January 19-20, 2016

Date(s) of Inspection

SUBJECT: INSPECTION REPORT

State Law requires periodic inspections of county jail facilities (VTCA, Local Government Code, Chapter 351, VTCA, Government Code, Chapter 511; Chapter 297.8, Texas Commission on Jail Standards).

- The facility was inspected on the date(s) indicated above, and it was determined that deficiencies exist. You are urged: (1) to give these areas of noncompliance your serious and immediate consideration; and (2) to promptly initiate and complete appropriate corrective measures. The Commission is available to discuss or assist you with the appropriate corrective measures required.

Failure to initiate and complete corrective measures following receipt of the Notice of Noncompliance may result in the issuance of a Remedial Order (Chapter 297.8, et seq.).

- This facility was inspected on the date(s) indicated above. There were no deficiencies noted and upon review of this report by the Executive Director of the Texas Commission on Jail Standards, a certificate of Compliance may be issued per the requirements of VTCA, Chapter 511 and Texas Minimum Jail Standards.

Facility Name: Navarro County Jail

Date: January 19-20, 2016

Chapter	Title	Comments
259	New Construction	Conducted a walk through inspection of the facility.
261	Existing Construction	Not applicable.
263	Life Safety	Inspected life safety equipment and conducted and observed emergency drill. Reviewed documentation. Conducted staff interviews. 1) Technical Assistance provided. During the review of the facility fire inspection this inspector observed that the fire marshal report was out of date. The fire marshal last inspected the facility on December 18, 2015. The administration contacted the local licensed fire marshal to inspect the jail before the conclusion of the inspection. The issue was corrected onsite. No follow up is necessary. 2) Technical assistance provided. During the review of the kitchen's ansul hood inspection this inspector observed that the last inspection was out of date. The last inspection was conducted in January 2015. This inspector reminded the administration that the ansul hood is to be inspected every 6 months. The administration contacted the vendor and the ansul hood was inspected before the conclusion of the inspection. Issue was corrected onsite. No follow up is necessary.
265	Admission	Reviewed a random sample of 18 inmate files. Interviewed staff. Reviewed policy.
267	Release	Reviewed a random sample of 8 inmate files. Interviewed staff.

273	Health Services	Reviewed a random selection of 18 files. Interviewed staff and inmates. Reviewed training records. Reviewed policy.
275	Supervision	Reviewed all 25 officer TCOLE certification records. Reviewed officer documentation. Interviewed staff. 1) Technical assistance provided. During the walk-through of the kitchen this inspector observed that inmates were in the kitchen cooking without direct supervision. The administration immediately corrected the issue by placing an officer in the kitchen for supervision. This inspector will follow up regarding this issue within 30 to 90 days. 2) During the review of the holding and detox face to face officer to inmate observations this inspector observed that the jail exceeded the 30 minute limit on occasion as established by minimum jail standards. The complications regarding the missed checks were immediately identified by the administration. The administration changed the policy to make checks in this area within 20 to 25 minutes which exceeds minimum jail standards. Issue was corrected onsite. This inspector will follow up regarding this matter within 30 to 90 days. 3) Technical assistance provided. During the review of the face to face officer to inmate observations of those placed on suicide watch this inspector observed that the jailers exceeded the 15 minute time limit established by the jail and the jail's medical staff. The administration will immediately re-train all jailers regarding the jail checks and the jail's suicide prevention policy. All jailers will make checks within 15 minutes or less. Issue is being addressed. This inspector will follow up regarding this matter within 30 to 90 days.

AGREEMENT FOR LICENSE ADJACENT TO OR CROSSING COUNTY ROADS

STATE OF TEXAS §

COUNTY OF NAVARRO §

KNOW ALL MEN BY THESE PRESENTS:

MEN WATER Supply Corp. Owner of a (pipeline, utility line, gas or sewer line) hereby contracts and covenants with **Navarro County** ("the County") as follows:

I. MEN WATER Supply, desires to construct and maintain a WATER pipeline, utility line, or gas or sewer line in Navarro County, Texas and it is necessary to cross certain county road(s) SECR 3010 located in Precinct # 2, more fully described on the map attached hereto as Exhibit A and incorporated herein by reference. The license granted herein shall extend 5 feet on either side of the pipeline as it crosses the county road.

