Repayment Agreement

Landlord: Navarro Center located at 800 N. Main LTD, Corsicana TX 75110

Mailing Address: P. O. Box 204391 Austin, TX 78720.4391

Tenant: County of Navarro, Courthouse

Address: 300 W. Third Ave Corsicana, TX 75110

Date: October ??, 2014

RE: That certain designated space (s) located within the building formerly known as the Navarro Mall, 800 N. Main, Corsicana, TX 75110

The Tenant (Navarro County) hereby agrees to reimburse the Landlord (800 N. Main LTD) for the improvement costs of the Navarro Center regarding the square footage and areas agreed upon in the Commercial Lease between said parties. The total construction costs will be expressed and finalized upon completion of the improvement project. Once a construction cost has been agreed upon by both parties, the agreed upon amount shall be broken into 18 (eighteen) payments to be paid separately yet concurrently with the monthly lease and starting on the same date assigned to the commencement of the Commercial Lease.

The repayment formula shall be: Total Construction Costs divided by (18) = monthly payment

(1) No interest is to be paid as Owner will retain the built in improvements at the end of the lease to dispose of as/if he chooses, other than certain removable items required by the county and

(2) Owner will retain the right to ownership of those said built in improvements also as the county is paying a reduced rate per square foot for the rented space, in that the normal rate for the space is \$1.00 per square foot per month, but in consideration for the county entering into the reimbursement agreement the landlord agrees to forgo \$0.53 per sq ft of rent and the price for Navarro County is thus \$0.47 per sq ft plus the normal 0.05 per sq ft of triple net.

Below are the current improvement costs for the Navarro Center. Any additional amounts may be added to the total:

Cody

We would take the existing ceiling tile and insulation down and then replace it when all the duct work is complete for \$5,391.00.

We would then demo the existing duct from the trunk line and install new duct to each room as per the plan for a budget number of \$29,996.00.

was told by Eddie Watson that the existing units may need some work done on them. That would be an additional charge once we serviced the units.

Lessee hereby waives any and all rights he or she may have, and can legally waive, to pre-seizure hearings followed default.
