5. FBB Express General Terms and Conditions

5.1 AT&T Corp. or its affiliates ("collectively AT&T") will provide Customer the services described in this Agreement ("Services") under the terms of this Agreement, which incorporates-by-reference the terms and conditions set forth under the Service Publication for the Service provided under this Agreement as if originally set forth here. The Service Publications that are incorporated-by-reference are provided at att.com/servicepublications by following the product links, or at the link provided above in the Services section and the AT&T Acceptable Use Policy ("AUP") provided at att.com/aup. AT&T may revise Service Publications at any time. The order of priority of the documents that form this Agreement is: first, these Agreement Terms and the AUP, and then the applicable Service Guides. Customer agrees that it is impractical for AT&T to provide here all the terms and conditions, including rates and charges, which are set forth in the Service Publications, and that AT&T has acted reasonably in providing access to all Service Publications. An "Affiliate" of a party is an entity that controls, is controlled by, or is under common control with such party.

5.2 **Services:** AT&T will provide or arrange to have the Service provided to Customer subject to availability and operational limitations of systems, facilities and equipment. Customer may not resell any component of the Service without AT&T's written consent. Customer will cause Users (anyone who uses or accesses any Service provided to Customer) to comply with this Agreement and Customer is responsible for their use of the Service or any component of the Service, unless expressly provided to the contrary in a Service Publication. Customer agrees on its behalf and on behalf of its Affiliates and Users that at all time their use will comply with the AUP.

5.3 Customer will in a timely manner allow AT&T to access, or, at Customer's expense, obtain timely access for AT&T to, property (other than public property) and equipment reasonably required to provide the Service. Access includes information and the right to construct, install, repair, maintain, replace and remove access lines and network facilities, and use ancillary equipment space within the building, necessary for Customer's connection to AT&T's network. Customer will furnish any conduit, holes, wireways, wiring, plans, equipment, space, power/utilities, and other items required to perform installation of the Services, and obtain any necessary licenses, permits and consents (including easements and rights-of-way).

5.4 Customer will ensure that the location at which AT&T installs, maintains or provides the Service is a suitable and safe working environment, free of any substance or material that poses an unreasonable risk to health, safety, or property or whose use, transport, storage, handling, disposal, or release is regulated by any law related to pollution, protection of air, water, or soil, or health and safety. If AT&T encounters any such hazardous materials at a Customer location, AT&T may terminate the affected Service Component, or suspend performance until Customer removes the hazardous materials.

AT&T Fiber Broadband Bundle Express Agreement

5.5 AT&T Equipment: The Service may include use of certain equipment owned by AT&T and located at Customer's premises ("AT&T Equipment"), but title to the AT&T Equipment will remain with AT&T. Customer must provide electric power for the AT&T Equipment, must keep the AT&T Equipment physically secure and free from liens and encumbrances and will bear the risk of loss or damage (other than ordinary wear and tear) to AT&T Equipment.

5.6 Software: Any software provided to Customer by AT&T will be governed by the written terms and conditions applicable to such software. Subject to such terms and conditions, title to this software remains with AT&T or its supplier. Customer must comply with all such terms and conditions, which take precedence over this Agreement.

5.7 Prices: Unless this Agreement states otherwise, the prices listed in this Agreement are stabilized for the Term. Prices during the Term are provided either in the incorporated Service Publication or above. When there is a conflict between this Agreement and the prices, discounts or waivers in the Service Guide, this Agreement controls, as described in Section 5.1 above.

5.8 Taxes; Surcharges; Fees. Prices in this Agreement are exclusive of, and Customer will pay, all current or future taxes, surcharges, recovery fees, shipping charges, and other similar charges.

5.9 Billing, Payments and Deposits: Payment is due 30 days after the invoice date and must refer to the invoice number. Restrictions on endorsements or other statements on checks are void. If Customer does not dispute a charge in writing within 6 months after the invoice date, Customer waives the right to dispute the charge (except to the extent applicable law or regulation requires otherwise). AT&T may charge a late fee for overdue payments at the lower of 1.5% per month (18% per annum) or the maximum rate allowed by law; plus all costs (including attorney fees) of collecting delinquent or dishonored payments. AT&T may require Customer to establish a deposit as a condition of providing Services. Customer authorizes AT&T to investigate Customer's credit and share information about Customer with credit reporting agencies.

