TAX ABATEMENT AGREEMENT

This Tax Abatement Agreement (the "Agreement") is entered into by and between THE COUNTY OF NAVARRO, TEXAS, acting herein by and through its County Judge and hereinafter referred to as COUNTY, and Ann Marett, hereinafter referred to as OWNER.

WITNESSETH:

WHEREAS, on the 24th day of February, 2014, the City Council of the City of Corsicana passed an Ordinance creating and designating the Corsicana Downtown Revitalization District (the "Reinvestment Zone") for commercial tax abatement, as authorized by Chapter 312, Texas Tax Code; and

WHEREAS, the COUNTY has previously adopted a Tax Abatement Policy (the "Tax Abatement Policy") and a Historic Downtown Tax Abatement Program; and

WHEREAS, the Historic Downtown Tax Abatement Program constitutes appropriate guidelines and criteria governing tax abatement agreements to be entered into by COUNTY as required by Chapter 312, Texas Tax Code; and

WHEREAS, COUNTY has adopted a resolution stating that it elects to be eligible to participate in tax abatement; and

WHEREAS, COUNTY has sent written notice that COUNTY intends to enter into this AGREEMENT, including a copy of this AGREEMENT, to the presiding officer of the governing body of each other taxing unit in which property to be subject to this AGREEMENT is located, as required by Section 312.2041 of the Texas Tax Code; and

WHEREAS, in order to maintain and/or enhance the commercial economic and employment base of the Corsicana area to the long term interest and benefit of the COUNTY, the COUNTY has determined that the contemplated use of the PROPERTY, as hereinafter defined, the contemplated improvements to the PROPERTY in the amount as set forth in this AGREEMENT, and the other terms hereof are consistent with encouraging development of said Reinvestment Zone in accordance with the purposes for its creation and are in compliance with CITY'S Historic Downtown Tax Abatement Program;

NOW THEREFORE, in consideration of the mutual benefits and promises contained herein and for good and other valuable consideration, the adequacy and receipt of which is hereby acknowledged, the parties hereto do mutually agree as follows:

I. DEFINITIONS

Whenever used in this Agreement, the following terms shall have the meanings ascribed to them:

1.1 "Estimated Tax Value" means the estimated depreciated Tax Net Book Values applicable to the real property improvements and the Tangible Personal Property improvements comprising the Investment described in Paragraph 2.2 below. For reference purposes, the Estimated Tax Values scheduled on are determined using the Navarro Central Appraisal District's appraisal guidelines in effect as of the date of this Agreement.

1.2 "Event of Bankruptcy or Insolvency" means the dissolution or termination of a party's existence as a going business, insolvency, appointment of receiver for any part of a party's property and such appointment is not terminated within ninety (90) days after such appointment is initially made, any general assignment for the benefit of creditors, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against such party and such proceeding is not dismissed within ninety (90) days after the filing thereof.

1.3 "Force Majeure" means any contingency or cause beyond the reasonable control of OWNER including, without limitation, acts of God or the public enemy, war, riot; civil commotion, insurrection, adverse weather, governmental or de facto governmental action (unless caused by acts or omissions of OWNER), fires; explosions or floods, and strikes.

1.4 "In Service Project Cost" means the initial project cost of the Improvements identified and defined below, as of the date such Improvements are first placed into service by OWNER

1.5 "Tangible Personal Property" means tangible personal property classified as such under state law and hereafter located on the Property, but expressly excludes inventory and supplies, and any tangible personal property that was located in the Reinvestment Zone at any time before the date of this Agreement.

1.6 "Taxable Value" means the appraised value as certified by the Navarro County Appraisal District as of January 1 of a given year.

Other terms defined elsewhere in this Agreement shall have the meanings therein ascribed to those terms.

II. OWNER'S OBLIGATIONS

2.1 The specific property to be the subject of this Agreement shall be the Real Property, including land and improvements, located at 207 West. 5th Avenue in Corsicana, described as Block 266 LOT NE CORNER OF C & NW CORNER OF D and being 0.088 ACRES, and by map attached hereto as EXHIBIT A and made a part hereof, and shall be herein referred to as the PROPERTY.

