AUDITOR'S OFFICE**

This is a letter giving you information about an incident that occurred while conducting county business in my personal vehicle.

On May 18, 2026 at around 11:25 AM, I was entering a private drive in order to conduct an inquest. While traveling through the fence/gated entrance I heard a scrapping sound coming from the outside of my vehicle. I then looked in the outside right mirror and observed the blue gate making contact with my vehicle on the right side. I then continued business as normal and later advised the homeowner that her gate struck my vehicle.

I went and obtained a vehicle repair estimate from Chucks Paint and Body, Inc. I sent the repair estimate to the homeowner named Linda Click. She eventually wrote me back saying the insurance denied to pay for the repair. On a later date I made contact with the Farmers Insurance personnel name Sarah Matthews. She later told me that Farmers would not pay the entire price of the repair. Farmers Insurance sent me a check in the amount of \$857.59. The total cost of the repair was \$1597.32. I wrote a check for the repair.

Thank You,