5.10 Termination and Suspension: This Agreement is for the Term stated above, and at the end of this Term, this Agreement will continue on a month-to-month basis until one party gives notice to the other party that it intends to terminate the Agreement, provided such notice is given within 30 days. Either party may terminate this Agreement immediately upon notice if the other party becomes insolvent, ceases operations, is the subject of a bankruptcy petition, or makes an assignment for the benefit of its creditors. AT&T may terminate or suspend a Service, and if the activity implicates the entire Agreement, terminate the entire Agreement, immediately upon notice if Customer: (i) commits a fraud upon AT&T; (ii) utilizes the Service to commit a fraud upon another party; (iii) unlawfully uses the Service; (iv) abuses or misuses AT&T's network or Service; or (v) interferes with another customer's use of AT&T's network or services. Customer may terminate an affected Service for material breach by AT&T, and AT&T may terminate or suspend (and later terminate) an affected Service for material breach by Customer, if such breach is not cured within 30 days of notice. If Customer fails to rectify a violation of the AUP within 5 days after receiving notice from AT&T, then AT&T may suspend or terminate the affected Service. AT&T has the right, however, to suspend or terminate the applicable portion of the Service immediately when: (i) AT&T's suspension or termination is in response to multiple or repeated AUP violations or complaints; (ii) AT&T is acting in response to a court order or governmental notice that certain conduct must be stopped; or (iii) AT&T reasonably determines: (a) that it may be exposed to sanctions, liability, prosecution, or other adverse consequences under applicable law if AT&T were to allow the violation to continue; (b) that such violation may cause harm to or interfere with the integrity or normal operations or security of AT&T's network or networks with which AT&T is interconnected or interfere with another customer's use of AT&T Services or the Internet; or (c) that such violation otherwise presents imminent risk of harm to AT&T or AT&T's customers or their respective employees. If AT&T terminates a Service component under this Section, Customer is liable for the applicable early termination or cancellation charge for that Service Component.

5.11 Notwithstanding that this Agreement may commit AT&T to provide a Service to Customer for a Term, unless applicable local law or regulation mandates otherwise, AT&T may discontinue providing the Service or an individual component of the Service ("Service Component") upon 30 days' notice.

5.12 Disclaimer of Warranties and Liability: AT&T MAKES NO EXPRESS OR IMPLIED WARRANTY AND DISCLAIMS ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT OR THOSE ARISING FROM USAGE OF TRADE OR COURSE OF DEALING. FURTHER, AT&T MAKES NO WARRANTY THAT TELEPHONE CALLS OR OTHER TRANSMISSIONS WILL BE ROUTED OR COMPLETED WITHOUT ERROR OR INTERRUPTION (INCLUDING 911 CALLS), NOR ANY WARRANTY REGARDING NETWORK SECURITY, THE ENCRYPTION EMPLOYED BY ANY SERVICE, THE INTEGRITY OF ANY DATA THAT IS SENT, BACKED UP, STORED OR LOAD BALANCED, THAT AT&T'S SECURITY PROCEDURES WILL PREVENT THE LOSS OR ALTERATION OF OR IMPROPER ACCESS TO CUSTOMER'S DATA OR TRANSMISSIONS OR THAT SERVICES WILL BE UNINTERRUPTED OR ERROR-FREE. AT&T WILL NOT BE LIABLE FOR ANY DAMAGES RELATING TO: INTEROPERABILITY, ACCESS TO OR INTERCONNECTION OF THE SERVICES WITH APPLICATIONS, EQUIPMENT, SERVICES, CONTENT OR NETWORKS PROVIDED BY CUSTOMER OR OTHERS; SERVICE DEFECTS, SERVICE LEVELS, DELAYS OR INTERRUPTIONS (EXCEPT FOR LIABILITY FOR SUCH EXPLICITLY SET FORTH HEREIN); ANY INTERRUPTION OR ERROR IN ROUTING OR COMPLETING CALLS OR OTHER TRANSMISSIONS (INCLUDING 911 CALLS); LOST OR ALTERED TRANSMISSIONS; OR UNAUTHORIZED ACCESS TO OR THEFT, ALTERATION, LOSS, OR DESTRUCTION OF CUSTOMER'S OR OTHERS' APPLICATIONS, CONTENT, DATA, NETWORK OR SYSTEMS.

