Reference: Transfer funding

Hello Natalie, I am requesting that funds be transferred from Range Maintenance 101-560-429 to Ammo Budget # 101-560-388.

Due to unforeseen issues with COVID last year the majority of my Ammo budget was utilized for long needed Range Maintenance.

This new budget year they started the Ammo Budget #101-560-388 at \$12,000.00 and the Range Maintenance Budget at \$18,000.00.

Normally the Ammo Budget would be larger but I'm assuming since I transferred money last year it was assumed that we needed more

Maintenance funding than ammo this year. I am requesting that \$10,000.00 be transferred from 101-560-429 to 101-560-388 so that I

can purchase ammo needed for the department when its available to purchase. Thank you for your time and I hope that this has not

created an inconvenience for you.

Thanks, Sgt. Jeff Harbuck #151H
