INDEPENDENT AUDITORS' REPORT

To the Honorable Judge and
Members of the Commissioners' Court
Navarro County, Texas

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Navarro County, Texas, as of and for the year ended September 30, 2013, and the related notes to the financial statements, which collectively comprise of Navarro County, Texas' basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of Navarro County, Texas, as of September 30, 2013, and the respective changes in financial position, thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information, and schedules of funding progress on pages 4–12 and 37–40 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise of Navarro County, Texas' basic financial statements. The introductory section, combining and individual fund financial statements and schedules, and statistical section, are presented for purposes of additional analysis and are not a required part of the basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is also not a required part of the basic financial statements.

The combining and individual fund financial statements and schedules, and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 27, 2014, on our consideration of Navarro County, Texas' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering of Navarro County, Texas' internal control over financial reporting and compliance.

SHERRY DOWD
COUNTY CLERK NAVARRO COUNTY, TEXAS
BY: SD DEPUTY

To the Honorably County Judge
and Commissioners' Court of
Navarro County, Texas

We have audited the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Navarro County, Texas ("the County"), for the year ended September 30, 2013. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, *Government Auditing Standards* and OMB Circular A-133, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated October 21, 2013. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the City are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year ended September 30, 2013. We noted no transactions entered into by the governmental unit during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

Management's estimate of the useful lives of capital assets is based on the expected lifespan of the asset in accordance with standard guidelines. We evaluated the key factors and assumptions used to develop the estimate of useful lives in determining that it is reasonable in relation to the financial statements taken as a whole.

Management's estimate of the allowance for uncollectible property taxes is based on a historical collections of outstanding property taxes at September 30, 2013. We evaluated the key factors and assumptions used to develop the allowance for uncollectible property taxes in determining that it is reasonable in relation to the financial statements taken as a whole.

Management’s estimate of the annual OPEB cost and net OPEB obligation is based on economic and demographic assumptions related to future claims/premiums paid on behalf of retirees. We evaluated the key factors and assumptions used to develop the annual OPEB cost and net OPEB obligation in determining that it is reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to each opinion unit’s financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor’s report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated March 27, 2014.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the governmental unit’s financial statements or a determination of the type of auditor’s opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the governmental unit’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Significant Forthcoming Accounting Standards

Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position

Governmental Accounting Standards Board Statement No. 65 (“GASB 65”), *Items Previously Reported as Assets and Liabilities*, is effective for periods beginning after December 15, 2012. This Statement establishes accounting and financial reporting standards that reclassify, as deferred outflows of resources or deferred inflows of resources, certain items that were previously reported as assets and liabilities and recognizes, as outflows of resources or inflows of resources, certain items that were previously reported as assets and liabilities.

Concepts Statement No. 4, *Elements of Financial Statements*, introduced and defined the elements included in financial statements, including deferred outflows of resources and deferred inflows of resources. In addition, Concepts Statement 4 provides that reporting a deferred outflow of resources or a deferred inflow of resources should be limited to those instances identified in authoritative pronouncements that are established after applicable due process. Prior to the issuance of this Statement, only two such pronouncements have been issued. Statement No. 53, *Accounting and Financial Reporting for Derivative Instruments*, requires the reporting of a deferred outflow of resources or a deferred inflow of resources for the changes in fair value of hedging derivative instruments, and Statement No. 60, *Accounting and Financial Reporting for Service Concession Arrangements*, requires a deferred inflow of resources to be reported by a transferor government in a qualifying service concession arrangement. This Statement amends the financial statement element classification of certain items previously reported as assets and liabilities to be consistent with the definitions in Concepts Statement 4.

This Statement also provides other financial reporting guidance related to the impact of the financial statement elements deferred outflows of resources and deferred inflows of resources, such as changes in the determination of the major fund calculations and limiting the use of the term *deferred* in financial statement presentations.

Accounting and Financial Reporting for Pensions—an amendment of GASB Statement No. 27

Governmental Accounting Standards Board Statement No. 68 (“GASB 68”), *Accounting and Financial Reporting for Pensions—an amendment of GASB Statement No. 27*, is effective for periods beginning after June 15, 2014. The primary objective of this Statement is to improve accounting and financial reporting by state and local governments for pensions. The new standards are intended to provide more comparable and visible information within the annual financial statements of governments that provide defined benefit pensions.

Notably, GASB 68 requires employers to report the difference between the actuarial total pension liability and the fair value of the legally restricted plan assets as the net pension liability on the statement of net position. Previously, a liability was only recorded if the actual contributions made to the plan were less than the actuarial calculated contributions for the year. These new standards relate only to the *accounting and reporting* of defined benefit pensions within the GAAP based financial statements of governmental entities. They do not establish requirements as to the actual funding of these benefits. These decisions are left to management and the governing body. This Statement may have a material impact on recorded pension liabilities compared to application of current standards. Your processes should be updated to incorporate the new information requirements and begin gathering information now to determine the future impacts on financial reporting.

This information is intended solely for the use of Commissioners' Court and management of Navarro County, Texas and is not intended to be, and should not be, used by anyone other than these specified parties.