5.13 Limitation of Liability

5.13.1 AT&T'S ENTIRE LIABILITY, AND CUSTOMER'S EXCLUSIVE REMEDY, FOR DAMAGES ARISING OUT OF MISTAKES, OMISSIONS, INTERRUPTIONS, DELAYS, ERRORS OR DEFECTS IN THE SERVICES, AND NOT CAUSED BY CUSTOMER'S NEGLIGENCE, WILL NOT EXCEED

AT&T Fiber Broadband Bundle Express Agreement

THE APPLICABLE CREDITS SPECIFIED IN THE SERVICE PUBLICATION, OR IF NO CREDITS ARE SPECIFIED, AN AMOUNT EQUIVALENT TO THE PROPORTIONATE CHARGE TO CUSTOMER FOR THE PERIOD OF SERVICE DURING WHICH SUCH MISTAKE, OMISSION, INTERRUPTION, DELAY, ERROR OR DEFECT IN THE SERVICE OCCURS AND CONTINUES; NO OTHER LIABILITY WILL ATTACH TO AT&T. THIS LIMITATION WILL NOT APPLY TO: (I) BODILY INJURY, DEATH, OR DAMAGE TO REAL OR TANGIBLE PROPERTY DIRECTLY CAUSED BY AT&T'S NEGLIGENCE; OR (II) SETTLEMENT, DEFENSE OR PAYMENT OBLIGATIONS UNDER THE "THIRD PARTY CLAIMS" PARAGRAPH.

5.13.2 NEITHER PARTY WILL BE LIABLE TO THE OTHER PARTY UNDER ANY CIRCUMSTANCES FOR ANY INDIRECT, INCIDENTAL, CONSEQUENTIAL, PUNITIVE, OR SPECIAL DAMAGES.

5.13.3 These disclaimers and limitations of liability will apply regardless of the form of action, whether in contract, tort, strict liability or otherwise and whether damages were foreseeable. These disclaimers and limitations of liability will survive failure of any exclusive remedies provided in this Agreement.

5.14 Third Party Claims

5.14.1 AT&T agrees at its expense to defend or settle any claim against Customer, its Affiliates, and its and their employees and directors, and to pay all compensatory damages finally awarded against such parties where the claim alleges that a Service Component infringes any patent, trademark, copyright, or trade secret, except where the claim arises out of: (i) Customer's or a User's content; (ii) modifications to the Service by Customer or third parties, or combinations of the Service with any services or products not provided by AT&T; (iii) AT&T's adherence to Customer's written requirements; or (iv) use of the Service in violation of this Agreement. AT&T may at its option either procure the right for Customer to continue using, or may replace or modify, the alleged infringing Service so that the Service becomes non-infringing, or failing that to terminate the Service without further liability to Customer.

5.14.2 AT&T WILL HAVE NO DUTY TO DEFEND, INDEMNIFY, AND HOLD HARMLESS CUSTOMER FROM AND AGAINST ANY OR ALL SETTLEMENTS, DAMAGES, COSTS AND OTHER AMOUNTS INCURRED BY CUSTOMER ARISING FROM THE ACTUAL OR ALLEGED INFRINGEMENT OR MISAPPROPRIATION OF INTELLECTUAL PROPERTY BASED ON SOFTWARE, EQUIPMENT AND/OR SUPPLEMENTAL SERVICES FURNISHED UNDER THE AGREEMENT.

