3.3 It is understood and agreed among the parties that, at the end of the Abatement term, the real property must remain on the tax rolls at the full appraised value for a minimum of ten (10) years before the property is eligible for tax abatement again.

41

**IV.  
TERM OF THE AGREEMENT**

4.1 The term of this Agreement (the "Term") shall begin on the date of this Agreement and end upon completion of the final abatement year.

4.2 Prior to December 1st of each year during the Term of this Agreement, OWNER shall certify to the governing body of the CITY, on behalf of each taxing unit, that OWNER is in compliance with all of the terms and conditions of this Agreement.

**V.  
DEFAULT AND RECAPTURE OF ABATED TAX**

5.1 In the event that (a) OWNER fails to incur the minimum In Service Project Cost of an amount that, at a minimum, is equal to 20 percent of the most recent valuation of the property, or \$136,000, whichever is less; (b) OWNER allows its ad valorem taxes owed the COUNTY to become delinquent and fails to timely and properly follow the legal procedures for protest and/or contest of any such ad valorem taxes; (c) OWNER has an Event of Bankruptcy or Insolvency (as defined in Paragraph 1.2); or (d) OWNER otherwise fails to comply with any of the terms, conditions, or obligations of this Agreement, then this Agreement shall be in default.

5.2 In the event of default, COUNTY shall give the OWNER written notice of such default and, if the OWNER has not cured such default within sixty (60) days after said written notice, this Agreement may be terminated by the COUNTY. If the COUNTY terminates this Agreement in the event of default, OWNER shall repay to the COUNTY all taxes which otherwise would have been paid to the COUNTY without the benefit of abatement during the Term of this Agreement, together with interest at the statutory rate for delinquent taxes as determined by Section 33.01 of the Texas Tax Code (but without the addition of penalty), reasonable attorney's fees, and costs. Such amounts shall be due, owing, and payable to the COUNTY within sixty (60) days after the expiration of the above mentioned 60-day cure period. The parties acknowledge that COUNTY will suffer damages in the event of OWNER's default under this Agreement. The parties acknowledge that actual damages in the event of default and termination would be speculative and difficult to determine. OWNER's obligation to pay any amounts hereunder shall survive termination of this Agreement.

5.3 It is expressly acknowledged and agreed between the parties that the COUNTY shall have the right to place a tax lien against the Property pursuant to Section 32.01 of the Texas Tax Code. Such lien shall secure the payment of all taxes abated and subject to recapture under this Agreement, together with all other amounts payable hereunder. Any such lien may be fully enforced pursuant to the provisions of the Texas Tax Code. Also, to collect any amounts payable hereunder, the COUNTY shall have all other remedies provided generally in the Tax Code for the collection of delinquent property tax.

**VI.  
GENERAL PROVISIONS**

6.1 The COUNTY represents and warrants that the Property does not include any property that is owned by a member of the County Commissioners Court approving, or having responsibility for the approval of this Agreement.

6.2 The terms and conditions of the Agreement are binding upon the successors and permitted assigns of all parties hereto. This Agreement may not be assigned by OWNER without the prior written consent of the COUNTY, such consent to be at the sole discretion of the COUNTY; provided, however, that upon written notice to the COUNTY, OWNER may assign its rights under this Agreement to a wholly owned subsidiary of OWNER, subject to OWNER remaining liable for all of its obligations hereunder.

6.3 It is understood and agreed between the parties that the OWNER, in performing its obligations hereunder, is acting independently, and the COUNTY assumes no responsibility or liability in connection therewith to third parties and OWNER agrees to indemnify and hold harmless the COUNTY therefrom. **CORSICANA, TEXAS  
COUNTY OF NAVARRO  
CITY OF CORSICANA**

On this, the 19th day of March 2019, at 5:00pm, the Corsicana Landmark Commission of the City of Corsicana met at the Corsicana Council Chambers with the following members present:

**FRAN TOWNES, NANCY REBAL, JAMIE WYATT, BRAD COOK, LORAN SEELY, JOHN YATES,  
KARIE DENNY AND JEFFERY LYONS**

**JERRY STEELY, HUGH STROUBE AND MALINDA VELDMAN ABSENT**

- 1. **CALL TO ORDER:** Townes called the meeting to order at 5:11PM.
- 2. **REVIEW SUBMITTED HISTORIC RESOURCE DESIGNATION APPLICATIONS:** No items to review

