Subject: [EXTERNAL] Request for Equipment approval

Izzie,

Attached is documentation for a request for an equipment purchase that exceeds the \$10,000 per unit threshold with our 2025/2026 HIDTA funds. This request is for our Texoma Fugitive Initiative and will provide 3 Axon Sky- Hero Ground robots to be used in HIDTA related fugitive apprehensions.

These will be used by our Texoma Fugitive Initiative during high-risk entries for fugitive apprehensions during HIDTA related activities. This device can be deployed to clear areas to ensure officer safety during entries. The USMS currently has a Sky Hero Drone and this device will work in conjunction with the drone they already have and does not take special operator certifications to deploy. The Sam search and 889 compliant certification is included with the quote. Please let me know if you need any other information to approve this equipment request.

However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership instructions for Schedules K-2 and K-3 (Form 1065).