5.14.3 Customer agrees at its expense to defend or settle any claim against AT&T, its Affiliates, and its and their employees, directors, subcontractors, and suppliers, and to pay all compensatory damages finally awarded against such parties where: (i) the claim alleges that a Service infringes any patent, trademark, copyright or trade secret, and falls within the exceptions under (i)-(iv) above; or (ii) the claim alleges a breach by Customer, its Affiliates, or Users of a software license agreement governing software provided with the Services.

5.15 Import/Export Control: Customer, not AT&T, is responsible for complying with import and export control laws, conventions and regulations for all equipment, software, or technical information Customer moves or transmits between countries using the Services.

5.16 ARBITRATION: ALL CLAIMS OR DISPUTES ARISING FROM THIS AGREEMENT SHALL BE SETTLED BY BINDING ARBITRATION ADMINISTERED BY THE AMERICAN ARBITRATION ASSOCIATION UNDER ITS COMMERCIAL ARBITRATION RULES (SUBJECT TO THE REQUIREMENTS OF THE FEDERAL ARBITRATION ACT) AND ANY JUDGMENT ON ANY AWARD RENDERED MAY BE ENTERED AND ENFORCED IN ANY COURT HAVING JURISDICTION. THE PARTIES WAIVE ANY RIGHT TO TRIAL BY JURY OR TO PARTICIPATE IN OR INITIATE CLASS ACTIONS; IF THE PARTIES CANNOT WAIVE THESE RIGHTS, THIS ENTIRE SECTION IS NULL AND VOID.

5.17 General Provisions: This Agreement and any pricing or other proposals are confidential to Customer and AT&T. Neither party may publicly disclose any confidential information without the prior written consent of the other, unless authorized by applicable law, regulation or court order. Until directed otherwise by Customer in writing, if AT&T designates a dedicated account representative as Customer's primary contact with AT&T, Customer authorizes that representative to discuss and disclose Customer's customer proprietary network information to any employee or agent of Customer without a need for further authentication or authorization. This Agreement may not be assigned by Customer without the prior written consent of AT&T, which consent will not be unreasonably withheld or delayed. AT&T may: (i) assign in whole or relevant part its rights and obligations under this Agreement to an Affiliate, or (ii) subcontract work to be performed under this Agreement, but AT&T will in each such case remain financially responsible for the performance of such obligations. Any claim or dispute arising out of this Agreement must be filed within two years after the cause of action arises. This Agreement does not provide any third party (including Users) any remedy, claim, liability, cause of action or other right or privilege. Regulated Service Components will be governed by the law and regulations applied by the regulatory commission having jurisdiction over that Service Component. Otherwise, this Agreement will be governed by the law and regulations of the State set forth above for Customer's address, without regard to its conflict of law principles. This Agreement is limited to Service provided in the United States. The United Nations Convention on Contracts for International Sale of Goods will not apply. The following work was completed:

1. Replaced 28 FT x 6 FT Sheet Pile (Work completed by contractor, Nayland Bridge Construction - Invoice Attached) Note that the contractor used two piles that were available (6 FT x 20 FT and 6 FT x 6 FT).

NOTE: The Applicant followed their procurement policy in retaining this contractor.

2. Replaced 6 CY of Concrete behind sheet pile
3. Replaced 48 Tons of Flex Base Aggregate Rock as Backfill

In the case of a change in scope of work, the applicant should immediately notify Wendell Allen, Section Administrator, Texas Department of Emergency Management prior to starting work.

– **INSURANCE REVIEW:** The applicant is aware that all projects are subject to an insurance review as stated in 44 C.F.R. Sections 206.252 and 206.253. If applicable, an insurance determination will be made either as anticipated proceeds or actual proceeds in accordance with the applicant's insurance policy which may affect the total amount of the project. Approval of this project may result in an obtain/maintain insurance requirement. The Subgrantee must comply with insurance reviewer terms and conditions upon receipt of subgrant from the State.