OF
NAVARRO COUNTY, TEXAS

**RESOLUTION AND ORDER
APPROVING THE COUNTY TRANSPORTATION
INFRASTRUCTURE FUND GRANT PROGRAM AGREEMENT,
DESIGNATING AUTHORIZED REPRESENTATIVE,
AND MAKING SPECIFIC FINDINGS
REQUIRED BY THE
TEXAS DEPARTMENT OF TRANSPORTATION**

WHEREAS, Navarro County has received a Notice of Eligible Grant Award from the Texas Department of Transportation ("TxDOT") in the amount of \$384,175.00; and

WHEREAS the Commissioners Court of Navarro County has determined that it is in the best interests of the citizens of Navarro County to enter into an Agreement with TxDOT concerning the County Transportation Infrastructure Fund Grant Program; and

WHEREAS TxDOT has created County Transportation Infrastructure Fund Grant Program Implementation Procedures that Navarro County is required to follow to receive the grant funding; and

THEREFORE, IT IS ORDERED ADJUDGED AND DECREED that Navarro County designates H. M. Davenport, Jr. as its County Representative and authorizes the County Representative to sign all project-related documents on behalf of the County, including any certifications required by the Grant Program; and

IT IS FURTHER ORDERED, ADJUDGED AND DECREED that the Navarro County Commissioners Court hereby approves the attached County Transportation Infrastructure Fund Grant Program Agreement ("the Agreement") and authorizes the County Representative to execute the Agreement between Navarro County and the Texas Department of Transportation.

IT IS FURTHER ORDERED, ADJUDGED AND DECREED that the Navarro County Commissioners Court hereby approves the attached revised Prioritized List of road projects to be funded with the County Transportation Infrastructure Fund Grant.

IT IS FURTHER ORDERED ADJUDGED AND DECREED that the Commissioners Court of Navarro County makes the following findings in the exercise of discretion and authority extended to said Commissioners Court by Texas Law, and such findings are made upon due

inquiry and satisfactory proof that such findings are factual and based upon commonly accepted practices and standards by Texas Counties:

IT IS THE FINDING OF THIS COMMISSIONERS COURT that the county has experience in the construction and maintenance of all county roads currently in the County road maintenance inventory, and that the county has suitable equipment, experience and personnel to properly repair such roads without the utilization of outside contractors, or, if such contractors are required in the prudent expenditure of county and grant funds, that such contractors will be selected upon demonstrated competence and the lowest and most suitable bid, if competitive bidding is required. In this regard, the County has suitable design standards, specifications and quality assurance procedures in place to assure that resulting road maintenance projects are properly constructed with suitable materials and that appropriate safety and environmental procedures will be utilized. The County Representative is hereby expressly authorized to certify to such.

IT IS THE FURTHER FINDING OF THIS COMMISSIONERS COURT that Navarro County will utilize generally accepted cost accounting practices in the financial aspects of this grant administration, and that proper documentation of all expenditures will be maintained by the appropriate county officials responsible for financial aspects of the grant administration. The County Representative is hereby expressly authorized to certify to such.

IT IS THE FURTHER FINDING OF THIS COMMISSIONERS COURT that with the following exceptions, all road right-of-way involved in projects identified for funding under this grant is presently within the county road maintenance inventory, and no new right of way, except as noted, is required:

(If new right of way is required, please describe here, i.e. the width of the right of way to be acquired, and a legal description of the new right of way. Please note that acquisition of right of way may require legal and environmental assessment, along with care to insure that all acquisition procedures required by law are followed.)

The County Representative is hereby expressly authorized to certify to such.

IT IS THE FURTHER FINDING OF THIS COMMISSIONERS COURT that Navarro County will notify all public utilities, water supply corporations, and common carriers of record of their plans to repair, renovate or construct the project roads identified in the Grant application, and will cooperate with the said utilities and common carriers for protection of

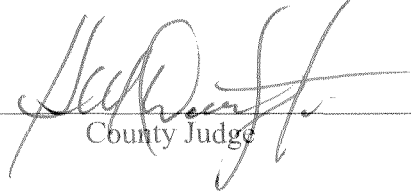

such infrastructure. It is not anticipated that any relocation of utilities will be required. The County Representative is hereby expressly authorized to certify to such.

IT IS THE FURTHER FINDING OF THIS COMMISSIONERS COURT pursuant to 40 C.F.R. §1500, and specifically §1508.4 et seq, and 33 U.S.C. §1344, (f)(1)(B) and (C), county road maintenance projects are not prohibited by the National Environmental Protection Act (NEPA), nor the Water Pollution Prevention and Control Act, and that as a categorical exclusion, such projects pose no significant effect on the human or natural environment, and which this Court finds to have no such adverse impact, and therefore do not require an environmental impact assessment of the projects contemplated in this grant, in that no federal funds are being used by the County in meeting the grant requirements. The County shall comply with applicable state environmental standards, as applicable, such as 30 TAC §111.147, and as such, this finding further authorizes the County Representative to make certifications regarding compliance with environmental requirements of the Grant, which is expressly approved by this Commissioners Court.

IT IS THE FURTHER FINDING OF THIS COMMISSIONERS COURT that as a public roadway, open to all residents for use as a public road designed for vehicular traffic, as defined by statute and other applicable law, that the road projects subject to this grant are in full compliance with the Texas Accessibility Standards and the Americans with Disabilities access standards, as the same may apply, and the County Representative is hereby expressly authorized to certify to such.

Finally, **IT IS THE FURTHER FINDING OF THIS COMMISSIONERS COURT** that where necessary, any materials required for the completion of this project shall be solicited by a standard that is known to be suitable for use in road construction and repair projects, and the County will require such testing as may be deemed appropriate to determine that such materials meet any applicable standards, either by specification or by direct inquiry with the provider or vendor of such materials. The County Representative is hereby expressly authorized to certify to such.

