Postage Meters

SendPro®
SendPro MailCenter

Advanced technology for maximum productivity.

The SendPro MailCenter is an advanced all-in-one mailing and shipping solution designed to quickly process high volumes of mixed mail at high speeds and optimize all your sending workflows, while reducing costs.

High-speed mail processing streamlines your sending workflows.

- **Automatically process** high-volume mail runs with variable thickness at speeds up to 310 letters per minute¹.
- **Save time** by eliminating the need to sort mail by weight and size with the Weigh-on-the-Way[®] feature².
- **Easy-to-use** 15" intuitive touch-screen display is designed for visibility and ease of use and allows for faster processing of mail and packages.
- **Ensure accuracy** and process mail in seconds with an unlimited number of presets for your most commonly-used postage classes.
- **Save on pre-printed stationary costs** with the ability to print your business logo, return address or promotional messages on envelopes for a more professional look.
- **Optimize efficiency** with our Reverse Separation technology that minimizes envelope jams with integrated sensors and rollers that adjust to different envelope thicknesses.
- **Automatically save** on every First Class[®] letter you send.

¹ The SendPro[®] MailCenter 3000 model will print up to 310 lpm. Please see specification chart for other models' processing speeds

² Weigh on the Way is only available on the MailCenter 2000 & 3000 models. Please see specification chart for WoW processing speeds. Weigh-on-the-Way is not available on the MailCenter 1000.

Integrated shipping capabilities for increased efficiency

Gain full visibility and control over all your sending within one powerful digital system. The SendPro® MailCenter offers an integrated shipping capability that enables you to ship packages and evaluate rates and services through USPS® FedEx® and UPS®. Now, you can get your packages delivered with the best cost and delivery options available.

- Accurately weigh packages with an integrated scale.
- Evaluate shipping options and costs to make the best decision for your needs.
- Gain greater visibility into your shipping spend and package tracking in one place.
- Print professional-looking shipping labels from an optional shipping label printer.

Access shipping outside the mailroom

Users can simply log in to the Shipping 360™ platform, to access the same shipping features on the SendPro MailCenter directly from their desktop with PitneyShip™ or PitneyShip Pro. In addition, a shipping label printer and desktop scale is available to ensure accurate weighing and professional label printing. Plus, everything shipped is captured in a central shipping account that includes package detail, tracking information and shipping history.

Add these optional peripherals to enhance your sending experience:

Shipping label printer: Print professional looking shipping labels onto an adhesive label.

Digital scale: Accurately weigh and calculate correct postage for mail and packages from your computer or upgrade to a 30lb, 70lb or 149lb scale for larger packages.

Barcode scanner: Easily charge mail runs to assigned cost accounts within your organization or quickly process Certified Mail by scanning the barcode to automatically import information.

Power stacker: Streamline your high-volume mail runs with a extended capacity mail stacker.

Wireless keyboard: Quickly enter alpha-numeric entries and addresses to process mail and packages easily.

Compliance and optional Global Services.

The SendPro® MailCenter continues to meet all current USPS® regulations and meets the latest Intelligent Mail® Indicia (IMI) specification.

Pitney Bowes Global Services offers a full array of end-to-end service, professional installation and optimization resources.

Non-Appropriations. You warrant that you have funds available to make all payments until the end of your current fiscal period, and shall use your best efforts to obtain funds to make all payments in each subsequent fiscal period through the end of your lease term. If your appropriation request to your legislative body or funding authority ("Governing Body") for funds to make the payments is denied, you may terminate the lease on the last day of the fiscal period for which funds have been appropriated, upon (i) submission of documentation reasonably satisfactory to us evidencing the Governing Body's denial of an appropriation sufficient to continue the lease for the next succeeding fiscal period, and (ii) satisfaction of all charges and obligations under the lease incurred through the end of the fiscal period for which funds have been appropriated, including the return of the equipment at your expense.

By signing below, you agree to be bound by all the terms of this Agreement, including the Pitney Bowes Terms (Version 1/18), which are available at <http://www.pb.com/sia/local/my/terms> and are incorporated by reference. This lease will be binding on us after we have completed our credit and documentation approval process and have signed below. This lease requires you either to provide proof of insurance or participate in the ValueMAX® equipment protection program (see Section 6 of the State and Local Fair Market Value Lease Terms) for an additional fee. If software is included in the Order, additional terms apply which are available by clicking on the hyperlink for that software located at <http://www.pitneybowes.com/us/license-terms-of-use/software-and-subscription-terms-and-conditions.htm>. Those additional terms are incorporated by reference.

Customer Satisfaction Guarantee

Pitney Bowes Sending Technology Solutions is committed to providing our customers with the finest products backed by the highest quality care and service. As long as you continually maintain coverage with a Pitney Bowes Service Level Agreement for hardware and a software maintenance agreement for software after warranty, Pitney Bowes promises to provide you the following:

GUARANTEED PRODUCT PERFORMANCE

For all new and remanufactured Pitney Bowes® branded products provided by Pitney Bowes in the U.S., we guarantee performance to our specifications for the initial term of the lease or three years if purchased. If, during that period, the product does not perform to our specifications, and we cannot repair it, we will replace it with a comparable product. If during the first ninety days after installation the replacement product does not perform as specified, you will be entitled to a refund of payments made to us for the replacement product. If the original or replacement product fails to perform due to the use of a non-Pitney Bowes consumable supply or unapproved software/hardware modification, this guarantee will not apply.

GUARANTEED NATIONWIDE SERVICE

Our nationwide service force will respond to service and preventative maintenance requests as part of your maintenance agreement for hardware. If we find that we cannot return your Pitney Bowes branded equipment to a satisfactory operating condition within a reasonable time, where appropriate, we will provide you with a loaner at no additional cost.

HELP LINE SUPPORT

For customers with products that are supported through our Diagnostics Center, toll-free telephone technical assistance is available Monday through Friday, 8:00 A.M. until 8:00 P.M. ET exclusive of holidays.

RATE CHANGE PROTECTION

With our ability to accommodate a wide range of carriers, we are your rate data source. Also, should you select any of our plans that include software rate protection, we guarantee that you will not be charged for unexpected rate changes within the scope of your plan.

OPERATOR PRODUCTIVITY AND TRAINING EXCELLENCE

For all products that we install, our skilled professionals will effectively deliver the agreed upon installation and training services.

PURCHASE POWER SERVICE

The Pitney Bowes Bank, Inc. provides postage advances to all qualified customers in good standing. You will not have to pay for postage in advance. You can mail now and pay later when you get your bill.

At Pitney Bowes, we are committed to maintaining long-term partnerships with our customers. If our sales and service support team has been unable to satisfy you, I would like to hear from you. Please call my office at 1-800-622-2296.

We won't be satisfied until you are satisfied.

Harris Warsaw
Senior Vice President Global Sales, Global Sending Technology Solutions