– **COST BASIS FOR LABOR, EQUIPMENT AND MATERIALS:** Costs used to formulate this project were based on: [select all that apply and include date dates]

– **SMALL PROJECTS, ANY CATAGORY:** For small projects FEMA pays based on the actual or estimated cost in order to expedite the funds (Digest pg. 121.) FEMA does not perform final inspections on small projects; however, the state must certify compliance. The applicant does have the ability to request a small project netting (appeal) if/when significant net small over-runs occur. This process will involve a review of all documentation for all small projects and an adjustment will be made for the total actual eligible dollars spent (over-run/under-run). A final Project Worksheet will then be required in EMMIE to capture all the eligible PA costs for the small projects.

– **SMALL PROJECT CHANGE REQUEST:** Change requests to small project worksheets will not be approved unless there is a change in the approved scope of work. This change must be approved prior to the construction. If after completion of all small projects the applicant incurs a significant net small project overrun, the applicant must file an appeal within 60 day of completion of the applicant's last small project. a notice of award, or elsewhere, DPS/TDEM or DHS may take one or more of the following actions, as appropriate in the circumstances:

1. Increased monitoring of projects and require additional financial and performance reports
2. Require payments as reimbursements rather than advance payments
3. Temporarily withhold payments pending correction of the deficiency
4. Disallow or deny use of funds and matching credit for all or part of the cost of the activity or action not in compliance;

In taking an enforcement action, DPS/TDEM will provide Subrecipient an opportunity for a hearing, appeal, or other administrative proceeding to which Subrecipient is entitled under any statute or regulation applicable to the action involved.

The costs of Subrecipient resulting from obligations incurred by Subrecipient during a suspension or after termination of this Grant are not allowable unless DPS/TDEM or DHS expressly authorizes them in the notice of suspension or termination or subsequently.

Other Subrecipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

- The costs result from obligations which were properly incurred by Subrecipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are non-cancellable; and
- The costs would be allowable if this Grant were not suspended or expired normally at the end of the funding period in which the termination takes effects.

The enforcement remedies identified in this section, including suspension and termination, do not preclude Subrecipient from being subject to "Debarment and Suspension" under E.O. 12549. 2 C.F.R., Appendix II to Part 200, (I).

- N. **Conflicts of Interest.** The subrecipient will maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts and will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest or personal gain.
- O. **Closing of this Grant.** DPS/TDEM will close a subaward after receiving all required final documentation from the Subrecipient. If the close out review and reconciliation indicates that Subrecipient is owed additional funds, DPS/TDEM will send the final payment automatically to Subrecipient. If Subrecipient did not use all the funds received, DPS/TDEM will recover the unused funds.

At the completion of Subrecipient's performance period, DPS/TDEM will de-obligate all uncommitted funds and de-obligate all unexpended funds if final documentation is not received by the deadline.

The closeout of this Grant does not affect:

1. DHS or DPS/TDEM's right to disallow costs and recover funds on the basis of a later audit or other review;
2. Subrecipient's obligation to return any funds due as a result of later refunds, corrections, or other transactions;
3. Records retention requirements, property management requirements, and audit requirements, as set forth herein; and

3. Any significant change to a project's approved Scope of Work must be reported and approved through TDEM and FEMA before starting the project. Failure to do so will jeopardize grant funding.
4. The Project Completion and Certification Report must be returned to TDEM once all the approved work has been completed for each project. If any project requires the purchase of insurance as a condition of receiving federal funds, a copy of the current policy must be attached to this report.
5. A cost overrun appeal on small (\$120,000.00) Public Assistance projects must be reported to the Texas Division of Emergency Management (TDEM) within 60 days of completing the last small project in order to be considered for additional funding.

Such rights to access shall continue as long as the records are retained by Subrecipient.