**3. REVIEW SUBMITTED LANDMARK PROPERTY ALTERATION REQUESTS AND CERTIFICATES OF APPROPRIATENESS APPLICATIONS:**

- a. 224 E 5<sup>TH</sup> Ave. -City of Corsicana- Connie Standridge proposed the demolition of rear additions to the original structure. In addition, the demolition of the small shed made of asbestos shingles, in disrepair. There are plans to build a city public parking lot at the rear of the property. Original buildings have been cleaned and inspected. The plan for the use of these original buildings is unknown at this time. The brick collected during the demolition of the rear addition will be salvaged for use of future projects. Motion to approve the demolition of rear additions to 224 E 5<sup>th</sup> and small shed by Seely, second by Wyatt. All voted in favor.

- b. 206 & 208 E 5<sup>th</sup> Ave-Ed Erwin – A proposal made by Mr. Erwin to stabilize the current wall due to the original wall leaning forward and build a small slipcover for the wall constructed of EIFS or plaster. Mr. Erwin also plans to remove the covered transom and replace with new glass. Much discussion was had about the need to “straighten” the top of the building. Mr. Erwin reported that the leaning has no structural effect on the structure. The interior walls are even. Cook and Denny voiced concern for changing a historic storefront for aesthetic desire vs structural need. Motion to approve by Seely, second by Wyatt. Cook opposed. Motion passed by majority vote.

- c. 209 S Beaton St. -Jamie Wyatt-
  - a. Mr. Wyatt discussed changes without Landmark approval and permits to his lot due to TABC requirements. Based on his statement Mr. Wyatt was given 24 hrs by TABC to erect a fence at 209 S. Beaton, in order to comply with his TABC license. The black metal fence is at the front of the property line, 6ft tall. Townes requested wheels be removed from fencing. Motion to approve fence by Cook, second by Rebal. All voted in favor.
  - b. Mr. Wyatt presented information regarding the erection of metal buildings on 209 S. Beaton. Metal buildings were erected “to cover grease trap”. Metal buildings were erected prior to Landmark approval. The proposal is to build a courtyard with landscape in front of metal buildings so they are not visible from public right of way. A wall with garden feature will cover metal buildings. Motion to approve metal buildings with the condition that they are covered with proposed garden by Seely, second by Cook. All voted in favor.
  - c. Proposal for outdoor lighting, string lights, flower boxes and landscaping. Motion to approve by Rebal, second by Seely. All voted in favor.

EXHIBIT C

206 and 208 East 5th Avenue

We intend to convert 206 East 5th into a two bedroom, two bath, open plan apartment. 208 East 5th will a slightly larger open plan apartment with three bedrooms and two baths. The front elevation will retain its historic look with storefront glass and plastered masonry. The top 7 feet of the front wall leans to the south and is at least 6 inches out of plumb! The wall is sound and we believe that it may have been built that way when the building was constructed as an auto repair garage in about 1921. After considering many options, we believe that stabilizing the wall in place and constructing a new wall in front of the old wall is the best way forward. We would duplicate the look of the original and add windows above the awning.

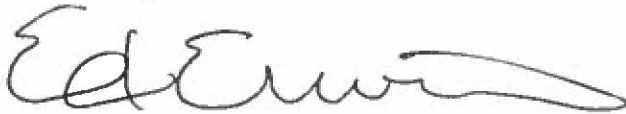

This property will soon be 100 years old. It was originally the Fain & Scott Auto Garage. By 1926 it was Crumey-Ellis used car department. In 1931 it was B & J Sales. In 1936 it was home to Beauchamp-Pace Wholesale Grocery. In 1941 206 was vacant and City Market Meats occupied 208. City Market Meats continued for over 20 years, later becoming Navarro Meat Processors in 1966 and Jones Meat Market for at least 1971 thru 1978. 206 was City Produce Market in 1947 and T.A. Harris Produce in 1956. By 1961 it was home to Green Realty Co. 208 became Teagues Country Market by 1982 and by 1997 Teague Operating Co. In 2001, 206 was home to Speed Computers and 208 Satellite CB Radio Shop. Since 2007, both 206 and 208 have been home to resale shops.

