

# NAVARRO COUNTY SHERIFF DEPARTMENT

Declare Salvage to Unit # 2583  
2015 Chevy Tahoe  
VIN# 1GNLC2EC0FR619289

- All said equipment in Unit #2583 to be salvaged including:
- Radar unit
- Dash cam
- Radio
- Cage
- All other misc. parts associated with said unit.

This unit (2583) was the one involved in the fleet accident approximately 2 months ago and we finally got all the information back from the Adjustor.

The Adjustor filed it as a total loss and the vehicle is currently at Chuck's Paint and Body waiting to be salvaged out on our end.

Once declared salvage the insurance company will make arrangements to go pick the vehicle up and take possession of it.

Terri Gillen and Patty Wells will make arrangements on their end with all the necessary title paperwork once salvaged by the commissioners.

Thanks,
