Re: Health Services Agreement

Dear Sheriff Tanner:

SHP has been a proud partner with Navarro County and the Sheriff's Office over the past six years. We enjoy working with you and your staff and would like to hear if there is anything we can do to make the relationship better. I encourage you to reach out, now or at any time, with any questions or needs. I would be happy to speak with you.

With a new contract period approaching, I am providing this letter for the historical record to acknowledge the annual renewal for October 2020-2021. We will need an increase in service rates this year to help us keep pace with the costs of doing business, providing a high quality program of staffing and health care services in accordance with your expectations. I have outlined a new rate description for you below, which includes a 3% annual adjustment on the base fee and per diem rate, effective in line with the renewal anniversary.

Contract Period: October 1, 2020, through September 30, 2021	
Base annualized fee:	\$354,257.64 (\$29,521.47 per month)
Per diem greater than 225 inmates:	\$1.45

Please keep this correspondence for your file and return a signed copy to me at your earliest convenience, or by August 31, 2020. A scan to email will be fine (email carmen.hamilton@southernhealthpartners.com). We will plan to adjust to the new pricing starting with the October service fee invoice. Except as stated herein, or as may be amended or modified in writing by mutual agreement of the parties, all provisions of the contract will remain in full force and effect.

Thank you in advance. We appreciate your business and look forward to continued service as the on-site provider of medical care. Again, please feel free to contact me if there is anything you need. You can reach me direct in the NC/SC Regional Office at 803-802-1492.

Sincerely,

Carmen Hamilton