2.2 For the purposes of fulfilling this Agreement, the OWNER shall make improvements to the real property as described in Exhibit "C" attached hereto and incorporated herein by reference (collectively the "Improvements"), having a total In Service Project Cost of at least \$8,300.00. On or before December 31, 2015, OWNER shall substantially complete all Improvements. Notwithstanding the foregoing deadlines, OWNER shall have such additional time to satisfy the obligations contained in this Paragraph 2.2 as may reasonably be required in the event of Force Majeure if OWNER is diligently and faithfully pursuing satisfaction of the applicable obligation. The date of substantial completion of the Improvements shall be defined as the date a Certificate of Occupancy is issued by the CITY.

2.3 As good and valuable consideration for this Agreement, OWNER agrees and covenants that it will diligently and faithfully pursue the completion of the Improvements in a good and workmanlike manner. OWNER further covenants and agrees that all construction of the Improvements and use of the Property will be in accordance with all applicable State and local laws, codes, and regulations (or valid waiver thereof).

2.4 OWNER further agrees that the COUNTY, its agents and employees shall have reasonable right of access to the Property, upon not less than ten (10) days prior written notice, to inspect the Improvements in order to ensure that the construction of the Improvements is in accordance with this Agreement and all applicable State and local laws and regulations (or valid waiver thereof). After completion of the Improvements, the COUNTY shall have the continuing right to inspect the Property, upon not less than ten (10) days prior written notice, to ensure that it is thereafter maintained in accordance with this Agreement throughout the Term of this Agreement. In addition, the OWNER agrees that appraisal district representatives shall have reasonable right of access to the Property, upon not less than ten (10) days prior written notice, for the purpose of ad valorem property tax appraisal for all real property and improvements to real property.

III. ABATEMENT OF TAXES

3.1 Subject to the terms and conditions of this Agreement, and subject to the rights of holders of any outstanding bonds of the COUNTY, a portion of ad valorem real property taxes from the Property that are otherwise owed to the COUNTY, shall be frozen at the appraised value of the Property on December 31, 2015. Said ad valorem real property tax abatement/freeze shall be for a five (5) year term, beginning in tax year 2016, and shall apply to the taxes assessed upon the increased value of the eligible Property, after installation of the real property improvements contemplated by Paragraph 2.2, over the value of the Property in the year in which this Agreement is executed; all subject to and in accordance with the terms of this Agreement, the Tax Abatement Policy, Chapter 312, Texas Tax Code, and all applicable state and local regulations (or valid waiver thereat).

3.2 It is understood and agreed among the parties that the Property shall be appraised at market value for the purposes of the applicable real property tax assessments effective as of December 31, 2015, and continued at market value until the expiration of the Term of this Agreement.

3.3 It is understood and agreed among the parties that, at the end of the Abatement term, the real property must remain on the tax rolls at the full appraised value for a minimum of ten (10) years before the property is eligible for tax abatement again.

**IV.
TERM OF THE AGREEMENT**

4.1 The term of this Agreement (the "Term") shall begin on the date of this Agreement and end upon completion of the final abatement year.

4.2 Prior to December 1st of each year during the Term of this Agreement, OWNER shall certify to the governing body of the COUNTY, on behalf of each taxing unit, that OWNER is in compliance with all of the terms and conditions of this Agreement.

**V.
DEFAULT AND RECAPTURE OF ABATED TAX**

5.1 In the event that (a) OWNER fails to incur the minimum In Service Project Cost of an amount that, at a minimum, is equal to 20 percent of the most recent valuation of the property, or \$20,000, whichever is less; (b) OWNER fails to maintain throughout the Term of this Agreement minimum Taxable Values for the real property of at least Forty Nine Thousand Eight Hundred Twelve dollars (\$49,812.00), which includes the 2015 real property appraised value of \$41,510 plus a minimum of \$8,300.00 in real property improvements; (c) OWNER allows its ad valorem taxes owed the COUNTY to become delinquent and fails to timely and properly follow the legal procedures for protest and/or contest of any such ad valorem taxes; (d) OWNER has an Event of Bankruptcy or Insolvency (as defined in Paragraph 1.2); or (e) OWNER otherwise fails to comply with any of the terms, conditions, or obligations of this Agreement, then this Agreement shall be in default.