WITNESSETH:

WHEREAS, Lessor desires to lease the Equipment, as hereinafter described in Exhibit "A", to Lessee, and Lessee desires to lease the Equipment from Lessor, subject to the terms and conditions of and for the purposes set forth in this Agreement; and WHEREAS, Lessee is authorized under the Constitution and laws of the State of Texas to enter into this Agreement for the purposes set forth herein:

NOW, THEREFORE, in considerations of the premises and the mutual covenants and agreements herein set forth, Lessor and Lessee do hereby covenant and agree as follows:

ARTICLE I. Section 1.01. Definitions. The following terms will have the meanings indicated below unless the context clearly requires otherwise.

"Commencement Date" is the date when the term of this Agreement and Lessee's obligation to pay rent commences, which date shall be the date first above written.

"Equipment" means the property described in Exhibit "A", Equipment Description, and all replacements, repairs, restorations, modifications and improvements thereof or thereto made pursuant to Section 5.04 or Article VIII.

"Event of Default" means any event of default described in Section 12.01.

"Issuance Year" means the calendar year in which this Agreement was entered into by Lessee and Lessor.

"Lease Term" means the Original Term and all Renewal Terms.

"Original Term" means the period from the Commencement Date until the end of the budget year of Lessee in effect on the Commencement Date.

"Purchase Price" means the amount designated as such on Exhibit B hereto, together with all other amounts then due hereunder, that Lessee may, in its discretion, pay to Lessor to purchase the Equipment.

"Renewal Terms" means the renewal terms of this Agreement, each having a duration of one year and a term coextensive with Lessee's budget year.

"Rental Payment Date" means the date upon which any Rental Payment is due and payable as provided in Exhibit B.

"State" means the State of Texas.

"Vendors" means the manufacturer of the Equipment as well as agents or dealers of the manufacturer from whom Lessor purchased or is purchasing the Equipment.

ARTICLE II. Section 2.01. Representations and Covenants of Lessee. Lessee represents, covenants and warrants for the benefit of Lessor as follows:

- (a) Lessee is a political subdivision of the State duly organized and existing under the Constitution and laws of the State with full power and authority to enter into this Agreement, as specified in Texas Statutes, and the transactions contemplated hereby and to perform all of its obligations hereunder.
- (b) Lessee has duly authorized the execution and delivery of this Agreement by proper action by its governing body at a meeting duly called, regularly convened and attended throughout by the requisite majority of the members thereof or by other appropriate official approval, and all requirements have been met and procedures have occurred in order to ensure the validity and enforceability of this Agreement.
- (c) No event or condition that constitutes, or with the giving of notice or the lapse of time or both would constitute, an Event of Default exists at the date hereof.
- (d) Lessee has, in accordance with the requirements of law, fully budgeted and appropriated sufficient funds for the current budget year to make the Rental Payments scheduled to come due during the current budget year, and to meet its other obligations for the current budget year, and such funds have not been expended for other purposes.
- (e) Lessee will do or cause to be done all things necessary to preserve and keep in full force and effect its existence as a public body corporate and politic.
- (f) Lessee has complied with such public bidding requirements as may be applicable to this Agreement and the acquisition by Lessee of the Equipment.

- (g) During the Lease Term, the Equipment will be used by Lessee only for the purpose of performing essential governmental or proprietary functions of Lessee consistent with the permissible scope of Lessee's authority. The Equipment will have a useful life in the hands of Lessee in excess of the Original Term and all Renewal Terms.
- (h) Lessee will annually provide Lessor with current financial statements, budgets, proofs of appropriation for the ensuing budget year and other such financial information relating to the ability of Lessee to continue this Agreement as may be requested by Lessor. Should Lessor assign this Agreement, Lessee will provide updated certificates regarding the use of the Equipment and Lessee's compliance with the terms hereof.
- (i) Lessee will comply with all applicable provisions of the Code, including without limitation Sections 103 and 148 thereof, and the applicable regulations of the Treasury Department to maintain the exclusion of the interest components of Rental Payments from gross income taxation.
- (j) Lessee will use the proceeds of this Agreement as soon as practicable and with all reasonable dispatch for the purpose for which the Agreement has been entered into. No part of the proceeds of the Agreement shall be invested in any securities, obligations or other investments or used, at any time, directly or indirectly, in a manner which, if such use had been reasonably anticipated on the date of issuance of the Agreement, would have caused any portion of the Agreement to become "arbitrage bonds" within the meaning of Section 103(b)(2) or Section 148 of the Code and the applicable regulations of the Treasury Department.
- (k) Lessee represents and warrants that it is a governmental unit under the laws of the State with general taxing powers; the Agreement is not a private activity bond as defined in Section 141 of the Code; 95% or more of the net proceeds of the Agreement will be used for local governmental activities of Lessee; and the aggregate face amount of all tax-exempt obligations (other than private activity bonds) issued or to be issued by Lessee and all subordinate entities thereof during the Issuance Year is not reasonably expected to exceed \$10,000,000. Lessee and all subordinate entities thereof will not issue in excess of \$10,000,000 of tax-exempt bonds (including the Agreement but excluding private activity bonds) during the Issuance Year without first obtaining an opinion of nationally-recognized counsel in the area of tax-exempt municipal obligations acceptable to Lessor that the excludability of the interest components of Rental Payments on the agreement from gross income for federal tax purposes will not be adversely affected.

