Internal Revenue Service**

So, why do we update this page every year? Isn't the standard mileage rate a fixed rate? Unfortunately, the mileage rate is not set value. The amount-per-mile fluctuates on a yearly basis by a penny or two, up or down.

For instance, in 2017 the rate was \$0.535 per mile. In 2018 it's \$0.545 per mile. In 2019? Well, we don't quite know yet

(though, we'd guess it might rise a penny to \$0.555) but when we do we'll post it here as soon as the numbers are released.

What is the IRS 2019 Standard Mileage Rate?

Beginning on Jan. 1, 2019, the standard mileage rates for the use of vehicles during the course of business is: TBD.

Business Mileage	54.5 cents per mile
Medical Mileage	18 cents per mile
Charity Mileage	14 cents per mile

Expense Actual Costs: What Can I Deduct In 2019?

- Lease Payments or Interest On A Vehicle Loan
- Gasoline & Fuel Costs
- Insurance
- Oil & Maintenance
- Registration
- Vehicle Repairs
- Tolls

- Parking Fees
- Most Other Vehicle & Driving Related Fees
- [View the complete list here](#)

Why would you choose to expense *actual costs vs. the standard mileage rate* in 2019? Well, this isn't cut-and-dry, it's going to be a tough decision for some. Since you can't utilize both deductions you'll have to do the math and determine whether it makes more sense to deduct all vehicle-related expenses (that apply) or take the standard deduction of \$0.545 per business mile.

The IRS attempts to make it easier for the average person to file business-use deductions for auto travel, which is why they created the standard mileage rate, to help offset fuel, lease payments and even depreciation.

What is the IRS Standard Mileage Rate?

The IRS allows for each mile driven by the taxpayer for business, charitable, medical or moving purposes, to be added as a tax deduction known as the *standard mileage rate*. The standard mileage rate can be taken in lieu of actual costs incurred when calculating deductible automobile-related business expenses.

“ [Learn more about the 2018 Standard Mileage Rate](#)

Who Can Use The IRS Standard Mileage Rate Deduction?

- Anyone that drives for business purposes
- Uber, Lyft & other ridesharing services
- Real estate agents
- Salespeople
- Self-employed

Terms and Conditions

INTRODUCTION:

1. **NEGOTIATED CONTRACT.** The Products are subject solely to the terms in the Negotiated Contract identified on the face of this Agreement, and, for any option you have selected that is not addressed in the Negotiated Contract, the then-current standard Xerox terms for such option.

GOVERNMENT TERMS:

2. **REPRESENTATIONS & WARRANTIES.** This provision is applicable to governmental entities only. You represent and warrant, as of the date of this Agreement, that: (1) you are a State or a fully constituted political subdivision or agency of the State in which you are located and are authorized to enter into, and carry out, your obligations under this Agreement and any other documents required to be delivered in connection with this Agreement (collectively, the "Documents"); (2) the Documents have been duly authorized, executed and delivered by you in accordance with all applicable laws, rules, ordinances and regulations (including all applicable laws governing open meetings, public bidding and appropriations required in connection with this Agreement and the acquisition of the Products) and are valid, legal, binding agreements, enforceable in accordance with their terms; (3) the person(s) signing the Documents have the authority to do so, are acting with the full authorization of your governing body and hold the offices indicated below their signatures, each of which are genuine; (4) the Products are essential to the immediate performance of a governmental or proprietary function by you within the scope of your authority and will be used during the Term only by you and only to perform such function; and (5) your payment obligations under this Agreement constitute a current expense and not a debt under applicable state law and no provision of this Agreement constitutes a pledge of your tax or general revenues, and any provision that is so construed by a court of competent jurisdiction is void from the inception of this Agreement.

3. **FUNDING.** This provision is applicable to governmental entities only. You represent and warrant that all payments due and to become due during your current fiscal year are within the fiscal budget of such year and are included within an unrestricted and unencumbered appropriation currently available for the Products, and it is your intent to use the Products for the entire term of this Agreement and make all payments required under this Agreement. If your legislative body does not appropriate funds for the continuation of this Agreement for any fiscal year after the first fiscal year and has no funds to do so from other sources, this Agreement may be terminated. To effect this termination, you must, at least 30 days prior to the beginning of the fiscal year for which

your legislative body does not appropriate funds, notify Xerox in writing that your legislative body failed to appropriate funds. Your notice must be accompanied by payment of all sums then owed through the current fiscal year under this Agreement. You will return the Equipment, at your expense, to a location designated by Xerox and, when returned, the Equipment will be in good condition and free of all liens and encumbrances. You will then be released from any further payment obligations beyond those payments due for the current fiscal year (with Xerox retaining all sums paid to date).

PRICING PLAN/OFFERING SELECTED:

4. **FIXED PRICING.** If "Pricing Fixed for Term" is identified in Maintenance Plan Features, the maintenance component of the Minimum Payment and Print Charges will not increase during the Initial Term of this Agreement.

GENERAL TERMS & CONDITIONS:

5. **REMOTE SERVICES.** Certain models of Equipment are supported and serviced using data that is automatically collected by Xerox or transmitted to or from Xerox by the Equipment connected to your network ("Remote Data") via electronic transmission to a secure off-site location ("Remote Data Access"). Remote Data Access also enables Xerox to transmit Releases of Software to you and to remotely diagnose and modify Equipment to repair and correct malfunctions. Examples of Remote Data include product registration, meter read, supply level, Equipment configuration and settings, software version, and problem/fault code data. Remote Data may be used by Xerox for billing, report generation, supplies replenishment, support services, recommending additional products and services, and product improvement/development purposes. Remote Data will be transmitted to and from you in a secure manner specified by Xerox. Remote Data Access will not allow Xerox to read, view or download the content of any of your documents or other information residing on or passing through the Equipment or your information management systems. You grant the right to Xerox, without charge, to conduct Remote Data Access for the purposes described above. Upon Xerox's request, you will provide contact information for Equipment such as name and address of your contact and IP and physical addresses/locations of Equipment. You will enable Remote Data Access via a method prescribed by Xerox, and you will provide reasonable assistance to allow Xerox to provide Remote Data Access. Unless Xerox deems Equipment incapable of Remote Data Access, you will ensure that Remote Data Access is maintained at all times Maintenance Services are being performed.