5.2 In the event of default, COUNTY shall give the OWNER written notice of such default and, if the OWNER has not cured such default within sixty (60) days after said written notice, this Agreement may be terminated by the COUNTY. If the COUNTY terminates this Agreement in the event of default, OWNER shall repay to the COUNTY all taxes which otherwise would have been paid to the COUNTY without the benefit of abatement during the Term of this Agreement, together with interest at the statutory rate for delinquent taxes as determined by Section 33.01 of the Texas Tax Code (but without the addition of penalty), reasonable attorney's fees, and costs. Such amounts shall be due, owing, and payable to the COUNTY within sixty (60) days after the expiration of the above mentioned 60-day cure period. The parties acknowledge that COUNTY will suffer damages in the event of OWNER's default under this Agreement. The parties acknowledge that actual damages in the event of default and termination would be speculative and difficult to determine. OWNER's obligation to pay any amounts hereunder shall survive termination of this Agreement.

5.3 It is expressly acknowledged and agreed between the parties that the COUNTY shall have the right to place a tax lien against the Property pursuant to Section 32.01 of the Texas Tax Code. Such lien shall secure the payment of all taxes abated and subject to recapture under this Agreement, together with all other amounts payable hereunder. Any such lien may be fully enforced pursuant to the provisions of the Texas Tax Code. Also, to collect any amounts payable hereunder, the COUNTY shall have all other remedies provided generally in the Tax Code for the collection of delinquent property tax.

**VI.

- 6.2 The terms and conditions of the Agreement are binding upon the successors and permitted assigns of all parties hereto. Navarro County Sole Source Services

Problem Statement

A Case Management System (CMS) should incorporate all available technologies in order to streamline court processes, increase accuracy, and enable timely compliance. At the same time we understand that county resources are scarce so the system must utilize personnel in place and be a stable budget item with no additional 'surprise' charges.

Initially, tickets issued by the Texas Department of Public Safety (DPS) were printed from the Highway Patrol in-car ticketing system and hand carried to the JP office for manual entry into the CMS. There was always the possibility of data entry errors or the wrong violation being selected. In addition, tickets were sometimes delayed by the officer and may not have included a complaint.

In August 2008, Intech Worldwide, LP (Intech) was contacted by the Navarro County Justice of the Peace Courts (NCJP) to discuss the possibility of developing an interface between DPS and the JP courts to electronically submit ticket data directly to the JP Courts. There was no such interface available in the State of Texas.

Why Choose Intech

The Intech team members have skills that include law enforcement experience, computer system analysis and design, technology implementations, evaluating and establishing operational procedures, and system reconciliations with audit trails. Implementations are not cookie-cutter but are developed based on the needs of our customers.

Intech's core business is the development of public safety software solutions. All these solutions integrate the most current technologies into shared systems and systems that move data to third parties. Intech has experience with the US Federal Government as a sole source provider of integration and data-sharing services. Multiple countries and international agencies were integrated into one system with shared data standards. Due to the unique way Intech provides its services combined with copyrighted software solutions and interfaces, the high-tech solution delivery was a sole source.

In 2010 and 2011, Intech conducted a business process flow study of the NCJP offices and incorporated the findings into the final design of their CMS solution with improvement in everyday workflow. No other vendor has done this or offered to do it.

The design of the Intech master file system as well as its third-party integrations and method of delivery is unique to any case management system. This design also includes seamless integration with other county offices utilizing a pointer system that identifies the location of specific data. Other CMS vendors may say their systems communicate with other county offices, however, if a case is moved from the JP court to the District Court, the process involves manual data entry in other vendor systems, while the process is electronic in the Intech system.

In addition to working with the most current technology, Intech has established relationships with DPS, Highway Patrol, DPS Enforcement & Compliance, Office of Court Administration, OmniBase, CJIS Field Support, various third-party collection agencies and credit card solutions. Several design meetings were conducted to develop all the initial interfaces, and by maintaining these relationships we stay current with integration or third-party reporting updates.

Solution

Intech contacted DPS with respect to the ticket interface project and was tasked to be the only vendor to work with DPS on its development. Intech worked directly with the state for months and assisted with the Extensible Markup Language (XML) development and the determination of what data would be shared with the JP courts.