Section 2.02. Certification as to Arbitrage. Lessee hereby represents as follows:

- (a) The Equipment has been ordered or is expected to be ordered within six months of the Commencement Date, and the Equipment is expected to be delivered and installed, and the Vendor fully paid, within one year of the Commencement Date.
- (b) Lessee has not created or established, and does not expect to create or establish, any sinking fund or other similar fund (i) that is reasonably expected to be used to pay the Rental Payments, or (ii) that may be used solely to prevent a default in the payment of the Rental Payments.
- (c) The Equipment has not been and is not expected to be sold or otherwise disposed of by Lessee, either in whole or in major part, prior to the last maturity of the Rental Payments.
- (d) Lessee has not been notified of any listing or proposed listing of it by the Internal Revenue Service as an issuer whose arbitrage certificates may not be relied upon.

ARTICLE III. Section 3.01. Lease of Equipment. Lessor hereby demises, leases and lets to Lessee, and Lessee rents, leases and hires from Lessor, the Equipment in accordance with this Agreement for the Lease Term. This Agreement shall be in effect and shall commence as of the Commencement Date. The Lease Term may be continued, solely at the option of Lessee, at the end of the Original Term or any Renewal Term for an additional Renewal Term up to the maximum Lease Term set forth in Exhibit B hereto. At the end of the Original Term and at the end of each Renewal Term until the maximum Lease Term has been completed, Lessee shall be deemed to have exercised its option to continue this Agreement for the next Renewal Term if Lessee budgets and appropriates or otherwise makes legally available funds to pay Rental Payments for such Renewal Term, unless Lessee shall have terminated this Agreement pursuant to Section 10.01. The terms and conditions during any Renewal Term shall be the same as the terms and conditions during the Original Term, except that the Rental Payments shall be as provided on Exhibit B hereto.

Section 3.02. Continuation of Lease Term. It is the intent of Lessee to continue the Lease Term through the Original Term and all Renewal Terms and to pay the Rental Payments hereunder. Lessee reasonably believes that legally available funds in an amount sufficient to make all Rental Payments during the entire Lease Term can be obtained. Lessee and lessor acknowledge that appropriation for Rental Payments is a governmental function which Lessee cannot contractually commit itself in advance to perform and this Agreement does not constitute such a commitment. However, Lessee reasonably believes that moneys in an amount sufficient to make all Rental Payments can and will lawfully be appropriated and made available to permit Lessee's continued utilization of the Equipment in the performance of its essential functions during the Lease Term. Lessee will use funds appropriated for this Agreement for no other purpose than to pay the Rental Payments and other amounts due hereunder. **Section**

3.03. Nonappropriation. Lessee is obligated only to pay such Rental Payments under this Agreement as may lawfully be made from funds budgeted and appropriated for that purpose during Lessee's then current budget year. Should Lessee fail to budget, appropriate or otherwise make available funds to pay Rental Payments following the then current Original Term or Renewal Term, this Agreement shall be deemed terminated at the end of the then current Original Term or Renewal Term. Lessee agrees to

deliver notice to Lessor of such termination at least 90 days prior to the end of the then current Original Term or Renewal Term, but failure to give such notice shall not extend the term beyond such Original Term or Renewal Term. If this Agreement is terminated in accordance with this Section, Lessee agrees to peaceably deliver the Equipment, at Lessee's sole expense, to Lessor at the location(s) to be specified by Lessor.

ARTICLE IV. Section 4.01. Rental Payments. Lessee shall promptly pay Rental Payments to Lessor, exclusively from legally available funds, in lawful money of the United States of America, without notice or demand, in such amounts and on or before the applicable Rental Payment Dates set forth on Exhibit B hereto, at the address set forth on the first page hereof or such other address as Lessor or its assigns may from time to time request in writing. Lessee shall pay Lessor interest on any Rental Payment not paid on the date such payment is due at the rate of 12% per annum or the maximum amount permitted by law, whichever is less, from such date. A portion of each Rental Payment is paid as and represents payment of, interest, as set forth on Exhibit B hereto.

Section 4.02. Rental Payments to Constitute a Current Expense of Lessee. Lessor and Lessee understand and intend that the obligation of Lessee to pay Rental Payments hereunder shall constitute a current expense of Lessee and shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitation or requirement governing the creation of indebtedness by Lessee, nor shall anything contained herein constitute a pledge of the general tax revenues, funds or monies of Lessee.

Section 4.03. RENTAL PAYMENTS TO BE UNCONDITIONAL. EXCEPT AS PROVIDED IN SECTION 3.03, THE OBLIGATIONS OF LESSEE TO MAKE RENTAL PAYMENTS AND TO PERFORM AND OBSERVE THE OTHER COVENANTS AND AGREEMENTS CONTAINED HEREIN SHALL BE ABSOLUTE AND UNCONDITIONAL IN ALL EVENTS WITHOUT ABATEMENT, DIMINUTION, DEDUCTION, SET-OFF OR DEFENSE, FOR ANY REASON, INCLUDING WITHOUT LIMITATION ANY FAILURE OF THE EQUIPMENT TO BE DELIVERED OR INSTALLED, ANY DEFECTS, MALFUNCTIONS, BREAKDOWNS OR INFIRMITIES IN THE EQUIPMENT OR ANY ACCIDENT, CONDEMNATION OR UNFORESEEN CIRCUMSTANCES.

ARTICLE V. Section 5.01. Delivery, Installation and Acceptance of the Equipment. Lessee shall order the Equipment and cause the Equipment to be delivered and installed at the location specified on Exhibit A. When the Equipment has been delivered and installed, Lessee shall immediately accept the Equipment and evidence said acceptance by executing and delivering to Lessor an acceptance certificate acceptable to Lessor.

Section 5.02. Enjoyment of Equipment. Lessor shall provide Lessee with quiet use and enjoyment of the Equipment during the Lease Term, and Lessee shall peaceably and quietly have, hold and enjoy the Equipment during the Lease Term, without suit, trouble or hindrance from Lessor, except as otherwise expressly set forth in this Agreement.

