PRECINCT NO. 2

**ANNUAL ROAD REPORT**

1. Condition of each road, culvert, and bridge in the precinct: Gravel roads are in fair to good condition due to the amount of rainfall we have acquired. Paved roads are in fair condition due to normal wear and weather. They are extremely rough due to being patched for many years. Culverts are continually being replaced due to age. No bridges are scheduled to be replaced.
2. Amount of money necessary for maintenance of the precinct roads during the next Fiscal year: The budgeted cost of road material for fiscal year is \$445,000
3. Number of traffic control devices in the precinct defaced or torn down: 22  
Removing and defacing signage is a continuous problem.
4. Any new road that should be opened in the precinct: Not at this time.
5. Any bridges, culverts or other improvements necessary to place the precinct roads in good condition, and the probable cost of the improvements: Replace culverts at SE CR 2270 and SE CR 3300

All foregoing responses are submitted to the best of the Precinct Commissioners' knowledge.

Submitted by the undersigned on this 7th day of June 2022.

PRECINCT NO. 4

**ANNUAL ROAD REPORT**

1. Condition of each road, culvert, and bridge in the precinct: The majority of our county roads, culverts, and bridges are in good condition. However, because of limited resources there are currently some in fair condition.
2. Amount of money necessary for maintenance of the precinct roads during the next fiscal year: We will have about \$1.8 million in our budget for Precinct 4 road and bridge maintenance. However, it would take about \$2.5 million to \$3.2 million to properly maintain roads, culverts, and bridges.
3. Number of traffic control devices in the precinct defaced or torn down: Replacing traffic devices is an ongoing challenge. We always have 5 to 10 signs that are either defaced or torn down.
4. Any new road that should be opened in the precinct: No
5. Any bridges, culverts or other improvements necessary to place the precinct roads in good condition, and the probable cost of the improvements: We will replace 25 to 40 culverts and spend \$1.8 million replacing and repairing culverts and bridges and keeping Precinct 4 roads in good condition.

All foregoing responses are submitted to the best of the Precinct Commissioners' knowledge.

Submitted by the undersigned on this 22<sup>nd</sup> day of June 2022.