L. Changes, Amendments, Suspension or Termination

1. **Modification.** FEMA or DPS/TDEM may modify this Grant after an award has been made. Once notification has been made in writing, any subsequent request for funds indicates Subrecipient's acceptance of the changes to this Grant. Any alteration, addition, or deletion to this Grant by Subrecipient is not valid.
2. **Effect of Changes in Federal and State Laws.** Any alterations, additions, or deletions to this Grant that are required by changes in federal and state laws, regulations or policy are automatically incorporated into this Grant without written amendment to this Grant and shall become effective upon the date designated by such law or regulation. In the event FEMA or DPS/TDEM determines that changes are necessary to this Grant after an award has been made, including changes to the period of performance or terms and conditions, Subrecipient shall be notified of the changes in writing. Once notification has been made, any subsequent request for funds will indicate Subrecipient's acceptance of the changes to this Grant.
3. **Suspension.** In the event Subrecipient fails to comply with any term of this Grant, DPS/TDEM may, upon written notification to Subrecipient, suspend this Grant, in whole or in part, withhold payments to Subrecipient and prohibit Subrecipient from incurring additional obligations of this Grant's funds.

- M. **Enforcement.** If Subrecipient materially fails to comply with any term of this Grant, whether stated in a federal or state statute or regulation, an assurance, in a state plan or application,

a notice of award, or elsewhere, DPS/TDEM or DHS may take one or more of the following actions, as appropriate in the circumstances:

1. Increased monitoring of projects and require additional financial and performance reports
2. Require payments as reimbursements rather than advance payments
3. Temporarily withhold payments pending correction of the deficiency
4. Disallow or deny use of funds and matching credit for all or part of the cost of the activity or action not in compliance;
5. Request FEMA to wholly or partially de-obligate funding for a project

In taking an enforcement action, DPS/TDEM will provide Subrecipient an opportunity for a hearing, appeal, or other administrative proceeding to which Subrecipient is entitled under any statute or regulation applicable to the action involved.

The costs of Subrecipient resulting from obligations incurred by Subrecipient during a suspension or after termination of this Grant are not allowable unless DPS/TDEM or DHS expressly authorizes them in the notice of suspension or termination or subsequently.

Other Subrecipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

- The costs result from obligations which were properly incurred by Subrecipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are non-cancellable; and
- The costs would be allowable if this Grant were not suspended or expired normally at the end of the funding period in which the termination takes effects.

The enforcement remedies identified in this section, including suspension and termination, do not preclude Subrecipient from being subject to "Debarment and Suspension" under E.O. 12549. 2 C.F.R., Appendix II to Part 200, (I).

- N. **Conflicts of Interest.** The subrecipient will maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts and will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest or personal gain.
- O. **Closing of this Grant.** DPS/TDEM will close a subaward after receiving all required final documentation from the Subrecipient. If the close out review and reconciliation indicates that Subrecipient is owed additional funds, DPS/TDEM will send the final payment automatically to Subrecipient. If Subrecipient did not use all the funds received, DPS/TDEM will recover the unused funds.

At the completion of Subrecipient's performance period, DPS/TDEM will de-obligate all uncommitted funds and de-obligate all unexpended funds if final documentation is not received by the deadline.

The closeout of this Grant does not affect:

1. DHS or DPS/TDEM's right to disallow costs and recover funds on the basis of a later audit or other review;
2. Subrecipient's obligation to return any funds due as a result of later refunds, corrections, or other transactions;
3. Records retention requirements, property management requirements, and audit requirements, as set forth herein; and
4. Any other provisions of this Grant that impose continuing obligations on Subrecipient or that govern the rights and limitations of the parties to this Grant after the expiration or termination of this Grant.

Associated eligible work is related administration of the PA project only and in accordance with 2 CFR 200.413. These costs are treated consistently and uniformly as direct costs in all federal awards and other subgrantee activities and are not included in any approved indirect cost rates.

Approval of this project may result in an obtain/maintain insurance requirement. The Subgrantee must comply with insurance reviewer terms and conditions upon receipt of sub-grant from the State.