Section 5.03. Location; Inspection. Lessor shall have the right at all reasonable times during regular business hours to enter into and upon the property of Lessee for the purpose of inspecting the Equipment.

Section 5.04. Use and Maintenance of the Equipment. Lessee will not install, use, operate or maintain the Equipment improperly, carelessly, in violation of any applicable law or in a manner contrary to that contemplated by this Agreement. Lessee shall provide all permits and licenses, if any, necessary for the installation and operation of the Equipment. In addition, Lessee agrees to comply in all respects with all applicable laws, regulations and rulings of any legislative, executive, administrative or judicial body; provided that Lessee may contest in good faith the validity or application of any such law, regulation or ruling in any reasonable manner that does not, in the opinion of Lessor, adversely affect the interest of Lessor in and to the Equipment or its interest or rights under this Agreement. Lessee agrees that it will, at Lessee's own cost and expense, maintain, preserve and keep the Equipment in good repair and working order. Lessor shall have no responsibility to maintain, repair or make improvements or additions to the Equipment. Upon the request of Lessor, Lessee will enter into a maintenance contract for the Equipment with one or more Vendors.

ARTICLE VI. Section 6.01. Title to the Equipment. Upon acceptance of the Equipment by Lessee, title to the Equipment shall vest in Lessee subject to Lessor's rights under this Agreement. Title shall thereafter immediately and without any action by Lessee vest in Lessor, and Lessee shall immediately surrender possession of the Equipment to Lessor upon (a) any termination of this Agreement other than termination pursuant to Section 10.01 or (b) the occurrence of an Event of Default. It is the intent of the parties hereto that any transfer of title to Lessor pursuant to this Section shall occur automatically without the necessity of any bill of sale, certificate of title or other instrument of conveyance. Lessee shall, nevertheless, execute and deliver any such instruments as Lessor may request to evidence such transfer. Upon termination of this Lease in accordance with Articles 3 and 12 hereof, at the election of Lessor and upon Lessor's written notice to Lessee, full and unencumbered legal title and ownership of the Equipment shall pass to Lessor, Lessee shall have no further interest therein, and Lessee shall execute and deliver to Lessor such documents as Lessor may request to evidence the passage of legal title and ownership to Lessor and termination of Lessee's interest in the Equipment.

Section 6.02. Security Interest. To secure the payment of all of Lessee's obligations under this Agreement, Lessee hereby grants to Lessor a security interest constituting a first lien on the Equipment and on all additions, attachments and accessions

thereto, substitutions therefor and proceeds therefrom. Lessee agrees to execute such additional documents, in form satisfactory to Lessor, which Lessor deems necessary or in form satisfactory to Lessor, which Lessor deems necessary or appropriate to establish and maintain its security interest and the security interest of any assignee of Lessor in the Equipment.

Section 6.03. Personal Property. The Equipment is and will remain personal property. The Equipment will not be deemed to be affixed to or a part of the real estate on which may be situated, notwithstanding that the Equipment or any part thereof may be or hereafter become in any manner physically affixed or attached to such real estate or any building thereon. Upon the request of Lessor, Lessee will, at Lessee's expense, furnish a waiver of any interest in the Equipment from any party having an interest in any such real estate or building.

ARTICLE VII. Section 7.01. Liens, Taxes, Other Governmental Charges and Utility Charges. Lessee shall keep the Equipment free of all levies, liens and encumbrances except those created by this Agreement. The parties to this Agreement contemplate that the Equipment will be used for a governmental or proprietary purpose of Lessee and that the Equipment will therefore be exempt from all property taxes. If the use, possession or acquisition of the Equipment by Lessee is nevertheless determined to be subject to taxation, Lessee shall pay when due all taxes and governmental charges lawfully assessed or levied against or with respect to the Equipment. Lessee shall pay such taxes or charges as the same may become due.

Section 7.02. Insurance. At its own expense, Lessee shall cause casualty, public liability and property damage insurance to be carried and maintained in the amounts and for the coverage set forth in Exhibit G. All insurance proceeds from casualty losses shall be payable as hereinafter provided in this Agreement. Lessee shall furnish to Lessor certificates evidencing such coverage throughout the Lease Term. Alternatively, Lessee may insure the Equipment under a blanket insurance policy or policies which cover not only the Equipment but other properties. All such insurance shall be with insurers that are acceptable to Lessor, shall name Lessee and Lessor as insureds and shall contain a provision to the effect that such insurance shall not be cancelled or modified materially without first giving written notice thereof to Lessor at least 10 days in advance of such cancellation or modification. All such casualty insurance shall contain a provision making any losses payable to Lessee and Lessor as their respective interests may appear. With written consent of Lessor, Lessee may satisfy the insurance requirements of this Section 7.02 by self-insurance.

Section 7.03. Advances. In the event Lessee shall fail to either maintain the insurance required by this Agreement or keep the Equipment in good repair and working order, Lessor may, but shall be under no obligation to, purchase the required insurance and pay the cost of the premiums thereof and maintain and repair the Equipment and pay the cost thereof. All amounts so advanced by Lessor shall constitute additional rent for the then current Original Term or Renewal Term and Lessee covenants and agrees to pay such amounts so advanced by Lessor with interest thereon from the due date until paid at the rate of 12% per annum or the maximum amount permitted by law, whichever is less.