Once the ticket interface was completed, Intech was asked to integrate it into the NCJP CMS. The interface was written in XML and developed following the federal government National Information Exchange Model (NIEM) standards. Intech attempted to implement the interface with the NCJP software at the time but due to the system using outdated technology and not following the NIEM data standards, it was not possible to implement a proper interface.

Because the ticket integration was important to the Judges, Intech was asked to utilize its existing public safety solutions and incorporate the tasks specific to the operations of the courts. Included in this request was to upgrade the system with automatic integration with DPS tickets, OmniBase and LGB&S. These processes were to be scheduled with updates to occur daily.

This technology solution offered by Intech is delivered as a service and includes all updates and upgrades. Once the system is implemented, there are no additional costs for new features or law changes, and thus no surprises. The service includes numerous Intech copyrighted interfaces, utilizing the latest technologies including XML, NIEM data standards, and Structured Query Language (SQL) for database management. Also included is the copyrighted six month business flow process, design study and technology design of the JP Courts. There is no other company active in Texas that combines all of these features into a high-tech software as a service solution.

Summary

Because of the extensive knowledge of Intech with public safety database development and data integrations, we were contacted to discuss a possible integration with DPS. At the initial meeting with the NCJP Judges, there was no ticket interface available to move the DPS ticket data from the car to the court. Intech was then selected by the state to be the only vendor to work with DPS to design an interface to electronically file traffic tickets with the court.

During the implementation of the interface it was discovered that the CMS in place was utilizing antiquated technology with no data standards. To substantiate the viability of incorporating the new interface into the CMS, Intech undertook a business process flow study which determined it was not feasible. We updated the courts with our findings and were asked to develop a system with currently available technology that could utilize the integration piece developed.

Intech with its established relationships in Texas with DPS, Highway Patrol, DPS Enforcement & Compliance, Office of Court Administration, OmniBase, CJIS Field Support, various third party collection agencies and credit card solutions brought a unique opportunity to the courts. The intellectual property of Intech allows for integrations with any agency or entity the courts wish to share data. The DPS component was complete but Intech had the analytical, technical and public safety skills to ensure a successful implementation of any future integrations.

Intech proposed a solution to the NCJP Judges to implement a CMS system with the DPS integration, along with an integration with LGB&S and OmniBase. All three of these integrations were done for the first time with the third parties. At the time, there was no other CMS solutions available to satisfy the minimum requirements of the project. Based on the uniqueness of the solution, the knowledge and readiness of the implementation team, and similarities to the Federal Government sole source qualification, Intech was identified by the Auditor's Office as a sole source vendor.

Intech's customer-centric approach is also unique in its delivery. The CMS solution is offered as a service. NO software was purchased. Prior to implementation, NCJP had paid for outdated software and hardware with only an annual maintenance agreement. No additional services, integration, updates or upgrades were included in the annual fee. Intech, on the other hand, includes for no additional fee, upgrades, updates for law changes or technology upgrades, and integrations.

Notwithstanding anything contained herein to the contrary, INTECH shall have no liability for any infringement claim based on (a) NC's use of the Software in combination with any non-INTECH supplied software or equipment, if such infringement claim would have been avoided but for such use in combination; (b) NC's alteration of the Software; or (c) NC's use of a superseded release of the Software if the infringement would have been avoided by the use of a New Release of the Software that INTECH provides to NCJP.

8. GENERAL

8.1 Governing Law: This Agreement shall be construed in accordance with, and its performance governed by, the Laws of the state of Texas. With respect to matters related to Confidentiality of Software and Prohibition on Copying Software and Documentation, if issues arise which are not covered by the Laws of Texas then those issues should be construed according to the United States Federal Laws.

8.2 Injunctive Relief: It is understood and agreed that, notwithstanding any other provisions of this Agreement, breach of the Confidentiality provisions of this Agreement by NC will cause INTECH irreparable damage for which recovery of money damages would be inadequate, and therefore, that INTECH shall be entitled to obtain timely injunctive relief, in addition to all other remedies available to INTECH, to protect INTECH's rights under this Agreement.

8.3 Assignment: This Agreement and any interest herein may not be assigned or transferred, in whole or in part, by either party without the prior written consent of the other party, and any assignment or transfer without such consent shall be null and void; provided, however, that INTECH shall be entitled to assign this Agreement to any corporation controlling, controlled by, or under common control with INTECH. In addition, INTECH may assign its right to payment under this Agreement or grant a security interest in this Agreement or such payment to any third party.