– **COST BASIS FOR LABOR, EQUIPMENT AND MATERIALS:** Costs used to formulate this project were based on: (select all that apply and include data dates)

– **SMALL PROJECTS, ANY CATEGORY:** For small projects FEMA pays based on the actual or estimated cost in order to expedite the funds (Digest pg. 121.) FEMA does not perform final inspections on small projects; however, the state must certify compliance. The applicant does have the ability to request a small project netting (appeal) if/when significant net small over-runs occur. This process will

involve a review of all documentation for all small projects and an adjustment will be made for the total actual eligible dollars spent (over-run/under-run). A final Project Worksheet will then be required in EMMIE to capture all the eligible PA costs for the small projects

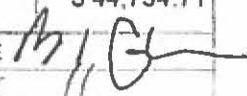

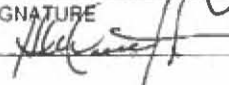

– SMALL PROJECT CHANGE REQUEST: Change requests to small project worksheets will not be approved unless there is a change in the approved scope of work. This change must be approved prior to the construction. If after completion of all small projects the applicant incurs a significant net small project overrun, the applicant must file an appeal within 60 day of completion of the applicant's last small project.  - d. Appeal may be made to the Deputy Assistant Director of Texas Division of Emergency Management- Recovery Mitigation and Standards, Texas Department of Public Safety.

- M. **Enforcement.** If Subrecipient materially fails to comply with any term of this Grant, whether stated in a federal or state statute or regulation, an assurance, in a state plan or application,

a notice of award, or elsewhere, DPS/TDEM or DHS may take one or more of the following actions, as appropriate in the circumstances:

1. Increased monitoring of projects and require additional financial and performance reports
2. Require payments as reimbursements rather than advance payments
3. Temporarily withhold payments pending correction of the deficiency
4. Disallow or deny use of funds and matching credit for all or part of the cost of the activity or action not in compliance;
5. Request FEMA to wholly or partially de-obligate funding for a project
6. Temporarily withhold cash payments pending correction of the deficiency by subrecipient or more severe enforcement action by DPS/TDEM or DHS;
7. Withhold further awards for the grant program
8. Take other remedies that may be legally available

In taking an enforcement action, DPS/TDEM will provide Subrecipient an opportunity for a hearing, appeal, or other administrative proceeding to which Subrecipient is entitled under any statute or regulation applicable to the action involved.

The costs of Subrecipient resulting from obligations incurred by Subrecipient during a suspension or after termination of this Grant are not allowable unless DPS/TDEM or DHS expressly authorizes them in the notice of suspension or termination or subsequently.

Other Subrecipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

- The costs result from obligations which were properly incurred by Subrecipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are non-cancellable; and
- The costs would be allowable if this Grant were not suspended or expired normally at the end of the funding period in which the termination takes effects.

The enforcement remedies identified in this section, including suspension and termination, do not preclude Subrecipient from being subject to "Debarment and Suspension" under E.O. 12549. 2 C.F.R., Appendix II to Part 200, (I).

- N. **Conflicts of Interest.** The subrecipient will maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts and will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest or personal gain.
- O. **Closing of this Grant.** DPS/TDEM will close a subaward after receiving all required final documentation from the Subrecipient. If the close out review and reconciliation indicates that Subrecipient is owed additional funds, DPS/TDEM will send the final payment automatically to Subrecipient. If Subrecipient did not use all the funds received, DPS/TDEM will recover the unused funds.

At the completion of Subrecipient's performance period, DPS/TDEM will de-obligate all uncommitted funds and de-obligate all unexpended funds if final documentation is not received by the deadline.

The closeout of this Grant does not affect:

1. DHS or DPS/TDEM's right to disallow costs and recover funds on the basis of a later audit or other review;
2. Subrecipient's obligation to return any funds due as a result of later refunds, corrections, or other transactions;
3. Records retention requirements, property management requirements, and audit requirements, as set forth herein; and
4. Any other provisions of this Grant that impose continuing obligations on Subrecipient or that govern the rights and limitations of the parties to this Grant after the expiration or termination of this Grant.