ARTICLE VIII. Section 8.01. Damage, Destruction and Condemnation. If (a) the equipment or any portion thereof is destroyed, in whole or in part, or is damaged by fire or other casualty or (b) title to, or the temporary use of, the Equipment or any part thereof shall be taken under the exercise or threat of the power of eminent domain by any governmental body or by any person, firm or corporation acting pursuant to governmental authority, Lessee and Lessor will cause the Net Proceeds of any insurance claim, condemnation award or sale under threat of condemnation to be applied to the prompt replacement, repair, restoration, modification or improvement of the Equipment, unless Lessee shall have exercised its option to purchase the Equipment pursuant to Section 10.01. Any balance of the Net Proceeds remaining after such work has been completed shall be paid to Lessee. For purposes of this Article, the term "Net Proceeds" shall mean the amount remaining from the gross proceeds of any insurance claim, condemnation award or sale under threat of condemnation after deducting all expenses, including attorneys' fees, incurred in the collection thereof.

Section 8.02. Insufficiency of Net Proceeds. If the Net Proceeds are insufficient to pay in full the cost of any repair, restoration, modification or improvement referred to in Section 8.01, Lessee shall either (a) complete such replacement, repair, restoration, modification or improvement and pay any costs thereof in excess of the amount of the Net Proceeds, or (b) purchase Lessor's interest in the Equipment pursuant to Section 10.01. The amount of the Net Proceeds, if any, remaining after completing such repair, restoration, modification or improvement or after purchasing Lessor's interest in the Equipment shall be retained by Lessee. If Lessee shall make any payments pursuant to this Section, Lessee shall not be entitled to any reimbursement therefor from Lessor nor shall Lessee be entitled to any diminution of the amounts payable under Article IV.

ARTICLE IX. Section 9.01. DISCLAIMER OF WARRANTIES. Lessee acknowledges and agrees that the Equipment is of a size, design and capacity selected by Lessee and that Lessor is neither a manufacturer nor a vendor of such Equipment. LESSOR MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE OR USE OF THE EQUIPMENT OR ANY MANUFACTURER'S OR VENDOR'S WARRANTY WITH RESPECT THERETO. IN NO EVENT SHALL LESSOR BE LIABLE FOR ANY INCIDENTAL INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGE IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT OR

THE EXISTENCE, FURNISHING, FUNCTIONING OR LESSEE'S USE OF ANY ITEM, PRODUCT OR SERVICE PROVIDED FOR IN THIS AGREEMENT.

Section 9.02. Vendors' Warranties. Lessor hereby irrevocably appoints Lessee its agent and attorney-in-fact during the Lease Term, so long as Lessee shall not be in default hereunder, to assert from time to time whatever claims and rights (including without limitation warranties) related to the Equipment that Lessor may have against the Vendors. Lessee's representation shall be against the Vendors of the Equipment and not against Lessor. Any such matter shall not have any effect whatsoever on the rights and obligations of Lessor with respect to this Agreement, including the right to receive full and timely payments hereunder. Lessee expressly acknowledges that Lessor makes, and has made, no representations or warranties whatsoever as to the existence or the availability of such warranties by the Vendors of the Equipment.

ARTICLE X. Section 10.01. Purchase Option. Lessee shall have the option to purchase Lessor's interest in the Equipment, upon giving written notice to Lessor at least 60 days before the date of purchase except the final Rental Payment Date, at the following times and upon the following terms.

- (a) On the Rental Payment Dates specified in Exhibit B, upon payment in full of the Rental Payments then due hereunder plus the then applicable Purchase Price to Lessor; or
- (b) In the event of substantial damage to or destruction or condemnation of substantially all of the Equipment, on the day Lessee specifies as the purchase date in Lessee's notice to Lessor of its exercise of the purchase option pursuant to Article VIII, upon payment in full of the Rental Payments then due hereunder plus the then applicable Purchase Price to Lessor.

ARTICLE XI. Section 11.01. Assignment by Lessor. Lessor's right, title and interest in, to and under this Agreement and the Equipment may be assigned and reassigned only in whole but not in part without the necessity of obtaining the consent of Lessee. Any assignment shall not be effective until Lessee has received written notice, signed by the assignor, of the name and address of the assignee. Lessee shall retain all such notices as a register of all assignees and shall make all payments to the assignee currently designated in such register. Lessee agrees to execute all documents, including notices of assignment and chattel mortgages or financing statements that may be reasonably requested by Lessor or any assignee to protect its interests in the Equipment and in this Agreement. Lessee shall not have the right to and shall not assert against any assignee or any claim, counterclaim or other right Lessee may have against Lessor.

Section 11.02. Assignment and Subleasing by Lessee. None of Lessee's right, title and interest in, to and under this Agreement and in the Equipment may be assigned or encumbered by Lessee for any reason, except that Lessee may sublease all or part of the Equipment if Lessee obtains the prior written consent of Lessor and an opinion of nationally recognized counsel in the area of tax-exempt municipal obligations satisfactory to Lessor that such subleasing will not adversely affect the exclusion of the interest components of the Rental Payments from gross income for federal income tax purposes. Any such sublease of all or part of the Equipment shall be subject to this Agreement and the rights of Lessor in, to and under this Agreement and the Equipment.