8.4 Severability: If any provision of this Agreement is held invalid or unenforceable, the remainder of this Agreement shall nevertheless remain in full force and effect. If any provision is held invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

8.5 Force Majeure: Neither party shall be deemed to be in default of any provision of this Agreement or be liable for any delay or failure in performance, any loss or damage suffered by the other party, directly or indirectly, as a result of the first party's failure to perform, or delay in performing, any of its obligations contained in this Agreement (except any obligations to make payments hereunder), due to Force Majeure, which shall include without limitation acts of God, fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, governmental regulations or restrictions of any kind.

8.6 Entire Agreement: This Agreement constitutes the entire Agreement between the parties and supersedes any other Agreements, whether oral or in writing, and there are no understandings, representations or warranties of any kind, express, implied or otherwise, not expressly set forth herein.

8.7 Non-waivers and Modification: Waiver by either party of any default or breach of any provision of this Agreement by the other party shall not be construed as a waiver of any subsequent default or breach. No extension of time for payment or other accommodation granted to a party shall operate as a waiver of any of its rights under this Agreement. No provision of this Agreement may be modified by a party without the prior written consent of the other party.

8.8 Limitation of Liability: IN NO EVENT SHALL INTECH OR ITS EMPLOYEES, AGENTS, SUPPLIERS OR CONTRACTORS BE LIABLE FOR ANY INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR IN CONNECTION WITH INTECH'S OBLIGATIONS UNDER THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, LOSS OF USE, INCOME OR PROFIT, OR LOSSES SUSTAINED AS THE RESULT OF INJURY (INCLUDING DEATH) TO ANY PERSON OR TO DELIVER OR DELAY IN DELIVERING ANY ITEM UNDER THIS AGREEMENT, EVEN IF INTECH OR A INTECH AUTHORIZED REPRESENTATIVE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL LIABILITY OF INTECH FOR DAMAGES WITH RESPECT TO ANY ITEM LICENSED OR SOLD HEREUNDER EXCEED THE AMOUNTS ACTUALLY PAID BY NC UNDER THIS AGREEMENT FOR SUCH ITEM.

8.9 Intentional Risk Allocation: INTECH and NC each acknowledge that the provisions of this Agreement were negotiated and voluntarily agreed upon. The warranty disclaimers and limitations in this Agreement are intended to limit the circumstances of liability. The limitations of liability are intended to limit

INTECH  NC 

the forms of relief available to the parties. The provisions of Section 8.8 and 8.9 shall be enforceable independent of and severable from any other enforceable or unenforceable provision of this Agreement.

8.10 Confidentiality: NC may disclose to third parties that it has concluded an Agreement with INTECH for provision of INTECH supplied Services. Subject to NC's obligations to respond to requests for information under state and federal law, NC shall not, and shall not permit any of its agents, attorneys, employees or advisors to disclose any Confidential Information received from the disclosing party or otherwise discovered by the receiving party during the term of this Agreement, including, but not limited to, the pricing and terms of the Agreement, and any information relating to the disclosing party's technology, business affairs, marketing or sales plans, and any non-public information regarding the performance of the Services (collectively the "Confidential Information"). The parties shall use Confidential Information only for the purpose of this Agreement and shall only disclose Confidential Information to affiliates, employees, subcontractors or advisors under a similar obligation of confidentiality. The forgoing restrictions on use and disclosure of Confidential Information do not apply to information that: (i) is in the possession of the receiving party at the time of its disclosure and is not otherwise subject to obligations of confidentiality; (ii) is, or becomes publically known, through no wrongful act or omission of the receiving party; (iii) is received without restriction from a third party free to disclose it without obligation to the disclosing party; (iv) is developed independently by the receiving party without reference to the Confidential Information, or (v) is required to be disclosed by law, regulation, or court or governmental order, however, the party subject to such law, regulation or court or governmental order shall use reasonable efforts to minimize such disclosure and shall notify the other party contemporaneously of such disclosure. To the extent INTECH or its agents or employees acquire information in connection with providing services under this Agreement which is confidential by state or federal law, INTECH agrees to maintain the confidentiality of such information and not disclose to anyone except as may be required by law.

