Hi Sherry,

Here is your pricing for new shelving and move.

- 1) Move to new storage facility is \$8,527.00
- 2) 29 sections of 76x26x36 shelving for box storage \$14,102.00 + \$4,750.00 freight = \$18,852.00

Barry was hoping for a June 15 - June 30 date to do the move after new shelving gets here. Let me know if you have any questions or concerns.

Terri,
This is a quote for shelving and to move from Ideal storage to Probation storage. At this point I have approximately 375 banker boxes.. I need this shelving....(1) to make it all fit (2) so we don't have to stack 3 deep and can't move them... to get into the one that is always on the bottom. Not sure what funds this needs to come out of??? I have attached a copy of the plans. If you have any questions let me know. I will need to let him know if he can schedule me in for June 15-30.

Thanks
Sherry