ARTICLE XII. Section 12.01. Events of Default Defined. Subject to the provisions of Section 3.03, any of the following events shall constitute an "Event of Default" under this Agreement:

- (a) Failure by Lessee to pay any Rental Payment or other payment required to be paid hereunder at the time specified herein;
- (b) Failure by Lessee to maintain required insurance coverage or to observe and perform any other covenant, condition or agreement on its part to be observed or performed, other than as referred to in subparagraph (a) above, for a period of 30 days after written notice specifying such failure and requesting that it be remedied is given to Lessee by Lessor, unless Lessor shall agree in writing to an extension of such time prior to its expiration; if the failure stated in the notice cannot be corrected within the applicable period, Lessor will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by Lessee within the applicable period and diligently pursued until the default is corrected;
- (c) Any statements, representations or warranty made by Lessee in or pursuant to this Agreement or its execution, delivery or performance shall prove to have been false, incorrect, misleading or breached in any material respect on the date when made;
- (d) Any provision of this Agreement shall be at any time for any reason cease to be valid and binding on Lessee, or shall be declared to be null and void, or the validity or enforceability thereof shall be contested by Lessee or any governmental agency or authority if the loss of such provision would materially adversely affect the rights or security of Lessor, or Lessee shall deny that it has any further liability or obligation under this Agreement;
- (e) Lessee shall (i) apply for or consent to the appointment of a receiver, trustee, custodian or liquidator of Lessee, or of all or a substantial part of the assets of Lessee, (ii) be unable, fail or admit in writing its inability generally to pay its debts as they become due, (iii) make a general assignment for the benefit of creditors, (iv) have an order for relief entered against it under applicable federal bankruptcy law, or (v) file a voluntary petition in bankruptcy or a petition or an answer seeking reorganization or an arrangement with creditors or taking advantage of any insolvency law or any answer admitting the material allegations of a petition filed against Lessee in any bankruptcy, reorganization or insolvency proceeding; or
- (f) An order, judgment or decree shall be entered by any court of competent jurisdiction, approving a petition or appointing a receiver, trustee, custodian or liquidator of Lessee or of all or a substantial part of the assets of Lessee, in each case without its

application, approval or consent, and such order, judgment or decree shall continue unstayed and in effect for any period of 30 consecutive days.

Section 12.02. Remedies on Default. Whenever any Event of Default exists, Lessor shall have the right, at its sole option without any further demand or notice, to take one or any combination of the following remedial steps:

- (a) With or without terminating this Agreement, may declare all Rental Payments due or to become due during the Original or Renewal Term in effect when the default occurs to be immediately due and payable by Lessee, whereupon such Rental Payments shall be immediately due and payable; and
- (b) With or without termination of this Agreement, Lessor may enter the premises where the Equipment is located and disable the Equipment to prevent further use thereof by Lessee. In addition or alternatively, Lessor may take possession of any of all of the Equipment by giving written notice to deliver the Equipment in the manner provided in Section 12.03; in the event Lessee fails to do so within ten (10) days after receipt of such notice, Lessor may enter upon Lessee's premises where the Equipment is kept and take possession of the Equipment and charge Lessee for costs incurred in repossessing the Equipment, including reasonable attorneys' fees. Lessee hereby expressly waives any damages occasioned by such repossession. Notwithstanding the fact that Lessor has taken possession of the Equipment, Lessee shall continue to be responsible for the Rental Payments due with respect thereto during the Fiscal Year then in effect.
- (c) If Lessor terminates this Agreement and, in its discretion, takes possession and disposes of the Equipment or any portion thereof, Lessor shall apply the proceeds of any such disposition to pay the following items in the following order: (i) all costs (including, but not limited to, attorney's fees) incurred in securing possession of the Equipment; (ii) all expenses incurred in completing the disposition; (iii) any sales or transfer taxes; (iv) the balance of any Rental Payments owed by Lessee during the Original or Renewal Term then in effect; any disposition proceeds remaining after the requirements of the clauses (i), (ii), (iii), (iv), and (v) have been met shall be paid to Lessee; (v) the applicable Purchase Price of the Equipment and
- (d) Lessor may take whatever action at law or in equity may appear necessary or desirable to enforce its rights as the owner of the Equipment, and Lessee shall pay the reasonable attorney's fees and expenses incurred by Lessor in enforcing any remedy hereunder.

Section 12.03. Return of Equipment; Release of Lessee's Interest. Upon termination of this Agreement hereunder prior to the payment of all Rental Payments or the applicable Purchase Price in accordance with Exhibit B: (i) Lessor may enter upon Lessee's premises where the Equipment is kept and disable the Equipment to prevent its further use by Lessee and (ii) Lessee shall promptly, but in any event within ten (10) days after such termination, at its own cost and expense: (a) perform any testing and repairs required to place the Equipment in the condition required by Section 5.04; (b) if deinstallation, disassembly or crating is required, cause the Equipment to be deinstalled, disassembled and crated by an authorized manufacturer's representative or such other service person as is satisfactory to Lessor; and (c) deliver the Equipment to a location specified by Lessor, freight and insurance prepaid by Lessee. If Lessee refuses to deliver the Equipment in the manner designated, Lessor may repossess the Equipment and charge to Lessee the costs of such repossession.

Section 12.04. No Remedy Exclusive. No remedy herein conferred upon or reserved to Lessor is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle Lessor to exercise any remedy reserved to it in this Agreement it shall not be necessary to give any notice other than such notice as may be required in this Agreement.

Section 12.05. Force Majeure. If by any reason of **Force Majeure** Lessee is unable in whole or in part to carry out its agreement on its part herein contained, other than the obligations on the part of Lessee contained in Article IV and Section 7.02 hereof, Lessee shall not be deemed in default during the continuance of such inability. The term "Force Majeure" as used herein shall mean, without limitation, the following: Acts of God, strikes, lockouts or other industrial disturbances; acts of public enemies, orders or restraints of any kind of government of the United States of America or the State or any of their departments, agencies or officials, or any civil or military authority; insurrections; riots; landslides; earthquakes; fires; storms; droughts; floods; or explosions.