8.11 Audit of Software: INTECH reserves the right to audit NCJP's Site during the term of the Agreement for compliance with the provisions of this Agreement and any attachments to the Agreement, provided that such audits shall be conducted during normal business hours and in such a manner as not to interfere unreasonably with the business operations of NCJP.

8.12 Counterparts: This Agreement may be executed in counterparts.

8.13 Survival: The provisions of Sections 2, 4, 5, and 8 shall survive termination of this Agreement.

8.14 Cumulation of Remedies: All remedies available to either party for breach of this Agreement are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.

8.15 Notices and Changes: Any notice or other communication hereunder shall be in writing and sent to the principal address of the party set forth at the beginning of this Agreement. No change to any provision hereof (including any Exhibit hereto) shall be effective unless stated in writing and signed by both parties hereto.

8.16 Interpretation: The section headings of this Agreement are for convenience of reference only, and shall not be construed to alter or affect the meaning of any provision hereof.

8.17 Continuing Obligations: The obligations of the NC under Section 2.4 (Confidentiality of Software), 2.5 (Prohibition on Copying Software and Documentation), and 2.7 (Disposal of Software and Documentation at Termination) shall survive termination under this Agreement. Should contract be terminated so shall the contract for support services.

Notification of defects in workmanship or materials must be made to INTECH in writing at the address and phone number listed or via e-mail.

4.3 Supported Environments: Visual DataFlex. Operating systems and networks: Windows Server 2003 and Server 2008 or higher, Windows NT, Vista and 7 or higher.

5. INDEMNIFICATION

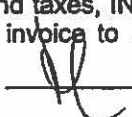

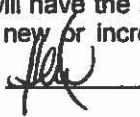

INTECH agrees to indemnify, hold harmless, and defend NC from and against any and all damages, costs and expenses, including reasonable attorney's fees, incurred in connection with any claim by any third party that the portions of the Software developed and owned by INTECH infringe upon any U.S. copyright, patent or trade secret of such third party; provided that INTECH is notified in writing within thirty (30) days from the date NC knew of such claim and further provided that INTECH has sole control over its defense or settlement, and NC provides reasonable assistance at the expense of INTECH in the defense of the same. Following written notification of an infringement claim, INTECH may, at its expense, and in its sole and absolute discretion (but without obligations to do so) either (i) procure for NCDC the right to continue to use the alleged infringing portion of the Software or (ii) replace or modify the Software to make it non-infringing or (iii) terminate the license to the Software hereunder without any further obligation to NC and refund to NC the unused prorated value of the infringing portion of the Software as determined by INTECH in its sole discretion. Notwithstanding anything contained herein to the contrary, INTECH shall have no liability for any infringement claim based on (a) NC's use of the Software in combination with any non-INTECH supplied software or equipment, if such infringement claim would have been avoided but for such use in combination; (b) NC's alteration of the Software; or (c) NC's use of a superseded release of the Software if the infringement would have been avoided by the use of a New Release of the Software that INTECH provides to NCDC.

6. INSTALLATION AND TRAINING

This Agreement includes a non-exclusive right to access the IWWCMS-DC™ and is not to be considered a licensing agreement. To provide ease of use and data security the Software is installed locally on the designated NCDC computers. If NCDC elects to obtain training from INTECH, such services shall be provided in accordance with INTECH's then current terms and conditions with respect thereto. NCDC agrees that it will provide furniture, permanently installed network wiring and or wireless networking. Computer Hardware with compatible operating system installed and operational.

7. EXPORT TARIFF'S, FEES, AND TAXES

If NCDC is not exempt under applicable law from tariffs, fees and taxes, INTECH will have the right, at any time during any term of this Agreement, to pass through and invoice to NC any new or increased fees,

INTECH  NC 

assessments, taxes or other charges imposed on, or required to be collected by INTECH or its subcontractors or agents and which are assessed by any governmental agency. NC will provide INTECH with a duly authorized exemption certificate at the time this Agreement is executed.

