Good Morning Monica,

I need to confirm the quote Travis Dempsey received yesterday for Unit A045 for our JPs.

Unit A045 is a smart 10X30 "smart" unit. The monthly rent is \$392.00 with an additional \$24.00 because of the smart doors. This rent is due one month in advance.

Can you confirm this?

Thank you!
Natalie

Correct. Rent is due on the 1st of each month. If you get the unit this week your rent for the remainder of this month will be prorated.

We do charge a 1x \$25 administration fee

Thank you for the clarification. This will have to go through court on the 26th first for approval. We will be in touch!
