SIGNED 8 DAY OF NOVEMBER 2008.

SHERRY DOWD, COUNTY CLERK

COMMISSIONERS COURT OF NAVARRO COUNTY

RESOLUTION

BE IT HEREBY RESOLVED that the duly elected Commissioners court of Navarro County, Texas, request the Legislature of the State of Texas to authorize through enabling legislation, pursuant to the State Law, the creation of a Statutory County Court at Law for Navarro County, Texas. Said Court shall have concurrent jurisdiction with the District Court of Navarro County in all Felony cases with the exception of Capital Murder, in all Class A and Class B misdemeanors, family law matters, juvenile matters, probate matters, appeals from the justice and municipal courts, and it the jurisdiction provided by Section 25.00003 of the Texas Government Code, except as otherwise provided herein.

The County Court at Law does not have a general supervisory control or appellate review of the Commissioners Court, or jurisdiction of:

1. Suits on behalf of the State to recover penalties or escheated property;
2. Misdemeanors involving official misconduct; or
3. Contested elections; or
4. Felony Criminal; provided however, that the county Court at Law may conduct arraignments, pretrial hearings, and accept guilty pleas in felony criminal matters; and provided further, that the County Court at Law may conduct jury trials in all felony criminal matters except capital murder, upon assignment by the District Judge presiding in Navarro County and acceptance by the Judge of the County Court at Law.

The Presiding Judge of said Court shall have the same qualifications as required for a sitting District Judge of general jurisdiction in the State of Texas and shall be paid a salary of not less than 1,000.00 less than the salary paid to a sitting District Judge of General Jurisdiction in the State of Texas as of August 31, 1999, exclusive of any supplements and/or contributions paid by a county.

Said Judge shall be prohibited from the private practice of law while sitting as Statutory County Court at Law Judge.

It is understood that the State of Texas will provide 60% of the salary of the Statutory County Court at Law Judge.

The Judge of said Court shall be elected for a four-year term as provided by Article XVI, Section 65, of the Texas Constitution at the next regularly held general election, to take office January 1, 2011. A vacancy in the office is filled as provided by Section 25.0009, Government Code.

However, depending on when such Statutory Court at Law is established by the order of Commissioners Court that judge may be initially appointed but must run in the next election cycle.

The Commissioners Court may authorize the Judge of a Statutory County Court at Law to set the salary of the official court reporter for that court, with approval of Commissioner Court, who however will also set and approve that court's budget along with the budget of all the other offices of Navarro County.

At the request of the judge of a Statutory County Court at Law, jurors regularly impaneled by the District Court for a week may be made available and shall serve for the week in the Statutory County Court at Law.

The District Clerk serves as the clerk of the Statutory County Court at Law in matters of concurrent jurisdiction with the District Court, and the County Clerk serves as the clerk of a Statutory County Court at Law in all matters of concurrent jurisdiction with the Constitutional County Judge. Each Clerk shall establish a separate Docket for a Statutory County Court at Law.

Nothing herein shall operate to repeal or otherwise limit the duties of the Statutory County Court at Law of Navarro County as set forth in Section 26.134, Government Code.

Said creation of the Statutory County Court at Law for Navarro County, Texas, would be in the best interest of the citizens and taxpayers of Navarro County and the State of Texas.
