Such amounts shall be due, owing, and payable to the COUNTY within sixty (60) days after the expiration of the above mentioned 60-day cure period. Annually under statute, the Commissioner's Court is to review and approve an updated, if needed, Policy.

This is the annual update of the Navarro County Investment Policy and Investment Strategies.

There are no changes from 2012.

There is, however, an update collateral policy for the Investment Officers to use to act on behalf of the Court in matters of collateral substitution, replacement, etc. At my CIO class last week, this was discussed. The instructor reviewed our policy and provided us with an updated document that is more complete.

2. Grant of Security Interest

In accordance with the terms of this Agreement, BANK hereby pledges to COUNTY and grants to COUNTY a security interest in securities and assigns and pledges securities owned by the BANK and held by the CUSTODIAN for benefit of the COUNTY hereinafter referred to as "Collateral" upon which the COUNTY shall have first and prior lien.

The COUNTY shall have the power to determine and designate the character and amount of the funds which will be deposited in the BANK. COUNTY deposits shall never be the subject of any garnishment or attachment, and BANK shall not recognize any attempt to garnish or attach same or be a party to any action.

4. BANK Representation and Warranties

BANK represents warrants and agrees:

- a. BANK has full power and authority to enter into this Agreement.
- b. BANK is owner of the Collateral.
- c. BANK shall be entitled to income on Collateral held by CUSTODIAN and the CUSTODIAN may dispose of such income as directed by the BANK without approval of COUNTY, provided an Event of Default does not exist.

COUNTY further represents, warrants and agrees:

- a. COUNTY has full power and authority to enter into this Agreement.
- b. COUNTY will comply with the terms of any other agreements it may have with the BANK for services provided.

Such amount is to be called the "Required Collateral Value".

The BANK will be liable for the monitoring and maintaining of the required collateral margins and levels daily. The market price on such collateral will be obtained from an independent, nationally recognized source. The final determination of such value shall be at the discretion of the COUNTY, whose decision shall be final and binding.

BANK may substitute authorized Collateral for any of the Collateral held by CUSTODIAN at any time by providing CUSTODIAN with a withdrawal notice provided that the market value of the Collateral following such substitution would equal or exceed the Required Collateral Value. All substitutions require COUNTY'S prior written consent which shall not be unreasonably withheld. Whenever pledged securities are placed by BANK with CUSTODIAN, the CUSTODIAN shall issue original safekeeping receipts within one (1) business day of such placement to the BANK. No security placed with the CUSTODIAN under this agreement shall be released by CUSTODIAN except pursuant to the joint instructions of the COUNTY and the BANK.

9. Default and Remedies

Should BANK at any time fail to pay and satisfy, when due, any check, transfer, draft or voucher lawfully drawn against COUNTY'S deposits, or in any manner breach its agreement with COUNTY, COUNTY shall give written notice of such failure or breach and BANK shall have three (3) business days to cure such failure or breach. In the event BANK shall fail to cure such failure or breach within the three (3) days or should the BANK be declared insolvent by a Federal regulatory agency, or if a receiver is appointed for the BANK (each an Event of Default) it shall be the duty of the CUSTODIAN, upon demand by the COUNTY (supported by proper evidence of an Event of Default) to surrender the collateral to COUNTY.

COUNTY may sell all or any part of such collateral and out of the proceeds thereof, pay COUNTY all damages and losses sustained together with any expenses incurred by it of any kind on account of such failure. Collateral may be sold by COUNTY at public or private sale provided however that BANK shall have one business day notice of the time and place of the sale and BANK and CUSTODIAN shall have the right to bid at such sale.

The BANK does hereby release and discharge the CUSTODIAN from any liability for the release of the pledged securities to the COUNTY in accordance with the provisions of this paragraph.

Adopted procedure for the management and the substitution and replacement of securities held by the Depository Bank as approved by Commissioner Court June 24, 2013.

10. Termination Rights

It is the intention of the parties hereto that the covenants and agreements, terms and conditions hereof shall extend to the entire period during which the BANK shall act as BANK for COUNTY. Either BANK or COUNTY shall have the right to terminate this Agreement at any time by advance written to the other of its election to do so and this Agreement shall be void from and after the expiration of ninety (90) days after receipt of such notice, provided all provisions of this Agreement have been fulfilled. When the relationship of COUNTY and BANK shall have ceased to exist, and when BANK has properly paid out all deposits to COUNTY, CUSTODIAN shall, upon notification by COUNTY, release all collateral to the BANK.

Notwithstanding any of the provisions hereof, the COUNTY shall have, and does hereby retain the right to utilize other depositories and the right to terminate this contract.

11. Law Governing

This Agreement and the rights and obligations of the parties hereunder shall be construed and interpreted in accordance with the laws of the State of Texas applicable to agreements made and to be performed wholly in such state. Any suit resulting from this Agreement shall be paid by the BANK.

