Notes

Payment Due: Net 30 days

Issue: DA office is not cooling, has U 9 code.

4/17/2020- Arrived on site checked in with customer. Unit giving issue is ahu 3-1. The touch manager is showing the maintenance symbol on screen and you can't access it. Went to thermostat and it controls unit as it should. Will do some research on controller to see what can be done to fix issue.

4/20/2020- After doing research and talking to Daikin controls. Returned to site and went into control menu. Removed the ahu 3-1 from maintenance list and unit control returned to touch manager. Unit was in Maintenance mode which disables function on touch so maintenance can be done to unit. Customer didn't know how Unit got in that mode. Job is complete.

- (d) If any entity, city, or school cancels an election, or chooses not to contract with the Navarro County election officer for election services, equipment, and etc., the canceling entity shall be responsible only for those reasonable expenses that it incurs or that are incurred on its behalf prior to the date of cancellation.

- (b) Participating entities holding an election agree to use the Navarro County main early voting location(s) and hours as their only early voting polling locations and hours.
- (c) This contract shall automatically terminate upon completion of activities related to the election to be held on November 3, 2020. The parties to this agreement may elect to renew this agreement for subsequent elections on the same terms and conditions as are set forth herein, or on such other terms as they may agree.

- (d) Nothing contained in this contract shall authorize or permit a change in the office with whom or the place at which the law requires any document or record relating to an election is to be filed.
- (e) The county election officer shall file copies of this contract with the County Treasurer and the County Auditor of Navarro County.
- (f) Unless otherwise agreed in the contract between the parties, where a party, including the County election officer in the case of the County, to the contract fails to perform one or more of its contractual duties, the consequences set out in this clause will follow if and to the extent that that party establishes: (a) that it's failure to perform was caused by an impediment beyond its reasonable control and ( b ) that it could not reasonably have avoided or overcome the effects of the impediment. A party invoking this clause shall be presumed to have established the conditions described in the preceding paragraph in the case of the occurrence of one or more of the following impediments: war ( whether declared or not ), armed conflict or the serious threat of the same ( including but not limited to hostile attack, blockade, military embargo), hostilities, invasion, act of a foreign enemy, extensive military mobilization, civil war, riot, rebellion, revolution, military or usurped power, insurrection, civil commotion or disorder, mob violence, act of civil disobedience, act of terrorism, sabotage or piracy; plague, epidemic, pandemic, outbreaks of infectious disease or any other public health crisis, including quarantine, social distancing, isolation or other behavioral restrictions; act of authority whether lawful or unlawful, compliance with any law or governmental order, rule, regulation or direction, curfew restriction, expropriation, compulsory acquisition, seizure of works, requisition, nationalization; act of God or natural disaster such as but not limited to violent storm, cyclone, typhoon, hurricane, tornado, earthquake, landslide, flood, damage or destruction by lightning, drought; explosion, fire, destruction of machines, equipment and of any kind of installation, prolonged breakdown of transport, telecommunication or electric current; shortage or inability to obtain critical material or supplies to the extent not subject to the reasonable control of the subject party ( " force majeure event " ). This provision shall become effective only if the Party failing to perform notifies the other party within a reasonable time of the extent and nature of the Force Majeure event, limits delay in performance to that required by the Event, and takes all reasonable steps to minimize damages and resume performance.
- (g) This contract shall be accompanied by an itemized Expense Estimate, as specified in Texas Election Code 31.100 (c).

Pipelines which run adjacent to a county road and which are within a county road easement shall be placed at a depth of no less than 6 feet underneath the lowest part of the County's bar ditches and/or road surfaces.

The pipeline shall be constructed in a safe and prudent manner and shall consist of only acceptable commercial pipeline materials. The Owner shall be responsible for maintaining the pipeline and the license area. In the event the pipeline is ever abandoned or ceases to be used for more than 6 consecutive months, this license shall terminate and revert to the County. In addition, if the pipeline is ever abandoned or ceases to be used for more than 6 consecutive months, the Owner shall, at the County's request, remove the pipeline from the license area and restore the property to its original condition.

**SEE ATTACHMENT "A" IF THIS IS FOR A PETROLEUM PIPELINE.**

III. In consideration of the granting of this license (pipeline, utility line, gas or sewer Line) adjacent to or across the County's roads, the Owner warrants and covenants that any damages which may be caused to County or adjacent property as a result of the construction, maintenance or operation of a pipeline shall be the sole responsibility of the Owner and the Owner warrants and covenants that the area where the construction takes place shall be repaired and put back in the same condition as it originally was before such construction took place.

IV. The County and Owner hereby covenant and agree that for each violation of this License agreement, Owner shall pay to the County liquidated damages in the amount of One Thousand Dollars (\$1,000.00) per day, per violation, until such violation have been corrected and the County's requirements complied with. Such compliance shall be determined by the County Commissioner in whose precinct the work occurs.

V. **Owner**, at its own expense, shall maintain a general liability insurance policy in an amount sufficient to insure against loss or damages caused by the construction, maintenance and operation of the pipeline. The general liability insurance requirement may be met by a combination of self-insurance, primary, and excess insurance policies. **Owner** shall also, at its own expense, carry worker's compensation insurance as required by law.