II. In consideration for the County granting permission through the issuance of a permit to lay a pipeline, utility line, or gas or sewer line adjacent to or crossing said county roads above described in Navarro County, Texas, the Owner hereby warrants, agrees and covenants that any crossing shall be constructed as follows:

All county road crossings shall be bored unless a variance is granted by Navarro County Commissioners Court, and lines underneath such roads shall be cased or otherwise constructed to provide maximum protection against damage or leaks. Owner may not block the county road during construction and must provide for at least one lane of traffic. The points where the pipeline crosses the road shall be clearly marked and the line shall be placed at a depth of no less than 3' feet underneath the lowest part of the County's bar ditches and/or road surfaces.

Type of Pipeline:

WATER DISTRIBUTION LINE

ROAD CROSSING

The transport route (beginning and end): SEE ATTACHMENTS "B" & "C"

(A detailed construction plan must be submitted with application)

Pipelines which run adjacent to a county road and which are within a county road easement shall be placed at a depth of no less than 3 feet underneath the lowest part of the County's bar ditches and/or road surfaces.

The pipeline shall be constructed in a safe and prudent manner and shall consist of only acceptable commercial pipeline materials. The Owner shall be responsible for maintaining the pipeline and the license area. In the event the pipeline is ever abandoned or ceases to be used for more than 6 consecutive months, this license shall terminate and revert to the County. In addition, if the pipeline is ever abandoned or ceases to be used for more than 6 consecutive months, the Owner shall, at the County's request, remove the pipeline from the license area and restore the property to its original condition.

SEE ATTACHMENT "A" IF THIS IS FOR A PETROLEUM PIPELINE.

III. In consideration of the granting of this license (pipeline, utility line, gas or sewer Line) adjacent to or across the County's roads, the Owner warrants and covenants that any damages which may be caused to County or adjacent property as a result of the construction, maintenance or operation of a pipeline shall be the sole responsibility of the Owner and the Owner warrants and covenants that the area where the construction takes place shall be repaired and put back in the same condition as it originally was before such construction took place.

IV. The County and Owner hereby covenant and agree that for each violation of this License agreement, Owner shall pay to the County liquidated damages in the amount of One Thousand Dollars (\$1,000.00) per day, per violation, until such violation have been corrected

and the County's requirements complied with. Such compliance shall be determined by the County Commissioner in whose precinct the work occurs.

V. **Owner**, at its own expense, shall maintain a general liability insurance policy in an amount sufficient to insure against loss or damages caused by the construction, maintenance and operation of the pipeline. The general liability insurance requirement may be met by a combination of self-insurance, primary and excess insurance policies. **Owner** shall also, at its own expense, carry worker's compensation insurance as required by law.

VI. **Owner**, its successors and assigns agree to release, defend, indemnify, and hold harmless the **County** its respective commissioners, agents and employees (collectively, the "**Indemnified Parties**"), from any and all costs, losses, claims, judgments, settlements, and damages of every kind and character to real property, personal property or persons (including, without limitation, claims involving environmental laws and regulations, pollution, contamination of ground waters, personal injury and death), lawsuits and/or causes of action (including reasonable attorneys' fees, expert fees and court costs) (collectively "**Claims**"), which may grow out of, arise from, or in any manner be connected with the activities of **Owner's** agents, invitees, guests, contractors, servants and employees, on the license area, or any adjacent property, including, without limitation, any Claims arising from loss of subsurface support of any County road and any Claims arising from the production or transportation of materials through any pipeline. For purposes of this license, environmental laws and regulations include, without limitation, the federal Oil Pollution Act (OPA), the federal Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), the federal Resource Conservation and Recovery Act (RCRA), the federal Clean Water Act, the Texas Solid Waste Disposal Act

(TSWDA), the Texas Water Code (TWC), and the federal, state and local rules, regulations, ordinances, orders and governmental directives implementing such statutes.

