CHAPTER 81

SUBCHAPTER H

SURPLUS ELECTION CONTRACT FUNDS

RULE §81.161

Disbursement of Surplus Funds from Election Service Contracts under the Texas Election Code, §31.003

(a) The Election Code, §31.100(g), states that the commissioners court may not consider the availability of the election services contract fund in adopting the budget for the office of the county election officer. Pursuant to the above section, surplus election contract funds may not be used to fund the day to day operation of the office of the county election officer. Examples of day to day expenses include, but are not limited to, duties required by statute, such as the necessary administrative personnel, office space and equipment, ballots, election kits, poll lists, and early voting and election day workers.

(b) The Election Code, §31.100(f), requires that a surplus in the county election services contract fund may be used only to defray expenses of the county election officer's office in connection with election-related duties or functions. Examples of expense that may be paid with surplus contract funds include, but are not limited to, any duty which is election-related but not specifically required by statute, such as polling location mailouts, travel to election seminars, purchase of voting equipment changes or upgrades, and technology upgrades for the election office (computers).

(c) If the county election officer determines that a funding request qualifies under subsection (b) of this section and should be paid from surplus election service contract funds, said request shall be made in writing to the county commissioners court. The commissioners court shall handle the county election officer's request following normal county purchasing policies and guidelines and may either approve or deny the request. In no instance may the commissioners court approve the use of surplus election contract funds without the written approval of the county election officer.

## Investment Policy

### SECTION 1                      INVESTMENT AUTHORITY AND SCOPE OF POLICY

#### **Section 1.01    General Statement**

This *Policy* serves to satisfy the statutory requirements of Local Government Code 116.112 and Texas Government Code Chapter 2256, Public Funds Investment (PFIA) to define and adopt a formal investment policy.

This *Policy* will be reviewed and adopted by Commissioners Court resolution at least annually according to PFIA Sec. 2256.005(e).

#### **Section 1.02    Funds Included**

This *Policy* applies to all financial assets of all funds of the County, at the present time and any funds to be created in the future and any other funds held in custody by the County Treasurer, unless expressly prohibited by law or unless it is in contravention of any depository contract between the County and any depository bank.

This *Policy* also applies to funds held by Elected Officials of Navarro County.

#### **Section 1.03    County Investment Officer**

In accordance with PFIA Sec. 116.112(a), Local Government Code and/or Chapter 2256, PFIA Sec. 2256.005(f) and (g), the County Investment Officer, under the direction of the Commissioners Court, may invest County funds that are not immediately required to pay obligations of the County. The Commissioners Court shall designate by resolution an Investment Officer.

If the Investment Officer has a personal business relationship with an entity ... or is related within the second degree by affinity or consanguinity to an individual ... seeking to sell an investment to the County, the investment officer must file a statement disclosing that personal business interest ... or relationship ... with the Texas Ethics Commission and the Commissioners Court in accordance with Government Code 2256.005(i).

## SECTION 2                      INVESTMENT OBJECTIVES

### **Section 2.01    General Statement**

Funds of the County will be invested in accordance with federal and state laws, this investment policy and written administrative procedures. The County will invest according to investment strategies for each fund or group of funds as they are adopted by Commissioners Court resolution in accordance with PFIA Sec. 2256.005(d).

### **Section 2.02    Safety and Maintenance of Adequate Liquidity**

The County is concerned about the return of its principal; therefore, suitability, preservation and safety of principal, liquidity, marketability, diversification, and yield (in that order) are the primary investment strategies for any investment transaction.

The County's investment portfolio must be structured in conformance with an asset/liability management plan, which provides for liquidity necessary to pay obligations as they become due.

### **Section 2.03    Diversification**

It is the policy of the County to diversify its portfolio to minimize the risk of loss resulting from over concentration of assets in a specific maturity, a specific issuer, or a specific class of investments. Investments of the County shall always be selected that provide for stability of income and reasonable liquidity.

### **Section 2.04    Yield**

It is the objective of the County to earn the maximum rate of return allowed on its investments within the policies imposed by its safety and liquidity objectives, and diversification of investment strategies for each fund or group of funds, and state and federal law governing investment of public funds.

### **Section 2.05    Maturity**

Portfolio maturities will be structured to meet the obligations of the County first and then to achieve the highest return of interest. When the County has funds that will not be needed to meet current obligations, maturity restraints will be imposed based upon the investment strategy for each fund or group of funds.

The maximum allowable stated maturity of any individual investment owned by the County is twenty-four (24) months. The County Investment Officer, with acceptance of another member of the Investment Committee may invest beyond a stated maturity of twelve (12) months, but not to exceed twenty-four (24) months. Prior approval of Commissioners Court, upon recommendation of the Investment Committee, must be received before investing beyond a stated maturity of twenty-four (24) months.