VI. **Owner**, its successors and assigns agree to release, defend, indemnify, and hold harmless the County its respective commissioners, agents and employees (collectively, the "Indemnified Parties"), from any and all costs, losses, claims, judgments, settlements, and damages of every kind and character to real property, personal property or persons (including, without limitation, claims involving environmental laws and regulations, pollution, contamination of ground waters, personal injury and death), lawsuits and/or causes of action (including reasonable attorneys' fees, expert fees and court costs) (collectively "Claims"), which may grow out of, arise from, or in any manner be connected with the activities of **Owner's** agents, invitees, guests, contractors, servants and employees, on the license area, or any adjacent property, including, without limitation, any Claims arising from loss of subsurface support of any County road and any Claims arising from the production or transportation of materials through any pipeline. For purposes of this license, environmental laws and regulations include, without limitation, the federal Oil Pollution Act (OPA), the federal Comprehensive Environmental Response, Compensation and Liability Act (CERCLA), the federal Resource Conservation and Recovery Act (RCRA), the federal Clean Water Act, the Texas Solid Waste Disposal Act (TSWDA), the Texas Water Code (TWC), and the federal, state and local rules, regulations, ordinances, orders and governmental directives implementing such statutes.

As used in this license, the term **"Hazardous Materials"** means any substance or material defined or identified as hazardous, extra-hazardous, toxic or radioactive or subject to regulation as a solid waste or pollutant under any applicable federal, state, or local statute or regulation including, without limitation, the environmental laws and regulations referenced herein. **"Remedial Work"** is defined as any site investigation or monitoring, any cleanup, containment, remediation, removal, or restoration work performed in response to any federal, state or local government authority or private party action (**"action"**), or pursuant to any federal, state or local statute, rule, regulation, ordinance, order, governmental directive or other laws (**"law"**). Owner agrees, for the benefit of the County and any adjacent surface owner, (1) to remove from the license area, if, as and when required by any action or law, any Hazardous Materials placed or released thereon by Owner (including its contractors), (2) to perform Remedial Work where the need therefore arises in connection with Owner's (including its contractors) operations or activities on the license area or any adjacent property, and (3) to comply in all respects with all laws governing operations by Owner (including its contractors) and Remedial Work on or associated with the license area and any adjacent property. Remedial Work shall be performed by one or more contractors selected by Owner under the supervision of an engineer selected by Owner. All costs and expenses of Remedial Work resulting from Owner's (including its drillers' and other contractors') operations shall be paid by Owner, including, without limitation, the charges of such contractors and/or the consulting engineer and the County's reasonable attorneys' fees and costs incurred in connection with the monitoring or review of Remedial Work. If Owner shall fail to timely commence or cause to be commenced, or fail to diligently prosecute to completion, such Remedial Work, the County may (but shall

not be required to), after first giving Owner thirty (30) days notice of its failure and Owner's continued failure to perform, cause such Remedial Work to be performed and Owner will reimburse all reasonable costs of same on demand. The provisions of this Article shall not constitute approval or obligate The County or the surface owner to consent to the imposition of any engineering or institutional control that would restrict or limit future use of the License area for any purpose including, without limitation, any deed restriction or limitation on the use of groundwater or use of the property for residential purposes. Owner will notify the County and surface owner of any claim or other action by any governmental agency or any third party involving the actual or alleged existence of Hazardous Materials on the License area or any adjoining property and provide the County and surface owner with copies of (1) any notice of any actual or threatened release of Hazardous Materials given by Owner pursuant to any law and (2) any report of and response to any such release including all Remedial Work. Owner, its successors and assigns, in accordance with the provisions of Article 8, will release, indemnify, pay and protect, defend and save the Indemnified Parties harmless from all claims, liabilities, fees and expenses of any kind (including reasonable attorneys' fees, expert fees and costs) that arise from the actual or alleged presence or release of any Hazardous Materials in connection with the operations of Owner and Owner's agents, invitees, guests, contractors, servants and employees on the License area or any adjacent property. Such indemnification shall include, without limitation, costs in connection with any Remedial Work performed by the County, surface owner, or any third party in response to any federal, state or governmental authority, laws or regulations, due and payable upon demand by the County or adjacent surface owner. Owner's obligations herein shall survive the termination of this License.

VII. This Agreement shall be binding upon and inure to the benefit of the parties and their respective heirs, executors, administrators, legal representatives, successors, and assigns.

VIII. This Agreement shall be construed under and in accordance with the laws of the State of Texas, and all obligations of the parties created by this Agreement are performable in Navarro County, Texas.

IX. In case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, this invalidity, illegality, or unenforceability shall not affect any other provision of the Agreement, and this Agreement shall be construed as if the invalid, illegal, or unenforceable provision had never been contained in the Agreement.

X. The rights and remedies provided by this Agreement are cumulative, and the use of any one right or remedy by either party shall not preclude or waive its right to use any or all other remedies. The rights and remedies provided in this Agreement are given in addition to any other rights the parties may have by law, statute, ordinance, or otherwise.