As used in this license, the term "**Hazardous Materials**" means any substance or material defined or identified as hazardous, extra-hazardous, toxic or radioactive or subject to regulation as a solid waste or pollutant under any applicable federal, state, or local statute or regulation including, without limitation, the environmental laws and regulations referenced herein. "**Remedial Work**" is defined as any site investigation or monitoring, any cleanup, containment, remediation, removal, or restoration work performed in response to any federal, state or local government authority or private party action ("**action**"), or pursuant to any federal, state or local statute, rule, regulation, ordinance, order, governmental directive or other laws ("**law**"). **Owner** agrees, for the benefit of **the County** and any adjacent surface owner, (1) to remove from the license area, if, as and when required by any action or law, any Hazardous Materials placed or released thereon by **Owner** (including its contractors), (2) to perform Remedial Work where the need therefore arises in connection with **Owner's** (including its contractors) operations or activities on the license area or any adjacent property, and (3) to comply in all respects with all laws governing operations by **Owner** (including its contractors) and Remedial Work on or associated with the license area and any adjacent property. Remedial Work shall be performed by one or more contractors selected by **Owner** under the supervision of an engineer selected by **Owner**. All costs and expenses of Remedial Work resulting from **Owner's** (including its drillers' and other contractors') operations shall be paid by **Owner**, including, without limitation, the charges of such contractors and/or the consulting engineer and **the County's** reasonable attorneys' fees and costs incurred in connection with the monitoring or

review of Remedial Work. If **Owner** shall fail to timely commence or cause to be commenced, or fail to diligently prosecute to completion, such Remedial Work, **the County** may (but shall not be required to), after first giving **Owner** thirty (30) days notice of its failure and **Owner's** continued failure to perform, cause such Remedial Work to be performed and **Owner** will reimburse all reasonable costs of same on demand. The provisions of this Article shall not constitute approval or obligate **The County** or the surface owner to consent to the imposition of any engineering or institutional control that would restrict or limit future use of the License area for any purpose including, without limitation, any deed restriction or limitation on the use of groundwater or use of the property for residential purposes. **Owner** will notify **the County** and surface owner of any claim or other action by any governmental agency or any third party involving the actual or alleged existence of Hazardous Materials on the License area or any adjoining property and provide **the County** and surface owner with copies of (1) any notice of any actual or threatened release of Hazardous Materials given by **Owner** pursuant to any law and (2) any report of and response to any such release including all Remedial Work. **Owner**, its successors and assigns, in accordance with the provisions of Article 8, will release, indemnify, pay and protect, defend and save the Indemnified Parties harmless from all claims, liabilities, fees and expenses of any kind (including reasonable attorneys' fees, expert fees and costs) that arise from the actual or alleged presence or release of any Hazardous Materials in connection with the operations of **Owner** and **Owner's** agents, invitees, guests, contractors, servants and employees on the License area or any adjacent property. Such indemnification shall include, without limitation, costs in connection with any Remedial Work performed by **the County**, surface owner, or any third party in response to any federal, state or governmental authority, laws

or regulations, due and payable upon demand by the County or adjacent surface owner.

Owner's obligations herein shall survive the termination of this License.

VII. This Agreement shall be binding upon and inure to the benefit of the parties and their respective heirs, executors, administrators, legal representatives, successors, and assigns.

VIII. This Agreement shall be construed under and in accordance with the laws of the State of Texas, and all obligations of the parties created by this Agreement are performable in Navarro County, Texas.

IX. In case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, this invalidity, illegality, or unenforceability shall not affect any other provision of the Agreement, and this Agreement shall be construed as if the invalid, illegal, or unenforceable provision had never been contained in the Agreement.

X. The rights and remedies provided by this Agreement are cumulative, and the use of any one right or remedy by either party shall not preclude or waive its right to use any or all other remedies. The rights and remedies provided in this Agreement are given in addition to any other rights the parties may have by law, statute, ordinance, or otherwise.
