Corsicana, Texas 75110

Dear Mayor Fletcher:

On December 1, 2023, when I was appointed Director of The Corsicana Navarro County Public Health District, I considered it a short term or interim position. Dr. Dale Campbell, the county health authority and City of Corsicana Medical Officer, would normally also serve as the medical director of the health department. At the time I was appointed, however, he was unable to do so. He was functionally precluded from doing this because of his contractual restraints with his medical clinic. Dr. Campbell has now retired from active medical practice and soon will no longer be bound to those terms of his employment.

On April 1, 2025, I will step aside as the health department director and Dr. Campbell will assume that duty. It is my opinion that it will require no action by the city or county. This medical directorship of the health department has always been a part of the role that the city and county have already appointed him. It has been my privilege to serve in the role for the short time that I have done so. I might also add, Mayor Fletcher, a genuine hearty thank you for the support that you and the city council have give us. These thanks must include former city manager, Connie Standridge and the present city manager, Jim Holgersson.

Sincerely,

A handwritten signature in black ink that reads "Neal Green".