### **Section 2.06    Quality and Capability of Investment Management**

It is the County's policy to provide training required by the PFIA Sec. 2256.008 and periodic training in investments for the County Investment Officer through courses and seminars offered by professional organizations and associations in order to insure the quality, capability, and currency of the County Investment Officer in making investment decisions. The County Investment Officer shall make known to the Commissioners Court successful completion of these courses.

### **Section 2.07 Investment Strategies**

In accordance with the PFIA Sec. 2256.005(d), a separate written investment strategy will be developed for each of the funds or group of funds under the County's control. Each investment strategy must describe the investment objectives for the particular fund or group of funds using the following priorities of importance:

- understanding of the suitability of the investment to the financial requirements of the entity;
- preservation and safety of principal;
- liquidity;
- marketability of the investment if the need arises to liquidate the investment before maturity;
- diversification of the investment portfolio; and
- yield.

In accordance with the PFIA Sec. 2256.005(e), investment strategies for all funds or group of funds will be reviewed and adopted by resolution at least annually.

### **Section 2.08 Monitoring Rating Changes**

In accordance with PFIA Sec. 2256.005(b)(4)(F), the Investment Officer and/or Investment Committee will monitor any rating changes in investments acquired with public funds and the liquidation of such investments consistent with the provisions of PFIA Sec 2256.021. 3.2 It is understood and agreed among the parties that the Property shall be appraised at market value for the purposes of the applicable real property tax assessments effective as of December 31, 2019, and continued at market value until the expiration of the Term of this Agreement.

3.3 It is understood and agreed among the parties that, at the end of the Abatement term, the real property must remain on the tax rolls at the full appraised value for a minimum of ten (10) years before the property is eligible for tax abatement again.

### IV. TERM OF THE AGREEMENT

4.1 The term of this Agreement (the "Term") shall begin on the date of this Agreement and end upon

completion of the final abatement year.

2162

4.2 Prior to December 1st of each year during the Term of this Agreement, OWNER shall certify to the governing body of the CITY, on behalf of each taxing unit, that OWNER is in compliance with all of the terms and conditions of this Agreement.

V.

**DEFAULT AND RECAPTURE OF ABATED TAX**

5.1 In the event that (a) OWNER fails to incur the minimum In Service Project Cost of an amount that, at a minimum, is equal to 20 percent of the most recent valuation of the property, or \$134,376.00, whichever is less; (b) OWNER allows its ad valorem taxes owed the COUNTY to become delinquent and fails to timely and properly follow the legal procedures for protest and/or contest of any such ad valorem taxes; (c) OWNER has an Event of Bankruptcy or Insolvency (as defined in Paragraph 1.2); or (d) OWNER otherwise fails to comply with any of the terms, conditions, or obligations of this Agreement, then this Agreement shall be in default.

5.2 In the event of default, COUNTY shall give the OWNER written notice of such default and, if the OWNER has not cured such default within sixty (60) days after said written notice, this Agreement may be terminated by the COUNTY. If the COUNTY terminates this Agreement in the event of default, OWNER shall repay to the COUNTY all taxes which otherwise would have been paid to the COUNTY without the benefit of abatement during the Term of this Agreement, together with interest at the statutory rate for delinquent taxes as determined by Section 33.01 of the Texas Tax Code (but without the addition of penalty), reasonable attorney's fees, and costs. Such amounts shall be due, owing, and payable to the COUNTY within sixty (60) days after the expiration of the above mentioned 60-day cure period. The parties acknowledge that COUNTY will suffer damages in the event of OWNER's default under this Agreement. The parties acknowledge that actual damages in the event of default and termination would be speculative and difficult to determine. OWNER's obligation to pay any amounts hereunder shall survive termination of this Agreement.

5.3 It is expressly acknowledged and agreed between the parties that the COUNTY shall have the right to place a tax lien against the Property pursuant to Section 32.01 of the Texas Tax Code. Such lien shall secure the payment of all taxes abated and subject to recapture under this Agreement, together with all other amounts payable hereunder. Any such lien may be fully enforced pursuant to the provisions of the Texas Tax Code. Also, to collect any amounts payable hereunder, the COUNTY shall have all other remedies provided generally in the Tax Code for the collection of delinquent property tax.

**VI.  
GENERAL PROVISIONS**

6.1 The COUNTY represents and warrants that the Property does not include any property that is owned by a member of the County Commissioners Court approving, or having responsibility for the approval of this Agreement.

6.2 The terms and conditions of the Agreement are binding upon the successors and permitted assigns of all parties hereto. This Agreement may not be assigned by OWNER without the prior written consent of the COUNTY, such consent to be at the sole discretion of the COUNTY; provided, however, that upon written notice to the COUNTY, OWNER may assign its rights under this Agreement to a wholly owned subsidiary of OWNER, subject to OWNER remaining liable for all of its obligations hereunder.