ARTICLE XIII. Section 13.01. Notices. All notices, certificates or other communications hereunder shall be sufficiently given and shall be deemed given when delivered or mailed by registered mail, postage prepaid, to the parties hereto at the addresses immediately after the signatures to this Agreement (or at such other address as either party hereto shall designate in writing to the other for notices to such party) and to any assignee at its address as it appears on the registration books maintained by Lessee.

Section 13.02. Release and Indemnification. To the extent permitted by law, Lessee shall indemnify, protect, hold harmless, save and keep harmless Lessor from and against any and all liability, obligation, loss claim, tax and damage whatsoever, regardless of cause thereof, and all expenses in connection therewith (including without limitation counsel fees and expenses and any federal income tax and interest and penalties connected therewith imposed on interest received) arising out of or as the result of (a) the entering into of this Agreement, (b) the ownership of any item of Equipment, (c) the ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage, or return of any item of the Equipment, (d) or any accident in connection with the operation, use, condition, possession, storage or return of any item of the Equipment resulting in damage to property or injury to or

death to any person, and/or (e) the breach of any covenant herein or any material misrepresentation contained herein. The indemnification arising under this paragraph shall continue in full force and effect notwithstanding the full payment of all obligations under this Agreement or the termination of the Lease Term for any reason.

Section 13.03. Entire Agreement. This Agreement constitutes the entire agreement between Lessor and Lessee. There are no understandings, agreements, representations or warranties, express or implied, not specified herein regarding this Agreement or the Equipment leased hereunder. No waiver, consent, amendment, modification or change of terms of this Agreement shall bind either party unless in writing, signed by both parties, and then such waiver, consent, amendment, modification or change shall be effective only in the specific instance and for the specific purpose given.

Section 13.04. Binding Effect. This Agreement shall inure to the benefit of and shall be binding upon Lessor and Lessee and their respective successors and assigns.

EXHIBIT D TO EQUIPMENT LEASEPURCHASE AGREEMENT
OPINION OF COUNSEL

Welch State Bank
PO Box 129
Welch, OK 74369

As counsel for the Navarro County ("Lessee"), I have examined duly executed originals of the Equipment Lease-Purchase Agreement (the "Agreement") dated April 21, 2014, by and between Lessee and Welch State Bank ("Lessor"), the proceedings taken by Lessee to authorize and execute the Agreement together with other related documents, and the Constitution of the State of Texas the ("State") as presently enacted and construed. Based upon said examination and upon such other examination as I have deemed necessary or appropriate, it is my opinion that:

Lessee was duly organized and is validly existing under the Constitution and laws of the State as a political subdivision of the State.

The Agreement has been duly authorized, executed and delivered by Lessee, pursuant to Constitutional, statutory and/or home rule provisions which authorized this transaction and Lessee's Resolution, attached as Exhibit F to the Agreement.

The Agreement is a legal, valid and binding obligation of Lessee, enforceable in accordance with its terms in the event Lessor obtains a judgment against Lessee in money damages, as a result of an event of default under the Agreement, Lessee will be obligated to pay such judgment.

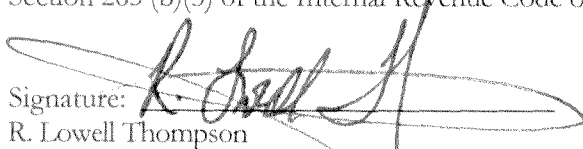

Lessee has complied with applicable public bidding requirements.

To the best of our knowledge, no litigation is pending or threatened in any court or other tribunal, state or Federal, in any way affecting the validity of the Agreement.

The signatures of the officers of Lessee which appear on the Agreement are true and genuine; we know said officers and know them to hold the offices set forth below their names.

Lessee is a political subdivision within the meaning of Section 103 of the Internal Revenue Code and the related regulations and rulings.

The Lessee has, in its Resolution, designated the Agreement as a "qualified tax-exempt obligation" under Section 265 (b)(3) of the Internal Revenue Code of 1986, as amended.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

What's New

The IRS has created a page on IRS.gov for information about the Form 8038 series and its instructions, at www.irs.gov/form8038. Information about any future developments affecting the Form 8038 series (such as legislation enacted after we release it) will be posted on that page.

Purpose of Form

Form 8038-GC is used by the issuers of tax-exempt governmental obligations to provide the IRS with the information required by section 149(e) and to monitor the requirements of sections 141 through 150.

Who Must File

Issuers of tax-exempt governmental obligations with issue prices of less than \$100,000 must file Form 8038-GC.

Issuers of a tax-exempt governmental obligation with an issue price of \$100,000 or more must file Form 8038-G, Information Return for Tax-Exempt Governmental Obligations.

Filing a separate return for a single issue. Issuers have the option to file a separate Form 8038-GC for any tax-exempt governmental obligation with an issue price of less than \$100,000.

An issuer of a tax-exempt bond used to finance construction expenditures must file a separate Form 8038-GC for each issue to give notice to the IRS that an election was made to

pay a penalty in lieu of arbitrage rebate (see the line 11 instructions).

Filing a consolidated return for multiple issues. For all tax-exempt governmental obligations with issue prices of less than \$100,000 that are not reported on a separate Form 8038-GC, an issuer must file a consolidated information return including all such issues issued within the calendar year.

Thus, an issuer may file a separate Form 8038-GC for each of a number of small issues and report the remainder of small issues issued during the calendar year on one consolidated Form 8038-GC. However, if the issue is a construction issue, a separate Form 8038-GC must be filed to give the IRS notice of the election to pay a penalty in lieu of arbitrage rebate.