8. GENERAL

8.1 Governing Law: This Agreement shall be construed in accordance with, and its performance governed by, the Laws of the state of Texas. With respect to matters related to Confidentiality of Software and Prohibition on Copying Software and Documentation, if issues arise which are not covered by the Laws of Texas then those issues should be construed according to the United States Federal Laws.

8.2 Injunctive Relief: It is understood and agreed that, notwithstanding any other provisions of this Agreement, breach of the Confidentiality provisions of this Agreement by NC will cause INTECH irreparable damage for which recovery of money damages would be inadequate, and therefore, that INTECH shall be entitled to obtain timely injunctive relief, in addition to all other remedies available to INTECH, to protect INTECH's rights under this Agreement.

8.3 Assignment: This Agreement and any interest herein may not be assigned or transferred, in whole or in part, by either party without the prior written consent of the other party, and any assignment or transfer without such consent shall be null and void; provided, however, that INTECH shall be entitled to assign this Agreement to any corporation controlling, controlled by, or under common control with INTECH. In addition, INTECH may assign its right to payment under this Agreement or grant a security interest in this Agreement or such payment to any third party.

8.4 Severability: If any provision of this Agreement is held invalid or unenforceable, the remainder of this Agreement shall nevertheless remain in full force and effect. If any provision is held invalid or unenforceable with respect to particular circumstances, it shall nevertheless remain in full force and effect in all other circumstances.

8.5 Force Majeure: Neither party shall be deemed to be in default of any provision of this Agreement or be liable for any delay or failure in performance, any loss or damage suffered by the other party, directly or indirectly, as a result of the first party's failure to perform, or delay in performing, any of its obligations contained in this Agreement (except any obligations to make payments hereunder), due to Force Majeure, which shall include without limitation acts of God, fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, governmental regulations or restrictions of any kind.

8.6 Entire Agreement: This Agreement constitutes the entire Agreement between the parties and supersedes any other Agreements, whether oral or in writing, and there are no understandings, representations or warranties of any kind, express, implied or otherwise, not expressly set forth herein.

8.7 Non-waivers and Modification: Waiver by either party of any default or breach of any provision of this Agreement by the other party shall not be construed as a waiver of any subsequent default or breach. No extension of time for payment or other accommodation granted to a party shall operate as a waiver of any of its rights under this Agreement. No provision of this Agreement may be modified by a party without the prior written consent of the other party.

8.8 Limitation of Liability: IN NO EVENT SHALL INTECH OR ITS EMPLOYEES, AGENTS, SUPPLIERS OR CONTRACTORS BE LIABLE FOR ANY INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR IN CONNECTION WITH INTECH'S OBLIGATIONS UNDER THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, LOSS OF USE, INCOME OR PROFIT, OR LOSSES SUSTAINED AS THE RESULT OF INJURY (INCLUDING DEATH) TO ANY PERSON OR TO DELIVER OR DELAY IN DELIVERING ANY ITEM UNDER THIS AGREEMENT, EVEN IF INTECH OR A INTECH AUTHORIZED REPRESENTATIVE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL LIABILITY OF INTECH FOR DAMAGES WITH RESPECT TO ANY ITEM LICENSED OR SOLD HEREUNDER EXCEED THE AMOUNTS ACTUALLY PAID BY NC UNDER THIS AGREEMENT FOR SUCH ITEM.

8.9 Intentional Risk Allocation: INTECH and NC each acknowledge that the provisions of this Agreement were negotiated and voluntarily agreed upon. The warranty disclaimers and limitations in this Agreement are intended to limit the circumstances of liability. The limitations of liability are intended to limit

INTECH  NC 

the forms of relief available to the parties. The provisions of Section 8.8 and 8.9 shall be enforceable independent of and severable from any other enforceable or unenforceable provision of this Agreement.

