For this award, the § 200 Uniform Requirements supersede, among other things, the provisions of 28 C.F.R. §§ 66 and 70, as well as those of 2 C.F.R. §§ 215, 220, 225, and 230. For more information on the § 200 Uniform Requirements, see <https://www.ecfr.gov/current/title-2/subtitle-A/chapter-II/part-200>. For specific, award- related questions, recipients should contact ONDCP promptly for clarification.

(2) This award is subject to the following additional regulations and requirements:

- 28 C.F.R. § 69 – “New Restrictions on Lobbying”
- 2 C.F.R. § 25 – “Universal Identifier and System of Award Management”
- Conflict of Interest and Mandatory Disclosure Requirements
- Non-profit Certifications (when applicable)

(3) Audits conducted pursuant to 2 C.F.R. § 200, Subpart F, “Audit Requirements” must be submitted no later than 9 months after the close of the recipient’s audited fiscal year to [The Federal Audit Clearinghouse \(fac.gov\)](#)

(4) Recipients are required to submit Federal Financial Reports (FFR) to the Department of Health and Human Services, Payment Management Services (HHS/PMS). The Federal Financial Report is required to be submitted quarterly and within 90 days after the grant is closed out.

(5) The recipient gives the awarding agency or the Government Accountability Office, through any authorized representative, access to, and the right to examine, all paper or electronic records related to the grant.

(6) Recipients are not agents of ONDCP. Accordingly, the recipient, its fiscal agent(s), employees, contractors, as well as state, local, and federal participants, either on a collective basis or on a personal level, shall not hold themselves out as being part of, or representing, the Executive Office of the President or ONDCP.

(7) These general terms and conditions, as well as archives of previous versions of these general terms and conditions, are available online at the ONDCP website.

ONDCP may also terminate the award if it no longer effectuates program goals or agency priorities. See 2 C.F.R. § 200.340.

(9) Conflict of Interest and Mandatory Disclosures

Conflict of Interest Requirements

As a recipient entity, you must follow ONDCP’s conflict of interest policies for federal awards. Recipients must disclose in writing any potential conflict of interest to an ONDCP Program Officer;

recipients that are pass-through entities must require disclosure from sub-recipients or contractors. This disclosure must take place immediately whether you are an applicant or have an active ONDCP award.

The ONDCP conflict of interest policies apply to sub-awards as well as contracts, and are as follows:

As a recipient entity, you must maintain written standards of conduct covering conflicts of interest and governing the performance of your employees engaged in the selection, award, and administration of subawards and contracts.

None of your employees may participate in the selection, award, or administration of a sub-award or contract supported by a federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from an organization considered for a sub-award or contract. The officers, employees, and agents of the recipient entity must neither solicit nor accept gratuities, favors, or anything of monetary value from sub-recipients or contractors or parties to sub-awards or contracts.

If you have a parent, affiliate, or subsidiary organization that is not a state, local government, or Indian tribe, you must also maintain written standards of conduct covering organizational conflicts of interest. Organizational conflicts of interest means that because of relationships with a parent company, affiliate, or subsidiary organization, you are unable or appear to be unable to be impartial in conducting a sub-award or procurement action involving a related organization.

Mandatory Disclosure Requirement

As a recipient entity, you must disclose, in a timely manner, in writing to ONDCP all violations of federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the federal award. Recipient entities that have received a federal award are required to report certain civil, criminal, or administrative proceedings, including the terms and conditions outlined in 2 C.F.R part 200, Subpart F, Appendix XII, to the System for Award Management (SAM), currently the Federal Awardee Performance and Integrity Information System. Failure to make required disclosures can result in any of the remedies described in 2 C.F.R. § 200.339. (See also 2 C.F.R. § 180, 31 U.S.C. § 3321, and 41 U.S.C. § 2313.)

None of the funds appropriated or otherwise made available by this grant or any other Act may be used to fund a contract, grant, or cooperative agreement with an entity that requires employees or contractors of such entity seeking to report fraud, waste, or abuse to sign internal confidentiality agreements or statements prohibiting or otherwise restricting such employees or contractors from lawfully reporting such waste, fraud, or abuse to a designated investigative or law enforcement representative of a federal department or agency authorized to receive such information. This limitation shall not contravene requirements applicable to Standard Form 312, Form 4414, or any other form issued by a federal department or agency governing the nondisclosure of classified information.

(10) Federal Funding Accountability and Transparency (FFATA) / Digital Accountability and Transparency Act (DATA Act). Each applicant is required to (i) be registered in SAM before submitting its application; (ii) provide a valid Unique Entity Identifier number in its application; (iii) continue to maintain an active SAM registration with current information at all times during which it has an active federal award; and (iv) provide all relevant recipient information required for ONDCP to collect for reporting related to FFATA and DATA Act requirements.