5th Avenue between Commerce and 9th Street is one of the most historically preserved blocks in town. Time travelers from the 1920's and 1930's would recognize the remaining buildings. My building and the adjoining building on the corner have newer storefronts and awnings. Across the alley the building that the City now owns still looks like it did in 1931 when it was home to 3 small grocery stores, Hightower, Bonner and Lancaster. The Wagon Yard was gone for a few years by 1931. The City's building at the corner of 5th Avenue and 9th Street hasn't changed much

since it was Mother Sue Food Co. in 1926 or Haney's Cash Grocery in 1931. Two buildings next door are gone that housed Samuel Wilson's Barber Shop, Savoy Tailor Shop and later Ezra Carroll's Cleaners. Across the street, the Corsicana Opry looks much the same as when it was built as the Central Texas Grocery in 1905. The building across the alley from the Opry hasn't changed much either. It still has the same outside stairway to the second floor as it did in 1926 when it housed Corsicana Auto Parts and Wrecking Co. It was next door to the Day and Night Garage in the building on Commerce that is now the Fiesta Grill.

We intend to restore 206 and 208 East 5th in a manner that will be a long lasting asset to this area.

Sincerely,

A handwritten signature in cursive script that reads "Ed Erwin". The signature is fluid and extends to the right with a long, sweeping tail.

Re: Travel Policy

Attached is an updated travel policy reflecting the new meal rate approved in Commissioner's Court, January 13, 2020. The approved meal per diem rate remains the same. The mileage rate has changed. **This change is effective Monday, January 13, 2020.**

**Important Change:**

Standard mileage rate is **\$0.575 per mile.**

(Also, remember your map must be a Google Map and the shortest route from your office to the location of the Conference/Class.)

**No Change:**

The County will reimburse the state per diem rate for meals. The state reimbursement rate is currently **\$55 per day.** On the first and last day of travel, the reimbursement will be 75% of the per diem rate, or **\$41.25.**

Please use the Travel Reconciliation form which states "Effective January 06, 2020." This can be found on the County website under Obtainable Forms - Internal Use.

Just a reminder, if the Travel Reconciliation form is not turned in to the County Auditor's Office before your next Travel Advance request, your request will not be processed until the County Auditor's Office receives the Travel Reconciliation with appropriate back up.

If you have any questions, do not hesitate to call Lisa Clay, Natalie Robinson, or myself.

Sincerely,

Terri Gillen

# **IRS issues standard mileage rates for 2020**

IR-2019-215, December 31, 2019

**WASHINGTON** — The Internal Revenue Service today issued the 2020 optional standard mileage rates (PDF) used to calculate the deductible costs of operating an automobile for business, charitable, medical or moving purposes.

Beginning on January 1, 2020, the standard mileage rates for the use of a car (also vans, pickups or panel trucks) will be:

- **57.5 cents per mile driven for business use, down one half of a cent from the rate for 2019,**
- 17 cents per mile driven for medical or moving purposes, down three cents from the rate for 2019, and
- 14 cents per mile driven in service of charitable organizations.

The business mileage rate decreased one half of a cent for business travel driven and three cents for medical and certain moving expense from the rates for 2019. The charitable rate is set by statute and remains unchanged.

It is important to note that under the Tax Cuts and Jobs Act, taxpayers cannot claim a miscellaneous itemized deduction for unreimbursed employee travel expenses. Taxpayers also cannot claim a deduction for moving expenses, except members of the Armed Forces on active duty moving under orders to a permanent change of station. For more details, see Rev. Proc. 2019-46 (PDF).

The standard mileage rate for business use is based on an annual study of the fixed and variable costs of operating an automobile. The rate for medical and moving purposes is based on the variable costs.

Taxpayers always have the option of calculating the actual costs of using their vehicle rather than using the standard mileage rates.

A taxpayer may not use the business standard mileage rate for a vehicle after using any depreciation method under the Modified Accelerated Cost Recovery System (MACRS) or after claiming a Section 179 deduction for that vehicle. In addition, the business standard mileage rate cannot be used for more than five vehicles used simultaneously. These and other limitations are described in section 4.05 of Rev. Proc. 2019-46 (PDF).