8.10 Confidentiality: NC may disclose to third parties that it has concluded an Agreement with INTECH for provision of INTECH supplied Services. Subject to NC's obligations to respond to requests for information under state and federal law, NC shall not, and shall not permit any of its agents, attorneys, employees or advisors to disclose any Confidential Information received from the disclosing party or otherwise discovered by the receiving party during the term of this Agreement, including, but not limited to, the pricing and terms of the Agreement, and any information relating to the disclosing party's technology, business affairs, marketing or sales plans, and any non-public information regarding the performance of the Services (collectively the "Confidential Information"). The parties shall use Confidential Information only for the purpose of this Agreement and shall only disclose Confidential Information to affiliates, employees, subcontractors or advisors under a similar obligation of confidentiality. The forgoing restrictions on use and disclosure of Confidential Information do not apply to information that: (i) is in the possession of the receiving party at the time of its disclosure and is not otherwise subject to obligations of confidentiality; (ii) is, or becomes publically known, through no wrongful act or omission of the receiving party; (iii) is received without restriction from a third party free to disclose it without obligation to the disclosing party; (iv) is developed independently by the receiving party without reference to the Confidential Information, or (v) is required to be disclosed by law, regulation, or court or governmental order, however, the party subject to such law, regulation or court or governmental order shall use reasonable efforts to minimize such disclosure and shall notify the other party contemporaneously of such disclosure. To the extent INTECH or its agents or employees acquire information in connection with providing services under this Agreement which is confidential by state or federal law, INTECH agrees to maintain the confidentiality of such information and not disclose to anyone except as may be required by law.

8.11 Audit of Software: INTECH reserves the right to audit NCDC's Site during the term of the Agreement for compliance with the provisions of this Agreement and any attachments to the Agreement, provided that such audits shall be conducted during normal business hours and in such a manner as not to interfere unreasonably with the business operations of NCDC.

8.12 Counterparts: This Agreement may be executed in counterparts.

8.13 Survival: The provisions of Sections 2, 4, 5, and 8 shall survive termination of this Agreement.

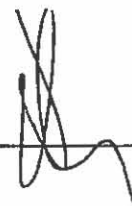

8.14 Cumulation of Remedies: All remedies available to either party for breach of this Agreement are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.

8.15 Notices and Changes: Any notice or other communication hereunder shall be in writing and sent to the principal address of the party set forth at the beginning of this Agreement. No change to any provision hereof (including any Exhibit hereto) shall be effective unless stated in writing and signed by both parties hereto.

8.16 Interpretation: The section headings of this Agreement are for convenience of reference only, and shall not be construed to alter or affect the meaning of any provision hereof.

8.17 Continuing Obligations: The obligations of the NC under Section 2.4 (Confidentiality of Software), 2.5 (Prohibition on Copying Software and Documentation), and 2.7 (Disposal of Software and Documentation at Termination) shall survive termination under this Agreement. Should contract be terminated so shall the contract for support services.

8.18 Third Party Escrow: The software source code will be placed in a third party escrow account with INTECH's attorney in Accordance to the Third Party Escrow Agreement.

RESOLUTION

WHEREAS, Section 157.021 of the Texas Local Government Code allows the Commissioners Court to adopt and enforce uniform rules on overtime and comp time; and

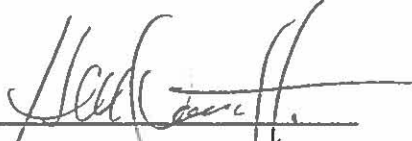

WHEREAS, the Commissioners Court desires to adopt certain uniform rules applicable to emergency situations; and

WHEREAS, the Commissioners Court believes it is in the best interest of the County to adopt the rules set forth below.

NOW THEREFORE, be it resolved that on the 14 day of December, 2015, came on at a properly noticed and called meeting of the Navarro County Commissioners Court the adoption of the rules set forth below, and the Commissioners Court finds as follows:

1. The Commissioners Court may pay overtime compensation in lieu of compensatory time when county employees whose compensation is set or approved by the Commissioners Court work overtime due to the declaration of an emergency.
2. The Commissioners Court has discretion to decide which employee or employees are working overtime due to an emergency.
3. The number of hours of comp time that an employee whose compensation is set or approved by the Commissioners Court may accrue is not currently subject to any uniform limit. The Commissioners Court, in deciding whether to pay overtime to employees in lieu of comp time in connection with work in an emergency, may set a uniform limit of comp time hours above which an employee who works during an emergency may be paid overtime in lieu of receiving comp time.
4. All emergency overtime shall be reported to the County Auditor and the Commissioners Court by the employee's supervisor or by the employee who works the overtime in an emergency situation.
5. All emergency overtime earned and approved by the Commissioners Court shall be paid on a separate check.

SIGNED, this the 14 day of December, 2015.
