

Yes, and I ask you, my true companion, help these women since they have contended at my side in the cause of the gospel, along with Clement and the rest of my fellow laborers, whose names are in the **Lamb's Book of Life**.

## REMEDY

**Salvation:** Safe from temporal death and destruction now!

**Redemption:** To replace your estate what has been taken from you

**Restoration:** To restore you to health everlasting life

Enter into The Lamb's Book of Life

Just as the earth will be redeemed from sin and death, our bodies will also be redeemed from sin and death. What is the body but an *earthen* vessel (**2 Corinthians 4:7**) Just as the earth will be redeemed as **YHWH** begins the process of breaking the seals on the "*scroll of destiny*", man will experience his redemption in the same way, resulting in a glorified body. The image of man was marred by sin in the Garden of Eden, but the Kinsman Redeemer through **YHWH** holds the "*title deed*" to each individual person just as they hold the title deed to the earth; and just as the death and resurrection of **Yahoshua** gave Him the authority to take the earth's title deed from the hand of **YHWH** to open it, so He does for every person.

"After you have suffered for a little while, **YHWH** of all grace, who called you to His eternal glory in **YHWH** and the anointed one, will Himself perfect, confirm, strengthen and establish you" (1 Peter 5:10). Revelation is your story. The earth, and you, belong to **YHWH**.

He owes no debt, nor taxes to anyone, now or in the future. All statutory judgments are null and void regarding **his** estate and all derivatives thereof.

Intimidating a Notary Public under Color of Law is a violation of [TITLE 18, U.S. Code, Section 242], titled "*Deprivation of Rights Under "Color of Law"*", which primarily governs police misconduct investigations. This Statute makes it a crime for any person acting under "*Color of Law*" to willfully deprive any individual residing in the United States and/or United States of America those rights protected by the United States Constitution, the Bill of Rights and its supporting laws. **NOTARY IS NOT A PARTY TO THIS ACTION.**