Notice 2020-05 (PDF), posted today on IRS.gov, contains the standard mileage rates, the amount a taxpayer must use in calculating reductions to basis for depreciation taken under the business standard mileage rate, and the maximum standard automobile cost that a taxpayer may use in computing the allowance under a fixed and variable rate plan. In addition, for employer-provided vehicles, the Notice provides the maximum fair market value of automobiles first made available to employees for personal use in calendar year 2020 for which employers may use the fleet-average valuation rule in § 1.61-21(d)(5)(v) or the vehicle cents-per-mile valuation rule in § 1.61-21(e).

**INTRODUCTION:**

**1. NEGOTIATED CONTRACT.** The Products are subject solely to the terms in the Negotiated Contract identified on the face of this Agreement, and, for any option you have selected that is not addressed in the Negotiated Contract, the then-current standard Xerox terms for such option.

**GOVERNMENT TERMS:**

**2. REPRESENTATIONS & WARRANTIES.** This provision is applicable to governmental entities only. You represent and warrant, as of the date of this Agreement, that: (1) you are a State or a fully constituted political subdivision or agency of the State in which you are located and are authorized to enter into, and carry out, your obligations under this Agreement and any other documents required to be delivered in connection with this Agreement (collectively, the "Documents"); (2) the Documents have been duly authorized, executed and delivered by you in accordance with all applicable laws, rules, ordinances and regulations (including all applicable laws governing open meetings, public bidding and appropriations required in connection with this Agreement and the acquisition of the Products) and are valid, legal, binding agreements, enforceable in accordance with their terms; (3) the person(s) signing the Documents have the authority to do so, are acting with the full authorization of your governing body and hold the offices indicated below their signatures, each of which are genuine; (4) the Products are essential to the immediate performance of a governmental or proprietary function by you within the scope of your authority and will be used during the Term only by you and only to perform such function; and (5) your payment obligations under this Agreement constitute a current expense and not a debt under applicable state law and no provision of this Agreement constitutes a pledge of your tax or general revenues, and any provision that is so construed by a court of competent jurisdiction is void from the inception of this Agreement.

**3. FUNDING.** This provision is applicable to governmental entities only. You represent and warrant that all payments due and to become due during your current fiscal year are within the fiscal budget of such year and are included within an unrestricted and unencumbered appropriation currently available for the Products, and it is your intent to use the Products for the entire term of this Agreement and make all payments required under this Agreement. If your legislative body does not appropriate funds for the continuation of this Agreement for any fiscal year after the first fiscal year and has no funds to do so from other sources, this Agreement may be terminated. To effect this termination, you must, at least 30 days prior to the beginning of the fiscal year for which

your legislative body does not appropriate funds, notify Xerox in writing that your legislative body failed to appropriate funds. Your notice must be accompanied by payment of all sums then owed through the current fiscal year under this Agreement. You will return the Equipment, at your expense, to a location designated by Xerox and, when returned, the Equipment will be in good condition and free of all liens and encumbrances. You will then be released from any further payment obligations beyond those payments due for the current fiscal year (with Xerox retaining all sums paid to date).

**PRICING PLAN/OFFERING SELECTED:**

**4. FIXED PRICING.** If "Pricing Fixed for Term" is identified in Maintenance Plan Features, the maintenance component of the Minimum Payment and Print Charges will not increase during the initial Term of this Agreement.

**GENERAL TERMS & CONDITIONS:**

**5. REMOTE SERVICES.** Certain models of Equipment are supported and serviced using data that is automatically collected by Xerox or transmitted to or from Xerox by the Equipment connected to your network ("Remote Data") via electronic transmission to a secure off-site location ("Remote Data Access"). Remote Data Access also enables Xerox to transmit Releases of Software to you and to remotely diagnose and modify Equipment to repair and correct malfunctions. Examples of Remote Data include product registration, meter read, supply level, Equipment configuration and settings, software version, and problem/fault code data. Remote Data may be used by Xerox for billing, report generation, supplies replenishment, support services, recommending additional products and services, and product improvement/development purposes. Remote Data will be transmitted to and from you in a secure manner specified by Xerox. Remote Data Access will not allow Xerox to read, view or download the content of any of your documents or other information residing on or passing through the Equipment or your information management systems. You grant the right to Xerox, without charge, to conduct Remote Data Access for the purposes described above. Upon Xerox's request, you will provide contact information for Equipment such as name and address of your contact and IP and physical addresses/locations of Equipment.