Customer will first seek to obtain the information required to respond to the Third Party Request on its own, and will contact Google only if it cannot reasonably obtain such information.
3. Billing and Payment.
- 3.1 Billing. Customer may elect one of the following billing options when placing its order for the Services.
- a. Flexible Plan. If Customer selects this option, Customer will not be committed to purchase the Services for a pre-defined term, but will pay for the Services on a monthly basis. Google will bill Customer: (i) Fees based upon Customer's daily usage of the Services during the preceding month; and (ii) monthly in arrears for its use of the Services. Google will provide Customer with the monthly rate for the Services when Customer orders the Services, and will use this rate to calculate the Fees, on a prorated basis, for Customer's daily usage during that month. Any partial day of Services usages will be rounded up to a full day of Services usage for the purposes of calculating Fees. Customer may pay for the Services using the payment options listed below.
- b. Annual Plan. If Customer selects this option, Customer will be committed to purchasing the Services from Google for an annual term, and in exchange will receive a discount on the Services which will be reflected in Customer's monthly payment. Google will still bill Customer monthly in arrears for its use of the Services when Customer has an annual commitment for the Services with Google. Customer may pay for the Services using the payment options listed below.
- 3.2 Payment. All payments due are in U.S. dollars unless otherwise indicated on the Order Page or invoice.
- a. Credit Card or Debit Card. Fees for orders where Customer is paying with a credit card, debit card or other non-invoice form of payment, are due at the end of the month during which Customer received the Services. For credit cards, or debit cards, as applicable: (i) Google will charge Customer for all applicable Fees when due and (ii) these Fees are considered delinquent thirty days after the end of the month during which Customer received the Services.
- b. Invoices. Payments for invoices are due thirty days after the invoice date, unless otherwise specified on the Order Page, and are considered delinquent after such date.

- c. Other Forms of Payment. Customer may change its payment method to those available within the Admin Console. Google may enable other forms of payment by making them available in the Admin Console. These other forms of payment may be subject to additional terms which Customer may have to accept prior using the additional forms of payment.
- 3.3 Delinquent Payments. Delinquent payments may bear interest at the rate of one-and-one-half percent per month (or the highest rate permitted by law, if less) from the payment due date until paid in full. Customer will be responsible for all reasonable expenses (including attorneys' fees) incurred by Google in collecting such delinquent amounts, except where such delinquent amounts are due to Google's billing inaccuracies.
- 3.4 Suspension for Non-Payment.
- a. Automatic Suspension. Customer will have thirty days to pay Google delinquent Fees. If Customer does not pay Google delinquent Fees within thirty days, Google will automatically suspend Customer's use of the Services. The duration of this suspension will be until Customer pays Google all outstanding Fees.
- b. During Suspension. If Customer is on a monthly billing plan, and Customer is suspended for non-payment, Google will stop charging Customer monthly Fees during Customer's suspension for non-payment. If Customer has an annual commitment to Google for the Services, Google will continue to charge Customer monthly Fees during Customer's suspension for non-payment and Customer must pay all outstanding Fees in order to resume its use of the Services.
- c. Termination After Suspension. If Customer remains suspended for non-payment for more than sixty days, Google may terminate Customer for breach pursuant to Section 11.
- 3.5 Taxes. Customer is responsible for any Taxes, and Customer will pay Google for the Services without any reduction for Taxes. If Google is obligated to collect or pay Taxes, the Taxes will be invoiced to Customer, unless Customer provides Google with a valid tax exemption certificate authorized by the appropriate taxing authority. If Customer is required by law to withhold any Taxes from its payments to Google, Customer must provide Google with an official tax receipt or other appropriate documentation to support such payments.
- 3.6 Purchase Orders. If Customer requires a purchase order number on its invoice, Customer will inform Google and Google will include such purchase order number on invoices following receipt. If Customer does not provide a purchase order number, Customer waives any purchase order requirement and (a) Google will invoice Customer without a purchase order number; and (b) Customer agrees to pay invoices without a purchase order number referenced. Any terms and conditions on a purchase order do not apply to this Agreement and are null and void.
4. Technical Support Services.
- 4.1 By Customer. Customer will, at its own expense, respond to questions and complaints from End Users or third parties relating to Customer's or End Users' use of the Services. Customer will use commercially reasonable efforts to resolve support issues before escalating them to Google.

The duration of any Suspension by Google will be until the applicable End User has cured the breach which caused the Suspension.
- 5.2 Emergency Security Issues. Notwithstanding the foregoing, if there is an Emergency Security Issue, then Google may automatically Suspend the offending use. Suspension will be to the minimum extent and of the minimum duration required to prevent or terminate the Emergency Security Issue. If Google Suspends an End User Account for any reason without prior notice to Customer, at Customer's request, Google will provide Customer the reason for the Suspension as soon as is reasonably possible.