CERTIFIED PUBLIC ACCOUNTANTS ■ BUSINESS CONSULTANTS

January 6, 2016

Navarro County, Texas
Attention: Brittney T. Simon
601 N. 13th Street, Ste. 6
Corsicana, Texas 75110

To Commissioners' Court and County Auditor:

We are pleased to confirm our understanding of the services we are to provide Navarro County, Texas for the year ended September 30, 2015. We will audit the financial statement of the governmental activities, each major fund, and the aggregate remaining fund information, including the related notes to the financial statements, which collectively comprise the basic financial statements, of Navarro County, Texas as of and for the year ended September 30, 2015. Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement Navarro County, Texas' basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to Navarro County, Texas' RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

- 1) Management's Discussion and Analysis.
- 2) Budgetary Comparison Information Required by GAAP.
- 3) Schedule of Changes in Net Pension Liability and Related Ratios.

4) Schedule of Contributions.

We have also been engaged to report on supplementary information other than RSI that accompanies Navarro County, Texas' financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and we will provide an opinion on it in relation to the financial statements as a whole, in a report combined with our auditor's report on the financial statements:

- 1) Nonmajor Combining and Individual Fund Statements and Schedules.
- 2) Schedule of Expenditures of Federal Awards.

The following other information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditor's report will not provide an opinion or any assurance on that other information.

- 1) Introductory Section.
- 2) Statistical Section.

Audit Objectives

The objective of our audit is the expression of opinions as to whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. The objective also includes reporting on—

- Internal control related to the financial statements and compliance with the provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control related to major programs and an opinion (or disclaimer of opinion) on compliance with laws, regulations, and the provisions of contracts or grant agreements that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will include a paragraph that states (1) that the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The OMB Circular A-133 report on internal control over

2529

compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Both reports will state that the report is not suitable for any other purpose.

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of OMB Circular A-133; and will include tests of accounting records, a determination of major program(s) in accordance with OMB Circular A-133, and other procedures we consider necessary to enable us to express such opinions. We will issue written reports upon completion of our Single Audit. Our reports will be addressed to Commissioners' Court and County Auditor of Navarro County, Texas. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions on the financial statements or the Single Audit compliance opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or may withdraw from this engagement.

If circumstances occur related to the condition of your records, the availability of sufficient, appropriate audit evidence, or the existence of a significant risk of material misstatement of the financial statements caused by error, fraudulent financial reporting, or misappropriation of assets, which in our professional judgment prevent us from completing the audit or forming an opinion on the financial statements, we retain the right to take any course of action permitted by professional standards, including declining to express an opinion or issue a report, or withdrawing from the engagement.

Audit Procedures—General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or major programs. However, we will inform the appropriate level of management of any material errors,

any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and of any material abuse that comes to our attention. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We may request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit Procedures—Internal Control

Our audit will include obtaining an understanding of the government and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by OMB Circular A-133, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to OMB Circular A-133.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and OMB Circular A-133.

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of Navarro County, Texas' compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those

procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

OMB Circular A-133 requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with applicable laws and regulations and the provisions of contracts and grant agreements applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Circular A-133 Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of Navarro County, Texas' major programs. The purpose of these procedures will be to express an opinion on Navarro County, Texas' compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to OMB Circular A-133.

Other Services

We will also assist in preparing the financial statements, schedule of expenditures of federal awards, and related notes Navarro County, Texas in conformity with U.S. generally accepted accounting principles and OMB Circular A-133 based on information provided by you. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Services*.

We will schedule the engagement based in part on deadlines, working condition, and the availability of you key personnel. We will plan the engagement based on the assumption that you personnel will cooperate and provide assistance by performing tasks such as preparing requested schedules, retrieving supporting documents, and preparing confirmations. At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors' reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. If applicable, we will provide copies of our report for you to include with the reporting package you will submit to pass-through entities. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available to public inspection.

The audit documentation for the engagement is the property of Pattillo, Brown & Hill, L.L.P. and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to the Cognizant or Oversight Agency or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Pattillo, Brown & Hill, L.L.P. personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Our fees for these services will be at our standard hourly rates plus out-of-pocket cost (such as reports reproduction, word processing, postage, travel, copies, telephone, etc.) except that we agree that our gross fee, including expenses, will not exceed \$33,000. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit.
